The Crucible

2011-10-06

arthur miller s classic parable of mass hysteria draws a chilling parallel between the salem witch hunt of 1692 one of the strangest and most awful chapters in human history and the mccarthyism which gripped america in the 1950s the story of how the small community of salem is stirred into madness by superstition paranoia and malice culminating in a violent climax is a savage attack on the evils of mindless persecution and the terrifying power of false accusations

The Crucible

2003-03-25

a haunting examination of groupthink and mass hysteria in a rural community a penguin classic i believe that the reader will discover here the essential nature of one of the strangest and most awful chapters in human history arthur miller wrote in an introduction to the crucible his classic play about the witch hunts and trials in seventeenth century salem massachusetts based on historical people and real events miller s drama is a searing portrait of a community engulfed by hysteria in the rigid theocracy of salem rumors that women are practicing witchcraft galvanize the town s most basic fears and suspicions and when a young girl accuses elizabeth proctor of being a witch self righteous church leaders and townspeople insist that elizabeth be brought to trial the ruthlessness of the prosecutors and the eagerness of neighbor to testify against neighbor brilliantly illuminate the destructive power of socially sanctioned violence written in 1953 the crucible is a mirror miller uses to reflect the anti communist hysteria inspired by senator joseph mccarthy s witch hunts in the united states within the text itself miller contemplates the parallels writing political opposition is given an inhumane overlay which then justifies the abrogation of all normally applied customs of civilized behavior a political policy is equated with moral right and opposition to it with diabolical malevolence for more than seventy years penguin has been the leading publisher of classic literature in the english speaking world with more than 1 700 titles penguin classics represents a global bookshelf of the best works throughout history and across genres and disciplines readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Crucible (Arthur Miller)

1971

the 1953 premiere of the crucible confirmed arthur miller s reputation as one of america s most important and serious playwrights as it underscored the earlier success of miller s pulitzer prize winning drama death of a salesman while dealing with the 1692 witch trials in salem massachusetts the crucible reveals miller s concern with issues of individual conscience and guilt by association issues that were manifest in the social and political problems of his own time the drama is both a historical play of 17th century colonial america and a parable about the communist witch hunts in the united states of the 1950s miller uses the moral absolutism of puritan salem to parallel the infamous congressional hearings led by senator joseph mccarthy the events which frame miller s tragic drama are separated by some two hundred and sixty years but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise with universal themes that transcend time and place including national borders the crucible remains one of the most often produced american plays worldwide in the crucible politics property and pretense james j martine extends his analysis beyond the standard critical appraisals that compare the drama s setting only to the time in which it was written the mccarthy era martine examines in detail miller s historical sources and the ways in which he adapted this material to his contemporary audience martine suggests the play should be read within a variety of contexts that is as a product of and reaction to the mccarthy era as a milestone in the development of miller s work as an exemplar of the genre of tragedy as part of the tradition of american theatre and as a basis for later adaptations in his discussion martine considers both the written text and the play as public performance he examines the play s settings props and exits and entrances and draws attention to the various ways in which miller built these directions about the play s performance into the written text martine argues convincingly that the crucible should not be approached as a monochromatic written text as it often has been but as a multifaceted performance text his study includes photographs of a contemporary staged production in addition to commentary on robert ward s pulitzer prize winning opera based on miller s drama martine s multi leveled exploration enables the reader to understand and thus appreciate the crucible and arthur miller more fully book jacket title summary field provided by blackwell north america inc all rights reserved

CliffsNotes on Miller's The Crucible

2011-05-18

seminar paper from the year 2009 in the subject american studies literature grade 1 3 johannes gutenber university mainz language english abstract one of the group members of an experimental theatre ensemble of the 1970s and 80s called wooster group commented on the crucible that the play was interesting to us because arthur miller wrote it as a moral play he took responsibility social responsibility there was a hero since the hero is the most important character who has the task to convey this moral message this paper will mainly concentrate on his role his character development his portrayal by arthur miller and how the

author realized his moral concept in the character of john proctor when arthur miller wrote the crucible he envisioned the concept of unity in which positive and negative are attributes of the same force in which good and evil are relative

Elements of Literature

1989-06-01

ideal for student research and class discussion this interdisciplinary casebook provides a rich variety of primary historical documents and commentary on the crucible within the context of two relevant historical periods the salem witch trials of 1692 and the red scare of the 1950s when the play was written the play is a testimony to the inherent dangers miller sees in any community seized by hysteria the salem witch hunts which miller uses to illustrate such a community were echoed more than 250 years later in the hunt for subversives during the red scare of the 1950s the authors provide literary and dramatic analysis of the play comprehensive historical backgrounds relevant documents of the periods and questions and projects to help students in their understanding of the crucible and the issues it raises in a discussion of puritan society of the seventeenth century the authors explore the habits of many of the residents of massachusetts bay and specific events which seemed to make the witch hunts of 1692 inevitable the text of relevant documents illustrate their beliefs combined with the disasters that contributed to community hysteria a chapter on the salem witch trials includes testimony letters and first person accounts by actual people on which miller based his characters a chapter on the red scare of the 1950s features testimony before the house un american activities committee case studies of blacklisted people and an exclusive interview with a couple who were blacklisted the authors include a chapter on witch hunting in the 1990s in the form of testimony from preschoolers which sent child care workers to prison on charges of sexual abuse students will be able to compare and contrast witch hunting over 300 years with the materials provided here many of which are available in no other printed form each section of the casebook contains study questions topics for research papers and class discussion and lists of further reading for examining the issues raised by the play

