## **A History of Ablaut in the Strong Verbs**

2015-07-21

like the age old feud between the montagues and capulets in romeo and juliet the enduring rivalry between the boston celtics and the la lakers makes for great drama macbeth s career began with promise but ended in ruin not unlike pete rose s twelfth night s viola s disguise

as a boy to enter into a man's world is echoed in Babe Didrikson Zaharias' challenge to the pro golf patriarchy when she competed in the Los Angeles Open. Exploring parallels between Shakespeare's plays and famous events in the world of sports, this book introduces seven of the best-known plays to the sports enthusiast and offers a fresh perspective to Shakespeare devotees.

## RTI Meets Writer's Workshop

2013-03-27

Enhance your fiction with the power of an active setting. Setting is one of the most underutilized and misunderstood elements of the writing craft, and when writers do focus on setting, they often pull readers out of the narrative and jolt their attention from the action on the page. A writer's guide to active setting will show you how to create vivid, detailed settings that bring your story to life. You'll learn how to deepen character development, anchor readers to a specific time and place, reveal backstory without slowing things down, elevate action sequences, and more. Drawing upon examples from authors writing across a variety of genres, Mary Buckham will illustrate exactly how the proper use of setting can dramatically improve your story. You'll learn what's effective about each passage and how you can use those techniques to make your story shine. Takes an all-too-often overlooked technique and elevates it to a next-level game-changer for powerful fiction. Cathy Yardley, author of *Rock Your Plot*, a powerful combination of fresh insights, practical examples, and how-to advice on the often overlooked but critical element of setting, written in a quick-to-read and easy-to-understand style and packed with useful application exercises. Kelly I. Stone, author of *Thinking Write*, the secret to freeing your creative mind: if you're a writer, then Mary Buckham's book is a must-have tool for your writer's toolkit. Creating settings that are rich and believable is not an easy task, but with this book, I found that each chapter gave me great tips that I could immediately implement in my manuscript. Laurie G. Adams, author of *Finding Atticus*.

## You've Gotta Have Heart in Your Writing

2002-07

Highlighting practices used by exemplary literacy teachers in diverse schools across the nation, using teaching vignettes, cases for exploration, and research in the field, this text provides preservice and inservice teachers with effective, research-based literacy strategies they can use to improve their practice to best serve students from diverse backgrounds. The cases, based in urban, rural, and suburban settings, help teachers make connections between classroom challenges and the research literature that can help them to become problem solvers and reflective practitioners. Each chapter follows a consistent format in supporting the link between research and practice and includes the following key features: focus questions help readers make associations between the chapter text and their prior

knowledge and experiences reading research to know relates a vignette to research in the field inside the classroom provides a detailed vignette of teacher instruction in literacy followed by questions for discussion summary of strategies used helps teachers connect the vignette to classroom practice case for exploration presents a classroom scenario along with questions for discussion
