The Fundamentals of Business-to-Business Sales & Marketing 2004 excerpt from the fundamentals of christianity a study of the teaching of jesus and paul this book will not attempt formal proof of the foregoing propositions they will only incidentally and almost accidentally furnish subject of discussion t hey are the fundamental data on which the entire discussion proceeds so nearly axiomatic in the author s view that the mere statement of them should secure hearty assent from the thoughtful christian reader indeed his fear is that more readers will pronounce them truisms than untruths but it is only fair to give warning that any reader who seriously dissents from them will do well to lay the book aside at this point as it would probably be pure waste of time and mental energy for him to read further for if these fundamentals are untrue or even doubtful the following pages are worthless about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
