Selected List of Documents in the Mobilization Planning File of War Production Board Records Pertaining to Problems and Methods of Production Control Administration During World War II. 1949 the enactment of the Japanese Imperial Government Disclosure Act P.L. 106-657 and the issuance of Executive Order 13110 Jan 11 1999 aimed at making U.S. government records related to Japanese war crimes and war criminals in World War II more accessible records surveys implementing these requirements disclosed that there were relatively few remaining security classified relevant documents waiting for disclosure on the other hand better identification of relevant documents and improved access to these records was a primary goal of the White House the interagency working group IWG staff took up the admonition from the National Security Advisor that agencies should bring to light hitherto unknown relevant unclassified or declassified records encountered in the course of the search for relevant classified records in selecting documents the IWG staff focused on several subjects and topics that have longstanding interest and concerns for researchers Japanese research and experiments in biological warfare BW Japanese instigation of biological warfare attacks in World War II Japanese biological warfare experiments on living humans and animals Japanese atrocities against prisoners of war Japanese atrocities against civilian populations Allied decisions to hold Japanese responsible for war crimes Allied decisions to hold war crimes trials Allied decision to consider Emperor Hirohito as a person responsible for war crimes Allied decisions to investigate specific Japanese scientists and military personnel for BW crimes American POWs held at Mukden POW Camp Hoten and any evidence of BW experiments on them some subjects of current interest such as Comfort Women were specifically searched for but with little success this collection will continue to expand as new documents are discovered

Select Documents on Japanese War Crimes and Japanese Biological Warfare, 1934-2006 1998 the third volume in a magisterial five volume study of the political economy of American warfare

Planning War, Pursuing Peace 2019-06-10 rise above the basics of Xcode app development to implement tools like share buttons and activity view controllers to share document content including parts of documents with other users and with other devices this book fills the gap so that developers with even a fundamental knowledge of iOS and Swift can implement document creation saving and sharing in their apps since the launch of iPhone in 2007 users and developers have struggled with the fact that the file system is hidden fortunately the Files app in iOS 11 now offers this feature and it is supported by Apple apps such as Numbers Pages and Keynote as well as by the few third party apps that support documents by using the standard formats described in this book you can make your app's data shareable to and from other apps like Numbers Pages and Word files also provides an interface to tools such as Dropbox and iCloud so that users can open and modify documents in them if you combine standard formats such as doc docx jpeg and jpg with Dropbox and email you have a simple way to implement and use cross platform sharing to Macs PCs and Android devices implementing iOS and macOS documents with the Files app provides the combination of skills developers need to build these types of apps working with files and constructing documents what you'll

learn add document support to your apps share your documents with icloud and apple ids across your mac and ios devices use standard formats from doc docx png and jpeg both for input and output manage and organize documents who this book is for developers with a basic knowledge of app development and swift you should already know how to use xcode to create an app knowledge of basic swift syntax is recommended the book can also be a useful overview and guide to managers who are trying to decide how to convert legacy document based systems to apps

Implementing iOS and macOS Documents with the Files App 1898 table of contents

Joint Documents of the State of Michigan for the Year ... 2003 cracking ias prelims revision modules paper 2 aptitude test vol 8 9 is the 1st ebook of a series of 9 ebooks specially prepared to help ias aspirants cross the milestone of preliminary exam the ebook is aimed at revision cum practice so as to develop confidence to crack the ias prelim exam the ebook is divided into 3 topics each topic provides 5 6 revision modules ensuring complete revision of the topic thus in all around 15 such modules are provided each topic will end up with a quiz containing 15 questions to test your topic preparedness further solved questions of the last 5 years on paper 2 aptitude test are also provided in the end 2 tests are provided on paper 2 aptitude test to test your revision of the entire section this ebook along with the 8 other ebooks of this series will definitely help you improve your score in the ias prelim exam

