The Presidents 2009-05-07 in this magisterial examination of the presidency over the course of the 20th century the author explores the history of the world s greatest elective office and the role each incumbent has played in changing the scope of its powers using individual presidential portraits of each of the presidents of the past century graubard asks and answers a wide variety of crucial questions about each president what intellectual social and political assets did they bring to the white house and how quickly did they deplete or mortgage that capital how well did they cope with crises foreign and domestic how much attention did they pay to their election pledges after they were elected how did they use the media old and new above all how did they conduct themselves in office and what legacy did they leave to their successors graubard provides original analysis in each case and reaches many surprising conclusions

Celebrity in Chief 2016-08-22 analyzes the inherent celebrity that comes with being the united states president and explains how some presidents successfully capitalized on their fame to make themselves more effective leaders and others did not

The Presidents and the Negro 1976 god bless my mother all i am or ever hope to be i owe to her abraham lincoln what are the family circumstances that have created our presidents how did their upbringing shape their future and ours new york times bestselling author doug wead answers these questions in one of the most comprehensive studies of presidential families to date when one thinks about the leadership qualities of george washington and theodore roosevelt or the intellectual prowess of john adams and abraham lincoln it is hard to imagine them as children it is even more difficult to envision the parents of our leaders especially the larger than life idols of our political past our greatest presidents have entered the oval office armed with overwhelming ambition intellect and political savvy but were these characteristics evident in childhood the raising of a president is a groundbreaking look at the parents of the american presidents full of never before seen facts and anecdotes as well as psychological profiles based on wead s findings he analyzes the types of families into which our presidents were born and sheds a fascinating light on how their destinies were shaped during childhood using countless presidential correspondences and letters as well as notes from hours of his own private conversations and interviews with six presidents and first ladies wead focuses specifically on the early life of our first president george washington john adams john quincy adams and the making of our nation s first political empire the humble beginnings of our greatest president abraham lincoln the privileged upbringing of franklin delano roosevelt the ambitious rise of john fitzgerald kennedy and the quiet dynasty led by george h w bush and his son george w bush throughout the raising of a president readers will find that the circumstances and events that would destroy most children were often the very things that sparked greatness in our nation s future leaders these are the stories of the presidents parents but in a truer sense they are the stories of the presidents themselves from a perspective that is long overdue

The Raising of a President 2005-03-15 cited in books for college libraries 3d ed and guide to reference books this standard reference accessible to high school students and above presents the life and political careers of all the american presidents arranged chronologically the 20 plus page essays written by scholars historians and journalists are preceded by a general introduction on the nature of the presidency and followed by a chapter on the role of the first ladies from martha washington to laura bush new information includes the second term of the clinton administration and the first year of george w bush s tenure the appendices include a general bibliography of the presidency a table of biographical political and historical data and a description of the executive office of the president includes 100 b w illustrations and two eight page color inserts edited by graff emeritus history columbia u annotation copyrighted by book news inc portland or

The Presidents 2002 this in depth history of our nation s 46 presidents is now fully revised and updated to include donald trump s eventful term in office joe biden s path to the presidency and the election of kamala harris the nation s first female black vice president the presidents fact book is the complete compendium of all things presidential and a sweeping

survey of american history through the biography of every president from george washington to joe biden organized chronologically by president each entry covers the major accomplishments and events of the presidential term cabinet members election results groundbreaking legislation and supreme court appointments personality and personal habits including hobbies odd behaviors and outlandish penchants a behind the scenes look at the wives families friends and foes and much more major moments from administrations from the bill of rights and the emancipation proclamation to the civil rights era and the coronavirus pandemic provide a glimpse into the crucial moments of america s storied past perfect for students history buffs and political junkies the presidents fact book is at once an expansive collage of the american presidency and a comprehensive view of american history

The Presidents Fact Book 2021-08-10 the new york times bestselling history of the private relationships among the last thirteen presidents the partnerships private deals rescue missions and rivalries of those select men who served as commander in chief the presidents club established at dwight eisenhower s inauguration by harry truman and herbert hoover is a complicated place its members are bound forever by the experience of the oval office and yet are eternal rivals for history s favor among their secrets how jack kennedy tried to blame ike for the bay of pigs how ike quietly helped reagan win his first race in 1966 how richard nixon conspired with lyndon johnson to get elected and then betrayed him how jerry ford and jimmy carter turned a deep enmity into an alliance the unspoken pact between a father and son named bush and the roots of the rivalry between clinton and barack obama time magazine editors and presidential historians nancy gibbs and michael duffy offer a new and revealing lens on the american presidency exploring the club as a hidden instrument of power that has changed the course of history

