please note this is a companion version not the original book sample book insights 1 god is your protector he wants you to know him and experience him in and around your life god takes the initiative to disclose himself to people through their life events 2 the story of abraham and isaac illustrates how we grow to know god as we experience god firsthand we come to know him in new and increasingly deep ways we can learn that god provides as we read about abraham s experience but we really know god as provider once we experience him providing something specifically for us 3 god can use anyone anywhere to be his instrument of provision for those who trust him we had learned this academically but not until we experienced it did our church come to know from experience that god is in fact the provider 4 the bible is filled with examples of god helping his people come to know the reality of who he is through their experiences as joshua and the israelites were fighting their relentless enemies the amalekites moses oversaw the battle from a nearby mountain while he held his hands up to god the israelites were victorious

arius and athanasius began the doctrine of trinity in 300 ad but the pope bishops and church dignitaries settled it in 451 ad and the trinitarian doctrine was etched in stones the ot prophets the scribes and teachers had the foundational truth of one god and all their messages were from yahweh the one god of israel christ maintained that he was sent from the one god and did his will by his spirit upon him apart from the spirit of god jesus did nothing jn 5 30 the apostles received of the same spirit of god that was on christ and they too adhered to the one god the father sent his son by his spirit and the son the apostles and us by the same spirit of god trinity is a blasphemy of god right from the moment i could talk and reason i knew that my life has a purpose when i became a minister i began an association with god and i came to realize that he is one and not three there are few people who took a stand against the doctrine of trinity and i have answered the call of their hearts by writing this book the scripture stands alone and this book agrees with it i have joined my voice in saying that the lord our god is one god and in him there is no splits or division i say with christ the prophets the apostles the godly church fathers who were martyred on account of this

himself into an angel of light that could be deceiving if we weren't in the word of god only spiritual maturity and insight can protect us from satan the master of deceit you've been warned is a biblical account of scripture with layman understanding author henry miranda explains in his point of view what various scripture mean this is a good read for those struggling with their faith or have doubt the existence of god anyone can understand this book the reason i added the insert is because of my own personal belief in its truth we go through our daily lives often never considering the beauty around us or how it got there but then neither do we consider the reason so many bad things happen we may ask why and often blame god for our misfortune when in reality it's the master of deceit that's to blame this author expresses his devotion to the living word and gets a big kudos but it needs a bit of editing reviewer deanna
