**Do You Know The Names of God? Part 1** 2014-08-28 this is book 1 in the series on the names of God. It describes the significance of God's Hebrew names, explains why it is necessary to know them, and how to use them in prayer. God's names came through revelation to His people. These names are compound names and they are meant to be descriptive. God used them to reveal His character and nature to the nation of Israel. God created intimacy with the nation of Israel through these revelations. The nation of Israel was able to call upon God using specific names in different situations for God to manifest Himself according to the way He had described Himself. The names are transliterated from the Hebrew language into the English alphabet. Each book will be covering about twenty names of God. The digital versions of the book have an interactive quiz at the end of each chapter. The paperback versions have questions at the end of each chapter and answers at the end of the book.

*Praying the Names of God* 2011-01-26 a twenty-six week devotional study by the bestselling coauthor of *Women of the Bible*. Names in the ancient world did more than simply distinguish one person from another; they often conveyed the essential nature and character of a person. This is especially true when it comes to the names of God recorded in the Bible. *Praying the Names of God* explores the primary names and titles of God in the Old Testament to reveal the deeper meanings behind them: El Shaddai, Elohim, Adonay, Abba, El Elyon, God Almighty, Mighty Creator, Lord, Father, God Most High. These are just a few of the names and titles of God that yield rich insights into His nature and character. *Praying the Names of God* shows readers how to study and pray God's names by focusing each week on one of the primary names or titles of God. Monday: readers study a portion of Scripture that reveals the name. Tuesday/Thursday: readers pray specific Scripture passages related to the name. Friday: readers pray Scripture promises connected to the name by incorporating the divine names and titles into their prayers and learning about the biblical context in which the name was revealed. Readers will gain a more intimate understanding of who God is and how He can be relied on in every circumstance of their lives. *Praying the Names of God* is a unique devotional one that offers a rich program of daily prayer and study designed to lead people into fresh encounters with the living God.

His Name is Wonderful 1993 elohim is the general name of god concerned with the creation and preservation of the world that is his works as jehovah he is the god of revelation in the expression of himself in his essential moral and spiritual attributes but he is especially as jehovah the god of revelation to israel to japheth and his descendants he is the elohim the transcendent deity but to shem and his descendants through abraham and isaac he is jehovah the god of revelation all the nations had their elohim and even had they retained the true and only elohim in their knowledge he would still have been to them chiefly elohim but the elohim of israel when they were not backsliding was jehovah who had especially revealed himself to them thus the constant cry of the faithful israelite was o jehovah thou art our elohim ii chron 14 11 thou art elohim alone ps 86 10 it is interesting as one writer points out to note the change of these two names of the deity throughout the old testament beyond exodus 6 3 such universalistic books as ecclesiastes daniel jonah have elohim almost exclusively on the other

hand the strong theocratic and historical books relating to israel such as joshua judges samuel kings have chiefly jehovah the same is true of the psalms which may be divided on this basis into two parts psalms 42 to 84 almost exclusively use elohim and other compound names of god while the other psalms use chiefly jehovah it is not merely a matter of difference of authors for psalms in both sections are ascribed to david it is rather a difference of purpose thus to israel the medium of the revelation of himself through the word the written word and the medium also of the revelation of himself in the flesh the living word he is especially jehovah the god of revelation the ever becoming one yes and the coming one too the one who shall be to appear for man's redemption the permanent and unchangeable one for i am jehovah i change not the same yesterday today and forever and in this revelation of himself it is never thus saith god or elohim but always thus saith the lord or jehovah publisher

**Beloved Names of God** 2013-05 the understanding of god's name yhwh is so controversial that it is eventually the controversy of controversies or the ultimate controversy indeed why most of competent hebrew scholars propagate patently false explanations about god's name why do the jews refuse to read god's name as it is written and read adonay my lord a plural of majesty instead of it why god's name is usually punctuated e â shewa qamats by the masoretes what makes its reading impossible because the 4 consonants of the name yhwh must have at least 3 vowels long or short to be read like the words adonây and elohîm god a plural of majesty which have 4 consonants and 3 vowels at last why the obvious reading yehowah according to theophoric names which all begin by yehô without exception is so despised and why the simple biblical meaning he will be from exodus 3 14 is rejected

prisoner illustrates the meaning of immanuel or is it emmanuel a rescue from the slopes of an active volcano helps explain salvation and the meaning of jesus hebrew name yeshua even the clever advertisement on a packet of potato chips offers a lesson about how to grow in faith in god unlike chasing rainbows the spiritual journey has an end the name quest is a road map for every christian s spiritual journey and it points to the destination being formed into the image of jesus christ the name quest examines god s names in chapters about god s character or things that he has done most of god s names reflect his character for instance a chapter on holiness mentions all the names connected to that attribute the index of names makes this book an excellent reference tool people who read part of a chapter a day say it makes a good devotional too