1914

seminar paper from the year 2010 in the subject english literature works grade 1 7 ernst moritz arndt university of greifswald anglistik amerikanistik course proseminar lost in literature language english abstract what happened in salem in 1692 is today described as one of the darkest episodes in american history still today historians try to find out what caused the disastrous outbreak of the witch craze but the only thing they can be sure about is that they can not explain why so many people had to die accusations of witchcraft were not unusual in the seventeenth century world what was so special about the time and place that such an outbreak of random accusations became possible salem has become an icon in american culture the trials have become a metaphor for hysterical prosecution unfounded accusations and confessions that have no reasonable explanation believe in witchcraft had existed for hundreds of years before the hysteria broke out in salem the colonists who came to massachusetts had a strong belief in the devil and his agents and were mainly puritans who came to america to gain religious freedom there are many things you could compare between the historical account of the witch hunt and arthur miller's play the crucible this paper is going to analyse the portrayal of a puritan society in miller's play and will try to find out whether the religion of the people and therewith their way of life have caused the rising of the witch scare and the horrible outcome for the characters in the play it is going to be analysed why normal people start accusing their neighbours and friends for witchcraft although many of them are aware of the consequences for the accused at first it is going to be described how arthur miller informed himself about the happenings of 1692 in order to underline his credibility of being able to create the puritan society of that time in the following the terms puritanism and puritan will be briefly defined the main part of the paper will concentrate on the analysis of puritan traits beliefs and lifestyles in the crucible in order to find out whether they might have played a part in the catastrophe

Arthur Miller's The Crucible

1984

seminar paper from the year 2000 in the subject american studies literature grade 1 7 a university of münster anglistics american studies course advanced seminar modern american drama 13 entries in the bibliography language english abstract as arthur miller states in his autobiography 1 the crucible has become his most frequently produced play this great success of a conventional drama can certainly not be explained without regard to its political message when the play was first performed in 1953 its audiences were quick to recognize the connections between the witch craze in 17th century massachusetts and the american anti communist hysteria of their own time like any literary text the crucible reflects the conditions under which it was produced and miller himself says that he could not have written it at any other time 2 since in this case parallels between the events in both times are extremely

striking it seems necessary for the understanding and interpretation of the play to explain its dual historical context at the same time it would be wrong to interpret miller s drama against this background only or as reitz puts it the crucible ist kein schlüsseldrama das auf die vordergründige aktualität von wiedererkennungseffekten setzt und zu diesem zweck anhänger und gegner mccarthys als puritaner kostümiert 3 miklos trocsanyi argues similarly pointing out that miller was glad when in the contemporary criticism less and less mention was made of and parallel drawn between the witchcraft hysteria and mccarthyism it meant that the deeper message was more and more appreciated 4 finding out about this deeper message is what the analysis of the dual historical context aims at therefore this research paper will after explaining the historical circumstances of both the salem witch hunt and the american anticommunism under mccarthy focus on parallel phenomena underlying the events in both times this comparison whic

The Crucible by Arthur Miller (Book Analysis)

2019-04-03

seminar paper from the year 2016 in the subject english language and literature studies literature grade 1 7 university of bonn institut für anglistik amerikanistik und keltologie course american drama language english abstract the salem witch hunt and the mccarthy era they are definitely two of the rather unpleasant chapters of american history to think of even though there are more than 250 years of distance between these two periods there are still several parallels to be perceived one might say history repeats itself one of the attempts to combine the events of 1692 and the 1950s and point out their similarities was made by america s famous playwright arthur miller the crucible was written in 1953 and is set in 1692 salem the play would become by far arthur miller s most frequently performed play in the context of mccarthyism the audiences soon interpreted the play as a veiled attack on the current chase after communists in the country however arthur miller time and again denied such an intention but it appears conceivable that the play was shaped in a way by miller s experiences during mccarthyism the work in hands is supposed to find out whether the crucible can be referred to as a play with a dual historical context in the first chapter of the work the apparent historical background the salem witch trials of 1692 will be outlined briefly following this the play s formation context america s 1950s and mccarthyism will be thematized as arthur miller experienced the consequences of the 20th century witch hunt himself chapter four deals with his experiences with mccarthyism and how it might have affected him writing the play the next chapter then analyzes the crucible in more detail and points out passages that can be related to the events of the 1950s and potentially contain hidden criticism finally in chapter six there will be an attempt to give an answer to the question whether the crucible can be considered a play with a dual historical context or not as many of the documents of the salem witch trials still exist the course of events can easily be reconstructed with regard to the events of the 1950s documents are mainly retained by

the fbi but however a few surveys of accused people could be reconstructed either by reports of the accused or by tapes and documents that were somehow not kept under wraps by the fbi as arthur miller is one of america s most famous playwrights his plays evoked the interest of many scholars over the last decades
