## second language acquisition wikipedia

May 23 2024

second language acquisition (SLA) is the study of how people learn a second language. It is a field of research that has grown rapidly in the past few decades. SLA is a complex process that involves many factors, including the learner's age, motivation, and the quality of the input they receive. SLA is also a process that is influenced by the social context in which it takes place.

## studies in second language acquisition cambridge core

Apr 22 2024
