in a timely contribution to current debates over the psychology of boys and the construction of their social lives on my honor explores the folk customs of adolescent males in the boy scouts of america during a summer encampment in california s sierra nevada drawing on more than twenty years of research and extensive visits and interviews with members of the troop mechling uncovers the key rituals and play events through which the boy scouts shapes boys into men he describes the campfire songs initiation rites games and activities that are used to mold the scouts into responsible adults the themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure discipline and guidance and teaching scouts the difficult balance between freedom and self control what results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood on my honor provides a provocative sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires their innate aggressions their inclination toward peer pressure and violence and their social acculturation on my honor ultimately shows how the boy scouts of america continues to edify

and mentor young men against the backdrop of controversies over freedom of religious expression homosexuality and the proposed inclusion of female members while the organization's bureaucracy has taken an unyielding stance against gay men and atheists real live scouts are often more open to plurality than we might assume in their embrace of tolerance acceptance and understanding troop leaders at the local level have the power to shape boys into emotionally mature men