The Reagan Presidency 1885 this is an account of the nation's first intelligence agency the office of special services o s s how it operated what it accomplished and how it laid the basis for the present central intelligence agency and how its charismatic founder wild bill donovan established control over it recruited its staff and most importantly sold roosevelt the armed services the allies and the rest of the country on the agency's varied and often bizarre shadow warfare missions during world war ii the o s s's special relationship with the british the key role of academics and its embarrassing connection with the soviets n k v d are also addressed smith concludes that the creation of the c i a after the war owed less to the accomplishments of the o s s than to donovan's public relations skills and the precarious military situation the country found itself in at the time mr smith has done an exhaustive job of research on the o s s and donovan the book offers an honest lively portrait of an important american and the contributions good and bad that he and the o s s made to the american intelligence system much of this book can be read for the pleasure of observing a genuine american character in action mr smith who does not fawn on his subject captures donovan's kinetic energy and vision philip taubman the new york times this may be as close to a definitive medium length history of oss as we are likely to get it draws fully on the extensive original files now available both american and british and on the recent flood of secondary writing the author has a sure grasp of the basic history of the war his narrative chapters put oss firmly into that wider context and his perspectives and judgments ring true and there are excellent chapters on the usually neglected research and analysis section and on the relations between oss and soviet intelligence agencies an important book foreign affairs a lmost certainly the most balanced study to date of the shadow or

irregular warfare that was the special province of OSS resting on an impressive amount of research into unpublished manuscript collections in both this country and Great Britain. The Shadow Warriors is a convincing account in large measure because its author retains a balance in his conclusions even as he does not hesitate to render firm judgments. The public historian Bradley F. Smith has produced a carefully researched, lucid study of the Office of Strategic Services. OSS Smith deserves recognition for writing the most comprehensive study to date on the origins of United States Central Intelligence. The Journal of American History. Bradley Smith has undertaken a formidable task in writing this history of the Office of Strategic Services, which is the most reliable record to date of its wide range of activities during the Second World War. An audacious book that is fascinating for its disclosures and entertaining to read. The Slavonic and East European Review. Bradley Smith credits the OSS with accomplishments in support of the military but considers shadow warfare dangerously overvalued. The book is humanly interesting at the same time that it addresses the very largest moral and military questions. Kirkus.

House documents 2022-04-02 This book advances research into the government forced labor used widely in colonial Kenya from 1930 to 1963 after the passage of the International Labor Organization's forced labor convention while the 1930 convention intended to mark the suppression of forced labor practices. Various exemptions meant that many coercive labor practices continued in colonial territories focusing on East Africa and the Kenya colony. This book shows how the colonial administration was able to exploit the exemption clause for communal labor, thus ensuring the mobilization of African labor for infrastructure development as an exemption. Communal labor was not defined as forced labor but instead justified as a continuation of traditional African and community labor practices. Despite this ideological justification, the book shows that communal labor was indeed an intensification of coercive labor practices and one that penalized Africans for non-compliance with fines or imprisonment. The use of forced labor before and after the passage of the convention is examined with a focus on its use during World War II as well as in efforts to combat soil erosion in the rural African reserve areas in Kenya. The exploitation of female labor, the Mau Mau war of the 1950s, civilian protests, and the regeneration of communal labor as Harambee after independence are also discussed.

Cracking IAS Prelims Revision Modules – Paper 2 Aptitude Test (Vol. 8/9) 2012-07-25 Report of the Dominion Fishery Commission on the Fisheries of the Province of Ontario 1893 issued as Vol. 26 No. 7 Supplement

The Shadow Warriors: O.S.S. and the Origins of the C.I.A. 2019-04-21 The use and abuse of military history is the theme of this book. The author scrutinizes the Army's first systematic attempt to use military history to educate its future leaders and traces the Army's struggle from the end of the Civil War to claim intellectual authority over the study of war.