The Presidents Club 2012-04-17 a fascinating new angle on presidential history assessing the performances of the presidents in their freshman year of the toughest job in the world grouped by the issues the new presidents confronted in their first years in office the book takes readers into the history thought processes and results on a case by case basis including how the presidents subsequent actions proved that they learned or didn t learn from their mistakes from george washington to barack obama the president s first year details the challenging first twelve months of all our presidents tenures

The President's First Year 2016-01-15 which president broke the law to prevent enslaved people from being freed who said when the president does it that means it s not illegal why does america have a president from the heated debates among the framers of the constitution in 1787 over an elected king to the creation of the presidency and on through rich profiles of each man who has held the office new york times bestselling author kenneth c davis takes readers on a guided tour of american history examining each chief executive from the low lights to the bright lights the memorable to the forgettable and the forgotten davis tells all the stories offering rich anecdotes about real people he also charts the history of the presidency itself debunking myths and grading the presidents from a to f for history buffs and history phobes alike this entertaining book may change your understanding of the highest office in the land throughout more than two hundred years of history

Don't Know Much About® the American Presidents 2014-04-15 peggy grande s memoir is the book to read on ronald reagan s post presidential years among the most unique and touching books ever done on the man wonderful the americanspectator in the president will see you now devoted reagan insider peggy grande shares behind the scenes stories intimate moments and insights into one of america s most beloved presidents grande who started in the office of ronald reagan as a college student and earned her way into a coveted role as the president s executive assistant offers an unparalleled perspective on the post presidency of a political icon grande s stories and never before seen photos show a unique private side to a public figure and leader who reshaped conservatism ushered in an era of prosperity and helped spur the end of the cold war grande reveals what day to day life was like in reagan s california office including the former president s relationship with the first lady and his interactions with friends world leaders and everyday americans grande recalls how

reagan kept a vigorous schedule for years after he left the white house his robust engagement with others and ongoing political advocacy despite his eventual alzheimer s diagnosis grande shows how ronald reagan remained true to core beliefs his gentlemanly kindness and his undying hope for his country today the reagan legacy looms over american politics more than ever grande reminds readers why when ronald reagan was president we not only loved ourselves but also loved america and the american values he represented faith optimism and patriotism

The President Will See You Now 2017-02-21 an examination of the president s relationship with the public from public opinion cycles to news media to interest groups

The Presidents and the National Capital 1917 this sterling collection of original never before published essays on six fascinating contemporary presidents by some of the leading presidential biographers of our time is must reading for anyone interested in american politics the history of the american presidency or the lives of the presidents each essay extending and elaborating on lectures originally delivered as part of the montgomery lecture series at dartmouth university explores how a particular president came to power wielded power and was changed by power and how each presidency affected the power of the office itself the presidencies addressed are those of roosevelt eisenhower kennedy johnson reagan and clinton published as our nation begins the process of electing the 43rd president during a time when some believe the independence of the office itself is at stake power and the presidency is a timely and thought provoking look at the nature of power in american democracy

The Presidents and the Public 1990 readers learn about how the president is elected what the presidential duties are and who runs the nation if the president gets sick

A Compilation of the Messages and Papers of the Presidents 1897 explores the lives of the presidents and the evolution of the presidency

Power And The Presidency 2007-11-02 the presidents fact book is a compendium of all things presidential and a sweeping survey of american history through the biography of every president from george washington to donald trump organized chronologically by president each entry covers the major accomplishments and events of the presidential term cabinet members election results groundbreaking legislation and supreme court appointments personality and personal habits career before the presidency a behind the scenes look at the wives families friends and foes and much more including hobbies odd behaviors and outlandish penchants major primary documents from each administration from the bill of rights to barack obama s speech on race in america provide a glimpse into the crucial moments of america s storied past in the words of those who led the nation perfect for students history buffs and political junkies the president s fact book is at once an expansive collage of our nation s 45 individual presidents and a comprehensive view of american history

