penguin anthology of japanese haiku in vivid new translations by adam l kern now a global poetry the haiku was originally a japanese verse form that flourished from the sixteenth to nineteenth centuries although renowned for its brevity usually running three lines long in seventeen syllables and by its use of natural imagery to make zen like observations about reality in fact the haiku is much more it can be erotic funny crude and mischievous presenting over a thousand exemplars in vivid and engaging translations this anthology offers an illuminating introduction to this widely celebrated if misunderstood art form adam l kern s new translations are accompanied here by the original japanese and short commentaries on the poems as well as an introduction and illustrations from the period

more than two hundred of the greatest haiku ever written about the game there are moments in every baseball game that make fans catch their breath the pause while a pitcher looks in for the sign the moment a cocksure rookie gets picked off first or the instant a batter lashes a game winning homer into the night sky just before the sell out crowd explodes onto its feet haiku captures these moments like no other poetic form and baseball haiku captures the sights the sounds the smells and the emotions of the game like no previous collection some of the most important haiku poets of both america and japan are featured in this anthology including jack kerouac a longtime baseball fan who pioneered english language haiku alan pizzarelli one of the top american haiku and senryu poets of the last thirty years and masaoka shiki one of the four great pillars of japanese haiku a towering figure who was instrumental in popularizing baseball in japan during the 1890s with over two hundred poems spanning more than a century of ball playing baseball haiku reveals the intricate ways in which this enduring and indelible sport which is played on a field under an open sky has always been linked to nature and the seasons and just as a haiku happens in a timeless now so too does baseball haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game the largest collection of haiku and senryu on baseball ever assembled baseball haiku is an extraordinary treasure for any true baseball fan

changes sweeping japan in the nineteenth century the poet masaoka shiki 1867 1902 instead incorporated new western influences into his country s native haiku and tanka verse by reinvigorating these traditional forms shiki released them from outdated conventions and made them more responsive to newer trends in artistic expression altogether his reforms made the haiku japan s most influential modern cultural export using extensive readings of shiki s own writings and accounts of the poet by his contemporaries and family donald keene charts shiki s revolutionary and often contradictory experiments with haiku and tanka a dynamic process that made the survival of these traditional genres possible in a globalizing world keene particularly highlights random incidents and encounters in his impressionistic portrait of this tragically young life moments that elicited significant shifts and discoveries in shiki s work the push and pull of a profoundly changing society is vividly felt in keene s narrative which also includes sharp observations of other recognizable characters such as the famous novelist and critic natsume soseki in addition keene reflects on his own personal relationship with shiki s work further developing the nuanced deeply felt dimensions of its power

artistic entanglements word and image media and materiality inscription and illustration it proposes a vulnerable fugitive mode of reading poetry which defies disciplinary categorisations embracing the open endedness and provisionality of forms this manifests itself interactively in the six case studies which have been chosen for their distinctness and diversity across the long twentieth century the book begins with the early twentieth century work of writer and artist djuna barnes exploring her re animation of sculptural and dramatic sources it then turns to the late modernist artist and poet david jones considering his use of the graphic and plastic arts in the

anathemata and next to the underappreciated mid century poet ft prince whose work uncannily re activates michelangelo s poetry and sculpture the second half of the book explores the collaborations of the canonical poet ted hughes with the publisher and artist leonard baskin during the 1970s the innovative late twentieth century poetry of denise riley who uses page space and embodied sound as a form of address and finally the contemporary poet paul muldoon who has collaborated with photographers and artists as well as ventriloquising nonhuman phenomena the resulting unique study offers contemporary writers and readers a new understanding of literary artistic and nonhuman practices and shows the cultural importance of engaging with their messy co dependencies the book challenges critical methodologies that make a sharp division between the textual work and the extra literary and raises urgent questions about the status and autonomy of art and its social role explore this stunning collection of spiritual calligraphy by japan s greatest martial arts masters with commentary from zen art authority and aikido master john stevens beginning with the legendary samurai miyamoto musashi nearly all of the great martial arts masters left a legacy of calligraphy and painting their artwork zenga and zensho zen pictures and zen calligraphy was not only an extension of their zen practice but also reflected their deep spiritual commitment to the budo ethos the perfection of self through martial arts training this book presents a concise history of this tradition with works from such samurai as musashi takuan yagyu motusgai rengetsu tesshu deishu kano morihei and others aikido master john stevens is an expert on zen and budo art and he provides a fascinating introduction to the tradition and biographical details on each of the warrior artists and brief illuminating commentary on each piece far beyond the field is a first of its kind anthology of haiku by japanese women collecting translations of four hundred haiku written by twenty poets from the seventeenth century to the present by arranging the poems chronologically makoto ueda has created an overview of the way in which this enigmatic seventeen syllable form has been used and experimented with during different eras at the same time the reader is admitted to the often marginalized world of female experience in japan revealing voices every bit as rich and colorful and perhaps even more lyrical and erotic than those found in male haiku listen for instance to chiyojo who worked in what has been long thought of as the dark age of haiku during the eighteenth century but who composed exquisitely fine poems tracing the smallest workings of nature or katsuro nobuko who wrote powerfully erotic poems when she was widowed after only two years of marriage and here too is a voice from today mayuzumi madoka whose meditations on romantic love represent a fresh new approach to haiku poetic possibilities an original collection showing the moving innovative and positive potential of poetry and how to write it is exactly that with 132 poems covering sixty styles of poetry including eleven brand new forms the author invented it s a must read for established poetry lovers and those just starting out a truly positive uplifting and relatable volume it also contains a chapter walking the reader through how to write several types of poems other value added features include a chapter on helpful resources and support a 100 plus word glossary with examples a bibliography and two indices to the poems explore the poetic possibilities today