Communal Labor in Colonial Kenya 1893 Presidential recordings of White House meetings and telephone conversations 1962 1963

Cracking IAS Prelims General Studies Revision Modules – Quizzes & Practice Tests Paper 1 & 2 (Vol. 9/9)

1990 this original collection abandons culinary nostalgia and the cataloguing of regional cuisines to examine the role of food and food marketing in constructing culture consumer behavior and national identity

Sessional Papers 1984 american philanthropy at home and abroad explores the different ways in which charities voluntary associations religious organisations philanthropic foundations and other non state actors have engaged with traditions of giving using examples from the late eighteenth century to the cold war the collection addresses a number of major themes in the history of philanthropy in the united states these examples include the role of religion the significance of cultural networks and the interplay between civil diplomacy and international development as well as individual case studies that challenge the very notion of philanthropy as a social good led by ben offiler and rachel williams the authors demonstrate the benefits of embracing a broad definition of philanthropy examining how american concepts including benevolence and charity have been used and interpreted by different groups and individuals in an effort to shape and at least nominally to improve people s lives both within and beyond the united states

Soldiers and Scholars 1983 this set of essays offers new insights into the journalistic process and the pressures american front line reporters experienced covering world war ii transmitting stories through cable or couriers remained expensive and often required the cooperation of foreign governments and the american armed forces initially reporters from a neutral america documented the early victories by nazi germany and the soviet invasion of finland not all journalists strove for objectivity during her time reporting from ireland helen kirkpatrick remained a fierce critic of that country s neutrality once the united states joined the fight after the japanese attack on pearl harbor american journalists supported the struggle against the axis powers but this volume will show that reporters even when members of the army sponsored newspaper stars and stripes were not mere ciphers of the official line african american reporters roi ottley and ollie stewart worked to bolster the morale of black gis and undermined the institutional racism endemic to the american war effort women front line reporters are given their due in this volume examining the struggles to overcome gender bias by describing triumphs of thérèse mabel bonney iris carpenter lee carson and anne stringer the line between public relations and journalism could be a fine one as reflected by the u s marine corps creating its own network of marine correspondents who reported on the pacific island campaigns and had their work published by american media outlets despite the pressures of censorship the best american reporters strove for accuracy in reporting the facts even when dependent on official communiqués issued by the military many wartime reporters even when covering major turning points sought to embrace a reporting style that recorded the experiences of average soldiers often associated with ernie pyle and bill mauldin the embrace of the human interest story served as one of the enduring legacies of the conflict despite the importance of american war reporting in shaping perceptions of the war on the home front as well as shaping the historical narrative of the conflict this work underscores how there is more to learn readers will gain from this work a new appreciation of the

contribution of american journalists in writing the first version of history of the global struggle against nazi germany imperial japan and fascist italy

Papers of John F. Kennedy, Presidential Papers, President's Office Files 1878 as engaging as it is astonishing this book provides extremely important revelations and striking pen portraits etched in acid of the main actors certainly the sources are fabulous john erickson author of the road to stalingrad a well written account filled with original material and documentation good reading for anyone interested in the history of wwii intelligence publishers weekly starred review

Papers of John F. Kennedy. Presidential Papers. President's Office Files 2014-06-03 contains the reports of state departments and officials for the preceding fiscal biennium

Senate documents 2022-08-11 renaissance lawman the education and deeds of eliot h lumbard details the life education and public service career of eliot howland lumbard a lawyer who most of his life lived and worked in manhattan and whose legal career spanned more than fifty years beginning in the early 1950s lumbard is easily identified as a renaissance lawman for having gained considerable expertise in the operations of the political and justice systems and for proceeding to capitalize on this knowledge to become both an advocate and initiator of progressive reforms for criminal justice his contributions on behalf of public safety have been largely forgotten but throughout this intriguing biography martin alan greenberg successfully juxtaposes many of lumbard s professional activities with many of the major historical developments and challenges of his time the chronicled events emphasize what motivated the people in his generation to behave as they did since the world today is a much different place than what americans were experiencing in the first three decades after ww ii cultural and technological changes have combined to make our present day world quite different from over a half century ago renaissance lawman proves to be especially rewarding to a wide range of readers interested in police work criminal justice history public service leadership and legal ethics there are no other comparable books on the market lumbard certainly had a unique legal career and his impactful contributions have seldom if ever been duplicated even if his contributions on behalf of public safety have been largely forgotten

Food Nations 1993-07 this highly regarded history gives a balanced and judicious introduction to this immensely complex and controversial subject weaving different strands of the story into a single coherent narrative thus making it essential reading for all students studying conflict in the middle east of all the troubles affecting the modern world few are as topical deep rooted and intractable as the arab israeli conflict for this region an understanding of the past is vital to an understanding of the present ritchie orendale s classic study of the roots of the conflict is now updated for a fourth time and considers events until 2003

