*DUMAS - The Greatest Works of the Father and the Son* 2023-11-13 the expression son of man used in the gospels almost exclusively by jesus has been the object of intensive study since the protestant reformation yet scholars have come to no agreement on its origin or meaning research in this area has been described as a veritable mine field and a can of worms because of the scope and complexity of the literature no comprehensive survey of the subject has been written in the twentieth century delbert burkett s book fills this need it provides a comprehensive historical overview of the debate from the patristic period to 1996

and gives an evaluation of that research and a summation of the present state of the question burkett concludes that despite nineteen centuries of son of man study there is no consensus concerning the meaning or origin of the expression the debate is therefore a prime example of the limits of new testament scholarship

**The Marchioness de Lambert's Letters to Her Son and Daughter, on True Education, &c. Translated by Mr. Rowell. (Dialogue Between Alexander and Diogenes, on the Equality of Their Happiness.).** 1749 remembering mass violence

breaks new ground in oral history new media and performance studies by exploring what is at stake when we attempt to represent war genocide and other violations of human rights in a variety of creative works a model of community university collaboration it includes contributions from scholars in a wide range of disciplines survivors of mass violence and performers and artists who have created works based on these events this anthology is global in focus with essays on africa asia europe latin america and north america at its core is a productive tension between public and private memory a dialogue between autobiography and biography and between individual experience and societal transformation remembering mass violence will appeal to oral historians digital practitioners and performance based artists around the world as well researchers and activists involved in human rights research migration studies and genocide studies

□□□□□□ 2021-09-10 a valuable survey and reference resource it is hard to imagine a more needed and more useful literary reference work than this one which gives students and
