The Internet Outdoor Family Fun Yellow Pages 1999 in a very real sense each of us is a mandala some of us have intricate patterns and colors reflecting the complex experiences of our lives some of us are simple arcs of

existence with minimalist designs and subtle colors and every possible combination in between each of us is as unique as our individual dna which strangely in cross section on electron microscopy looks like a mandala but unlike our dna our mandalas are constantly shifting shapes and colors as we make our choices as to the best way to live our lives all designs of the mandala have a border the interface we have with one another and the material world and each mandala has a center the singularity where the trinity of mind body and spirit integrates and unites with the divine self

Nova Scotia 2009 daily musings on the power of love compassion service empathy self confidence trust gratitude courage and creativity positivity capsules for living during the pandemic