The President and the Executive Branch 2013-01-01 from abigail nabby adams to chelsea clinton george washington adams to john f kennedy jr the children of america s presidents have both suffered and triumphed under the watchful eyes of their powerful fathers and the glare of the ever changing public whether they perished under the pressure like andrew johnson upheld controversial views like amy carter or carried their father s torch right back to the white house like george w bush all presidential children grew up having to share their fathers with the whole of their fellow countrymen and in too many instances spent the rest of their lives in a desperate search for their own identities in this illuminating bestseller washington insider doug wead offers an authoritative analysis of our nation s presidential offspring featuring lively anecdotes photographs short biographies and never before published personal accounts all the presidents children is an important socio cultural work a groundbreaking study of american family dynamics and an entertaining foray into the homes hearts and history of our forefathers

The American President 2000 we the presidents explores how today s political and economic issues were shaped over the last century by american presidents from warren g harding through donald j trump most presidential biographies portray a single president often focusing on the give and take of politics issues irrelevant to a modern reader in contrast we the presidents provides a sweep of american presidential

history from 1920 through 2020 discussing presidential decisions and policies including immigration healthcare income inequality taxation and the tension between personal liberty and public responsibility which affect every american today

Presidents Fact Book Revised and Updated! 2017-01-03 in this magisterial examination of the presidency over the course of the 20th century the author explores the history of the world s greatest elective office and the role each incumbent has played in changing the scope of its powers using individual presidential portraits of each of the presidents of the past century graubard asks and answers a wide variety of crucial questions about each president what intellectual social and political assets did they bring to the white house and how quickly did they deplete or mortgage that capital how well did they cope with crises foreign and domestic how much attention did they pay to their election pledges after they were elected how did they use the media old and new above all how did they conduct themselves in office and what legacy did they leave to their successors graubard provides original analysis in each case and reaches many surprising conclusions

All the Presidents' Children 2003-02-18 usa today bestseller from the 1 new york times bestselling author of the residence and first women also a new york times bestseller comes a poignant news making look at the lives of the five former presidents in the wake of their white house years including the surprising friendships they have formed through shared perspective and empathy after serving the highest office of american government five men jimmy carter the late george h w bush bill clinton george w bush and barack obama became members of the world s most exclusive fraternity in team of five kate andersen brower goes beyond the white house to uncover what exactly comes after the presidency offering a glimpse into the complex relationships of these five former presidents and how each of these men views his place in a nation that has been upended by the oval office s current norm breaking occupant president donald trump with an empathetic yet critical eye and firsthand testimony from the carters donald trump and the top aides friends and family members of the five former presidents team of five takes us inside the exclusive world of these powerful men and their families including the unlikely friendship between george w bush and michelle obama the last private visits bill clinton and barack obama shared with george h w bush and the obamas flight to palm springs after donald trump s inauguration perhaps most timely this insightful illuminating book overflows with anecdotes about how the ex presidents are working to combat president trump s attempts to undo the achievements and hard work accomplished during their own terms perhaps most poignantly team of five sheds light on the inherent loneliness and inevitable feelings of powerlessness and frustration that come with no longer being the most important person in the world but a leader with only symbolic power there are ways though that these men and their wives have become powerful political and cultural forces in american life even as so called formers team of five includes 16 pages of color photographs

The President and the Presidency 2012-05-01 ever wonder what the president does meet the 45 people who have held the job in this important book that showcases how they each led the country in their time and features their own thoughts and words through their documents letters diaries speeches and so much more some call it the most important job in the world it s certainly the most powerful and it s one that every citizen needs to know about because we re the ones who vote to put a president in office lively informative filled with firsts and facts big ideas and compelling anecdotes the presidents decoded is a richly layered guide to the leaders who have shaped our nation featuring over 125 primary sources including documents speeches letters executive orders and diaries each leader s time in office is broken down and explained to show the what how and why of our leaders thoughts decisions and policies familiar documents like the preamble of the declaration of independence the emancipation proclamation and the fugitive slave act the part of the compromise of 1850 that set the country on a path to civil war are included but there s also george washington s letter to martha as he learns that he s been chosen to be the general of the continental army a letter to franklin d roosevelt from a desperate family during the great

depression a letter from baseball legend jackie robinson urging john f kennedy to do more for civil rights and the executive order limiting the hours of the federal work day and so many more full color illustrations bring each president and their time in office to life on the page in their career defining moments as history marches forward and changes the job and our way of life through inventions like the camera the telephone the first metal detector services like the navy and the red cross and the rise of social media platforms like twitter as she did in the constitution decoded katie kennedy shines a light on american history this time through the lens of the leaders who shaped our nation very clever of you to catch this the number is off by 1 because grover cleveland was the 22nd and the 24th president