American Philanthropy at Home and Abroad 1882 within asia the period from 1840s to 1960s had witnessed the rise and decline of pax britannica the growth of multiple and often competing anti colonial movements and the entrenchment of the nation state system beyond pan asianism seeks to demonstrate the complex

interactions between china india and their neighbouring societies against this background of imperialism and nationalist resistance the contributors to this volume from india the west and the chinese speaking world cover a tremendous breadth of figures including novelists soldiers intelligence officers archivists among others by deploying published and archival materials in multiple asian and western languages this volume also attempts to answer the question of how china india connectedness in the modern period should be narrated instead of providing one definite answer it engages with prevailing and past frameworks notably pan asianism and china india as method with an aim to provoke further discussions on how histories of china india and by extension the non western world can be conceptualized

Monthly Catalogue, United States Public Documents 1897 jay fox 1870 1961 was a journalist intellectual and labor militant whose influence rippled across the country in writing labor s emancipation historian greg hall traces fox s unorthodox life to highlight the shifting dynamics in us labor radicalism from the late nineteenth to the early twentieth century radicalized as a teenager after witnessing the haymarket tragedy fox embarked on a lifetime of union organizing building anarchist communities including home washington and writing thanks to his sharp wit he became an influential voice often in dialogue with fellow anarchists such as emma goldman and lucy parsons hall both explores fox s life and shines a light on the utopians revolutionaries and union men and women with whom fox associated and debated hall s research provides valuable knowledge of the lived experiences of working class americans and reveals alternative visions for activism and social change

Parliamentary Papers 2010 masterfully researched there is no book like this either in the field of lbj literature or in the field of chicano history mario t garcía author of mexican americans leadership ideology and identity 1930 1960 as he worked to build his great society lyndon johnson often harkened back to his teaching days in the segregated mexican school at cotulla texas recalling the poverty and prejudice that blighted his students lives johnson declared it never occurred to me in my fondest dreams that i might have the chance to help the sons and daughters of those students and to help people like them all over this country but now i do have that chance and i ll let you in on a secret i mean to use it this book explores the complex and sometimes contradictory relations between lbj and mexican americans julie pycior shows that johnson s genuine desire to help mexican americans and reap the political dividends did not prevent him from allying himself with individuals and groups intent on thwarting mexican americans organizing efforts not surprisingly these actions elicited a wide range of response from grateful loyalty to in some cases outright opposition mexican americans complicated relationship with lbj influenced both their political development and his career with consequences that reverberated in society at large

Documents Accompanying the Journal 2023-04-25 digital forensics deals with the acquisition preservation examination analysis and presentation of electronic evidence networked computing wireless communications and portable electronic devices have expanded the role of digital forensics beyond traditional computer crime investigations practically every crime now involves some aspect of digital evidence digital

forensics provides the techniques and tools to articulate this evidence digital forensics also has myriad intelligence applications furthermore it has a vital role in information assurance investigations of security breaches yield valuable information that can be used to design more secure systems advances in digital forensics xii describes original research results and innovative applications in the discipline of digital forensics in addition it highlights some of the major technical and legal issues related to digital evidence and electronic crime investigations the areas of coverage include themes and issues mobile device forensics network forensics cloud forensics social media forensics image forensics forensic techniques and forensic tools this book is the twelfth volume in the annual series produced by the international federation for information processing ifip working group 11 9 on digital forensics an international community of scientists engineers and practitioners dedicated to advancing the state of the art of research and practice in digital forensics the book contains a selection of twenty edited papers from the twelfth annual ifip wg 11 9 international conference on digital forensics held in new delhi india in the winter of 2016 advances in digital forensics xii is an important resource for researchers faculty members and graduate students as well as for practitioners and individuals engaged in research and development efforts for the law enforcement and intelligence communities gilbert peterson chair ifip wg 11 9 on digital forensics is a professor of computer engineering at the air force institute of technology wright patterson air force base ohio usa sujeet shenoi is the f p walter professor of computer science and a professor of chemical engineering at the university of tulsa tulsa oklahoma usa
