2023-04-18 21/25 guide

12 the definition (well 124) ensory branding shows how companies appeal to consumers five senses to sell products did you know that the gratifying smell that accompanies the purchase of a new automobile actually comes from a factory installed aerosol can containing new car aroma or that kellogg s trademarked crunch is generated in sound laboratories or that the distinctive click of a just opened jar of nescafé freeze dried coffee as well as the aroma of the crystals has been developed in factories over the past decades or that many adolescents recognize a pair of abercrombie fitch jeans not by their look or cut but by their fragrance in perhaps the most creative and authoritative book on how our senses affect our everyday purchasing decisions global branding guru martin lindstrom reveals how the world s most successful companies and products integrate touch taste smell sight and sound with startling and sometimes even shocking results in conjunction with renowned research institution millward brown lindstrom s innovative worldwide study unveils how all of us are slaves to our senses and how after reading this book well never be able to see hear or touch anything from our running shoes to our own car doors the same way again an expert on consumer shopping behavior lindstrom has helped transform the face of global marketing with more than twenty years of hands on experience firmly grounded in science and disclosing the secrets of all our favorite brands brand sense shows how we consumers are unwittingly seduced by touch smell sound and more
