## ***The Peerage of the British Empire as at Present Existing 1851***

newsinger challenges the claim that the british empire was a kinder gentler empire and suggests that the description rogue state is more fitting in a wonderful popular history of key episodes in british imperial history he illustrates the darker side of the glory years britain s deep involvement in the chinese opium trade gladstone s maiden parliamentary speech defending his family s slave plantation in jamaica paying particular attention to the strenuous efforts of the colonised to free themselves of the motherland s baleful rule

## ***The Blood Never Dried 2006***

consists of a preview of history of the british colonies together with a dedication to the king

## ***The Cambridge History of the British Empire 1929***

between 1858 and 1947 twenty british men ruled millions of some of the most remarkable people of the nineteenth and twentieth centuries from the indian mutiny to the cruel religious partition of india and the newly formed and named pakistan the viceroy had absolute power more than the monarch who had sent him selected from that exclusive class of english scottish and irish breeding the aristocracy the viceroys were plumed rode elephants shot tigers even their wives stood when they entered the room nevertheless many of them gave everything for india the first viceroy canning exhausted by the mutiny buried his wife in calcutta before he left the subcontinent to die shortly afterwards the average viceroy lasted five years and was granted an earldom but rarely a sense of triumph did these viceroys behave as badly as twenty first century moralists would have us believe when the raj was over the legacy of empire continued as the new rulers slipped easily into the offices and styles of the british who had gone being british was now a caste viceroys is the tale of the british raj the last fling of british aristocracy it is the supreme view of the british in india portraying the sort of people who went out and the sort of people they were on their return it is the story of utter power and what men did with it moreover it is also the story of how modern british identity was established and in part the answer to how it was that such a small offshore european island people believed themselves to have the right to sit at the highest institutional tables and judge what was right and unacceptable in other nations and institutions

## ***The British Empire 1941***

for nearly two hundred years great britain had an empire on which the sun never set this is the story of its rise and fall

excerpt from the story of the british army i have endeavoured in the space at my disposal to show how the british army has grown up i have tried merely to tell a story and therefore omitted much that might have been said regarding the noble work the queen s army has done as regards the opinions advanced i have always as far as possible given the reasons for my views and the authorities which induced me to form them i have adhered to the principle of using the old regimental numbers for the sake of continuity though after the date when these were altered i have in most cases added their present territorial titles about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
