# 6 Things I Learned the Hard Way

2018-03

there s a reason learned the hard way and school of hard knocks are common sayings because most of us have at least one story about something we wish we hadn t learned the hard way from something simple like thinking you can drive your car for miles after the gas light comes on to the embarrassing like forgetting to check for toilet paper stuck to the bottom of your shoe before you leave the bathroom to the life threatening like thinking it s okay to not buckle your seat belt if you re riding in a car for just a mile or so of course it s not necessarily a big deal to learn some things the hard way but why should you learn any lessons in life the hard way if you don t have to after all you have just one life you don t want to spend it making mistakes learning through trial and error or going through bad difficult or unpleasant experiences 6 things i learned the hard way was written to prevent that this small book is guaranteed to make a big impact on your life full of compelling real life stories 6 things i learned the hard way can help you become the wise learn the top six things gary learned the hard way by reading his stories rather than by experiencing them or going through them yourself it s a mini playbook for your success the easy way in relationships business finances and faith learn the six things gary learned the hard way so you won thave to

#### The Hard Way

2024-06-06

the hard way is a powerful manifesto for women who long to walk alone and safely in the countryside dr sharon blackie author of if women rose rooted why is it radical for women to walk alone in the countryside when men have been doing so for centuries the hard way is a powerful and illuminating book about addressing this imbalance reclaiming fearlessness and diving into the history of the landscape from a woman s point of view setting off to follow the oldest paths in england the ridgeway and the harrow way susannah walker comes across artillery fire concern from passing policemen and her own innate fear of lone figures in the distance a landscape shaped by men from prehistoric earthworks to today s army bases

but along the way susannah finds edwardian feminists rebellious widows forgotten writers and artists as well as all their anonymous sisters who stayed at home throughout history they become her companions over 135 miles of walking revealing how much or how little has changed for women now