We the Presidents 2022-01-06 a solid primer and reference about the many men who have held the highest office in the us from george washington to bill clinton based on a poll of 719 historians political scientists this book ranks all the presidents in order of their influence importance from the best rated president lincoln to the worst rated harding the authors analyse the high low points of each chief executive s term of course external factors influence a presidency as well the authors supply a detailed overview of each administration to provide an in depth perspective

Celebrity in Chief 2015 presents information about each of the 43 presidents with additional facts about vice presidents first ladies presidents children and the white house

The Presidents 2005-01 like taking a tour of the white house with a gifted storyteller at your side why in the minutes before john f kennedy was murdered was a blood red carpet installed in the oval office if abraham lincoln never slept in the lincoln bedroom where did he sleep why was one president nearly killed in the white house on inauguration day and another secretly sworn in what really happened in the situation room on september 11 2001 history leaps off the page in this riveting fast moving and highly entertaining book on the presidency and white house in under this roof from award winning white house based journalist paul brandus reporting from the west wing briefing room since 2008 brandus the most followed white house journalist on twitter westwingreport weaves together stories of the presidents their families the events of their time and an oft ignored major character the white house itself from george washington who selected the winning design for the white house to the current occupant barack obama the story of the white house is the story of america itself brandus writes you ll walk with john adams through the still unfinished mansion and watch thomas jefferson plot to buy the louisiana territory feel the fear and panic as british invaders approach the mansion in 1814 and dolley madison frantically saves a painting of washington gaze out the window with abraham lincoln as confederate flags flutter in the breeze on the other side of the potomac be in the room as one president is secretly sworn in and another gambles away the white house china in a card game stand by the presidential bed as one first lady covering up her husband s illness from the nation secretly makes decisions on his behalf learn how telephones movies radio tv changed the presidency and the nation itself through triumph and tragedy boom and bust secrets and scandals brandus takes you to the presidential bedroom movie theater situation room oval office and more under this roof is a sensuous account of the history of both the home of the president and the men and women who designed inhabited and decorated it paul brandus captivates with surprising gloriously raw observations *Team of Five* 2021-05-25 the president the pope and the prime minister is a sweeping dramatic account of how three great figures changed the course of history all of them led with courage but also with great optimism the pope helped ordinary poles and east europeans banish their fear of soviet communism convincing them that liberation was possible the prime minister restored her country s failing economy by reviving the vigorous virtues of the british people the president rebuilt america s military power its national morale and its pre eminence as leader of the free world together they brought down an evil empire and changed the world for the better no one can tell their intertwined story better than john o sullivan former editor of national review and the times of london who knew all three and conducted exclusive interviews that shed extraordinary new light on these

giants of the twentieth century

The Presidents on the Presidency 1970 the author of the acclaimed biography of president james polk a country of vast designs offers a fresh playful and challenging way of playing rating the presidents by pitching historians views and subsequent experts polls against the judgment and votes of the presidents own contemporaries merry posits that presidents rise and fall based on performance as judged by the electorate thus he explores the presidency by comparing the judgments of historians with how the voters saw things was the president reelected if so did his party hold office in the next election where they stand examines the chief executives merry calls men of destiny those who set the country toward new directions there are six of them including the three nearly always at the top of all academic polls lincoln washington and fdr he describes the split decision presidents including wilson and nixon successful in their first terms and reelected less successful in their second terms and succeeded by the opposition party he describes the near greats jefferson jackson polk tr truman the war presidents madison mckinley lyndon johnson the flat out failures buchanan pierce and those whose standing has fluctuated grant cleveland eisenhower this voyage through our history provides a probing and provocative analysis of how presidential politics works and how the country sets its course where they stand invites readers to pitch their opinions against the voters of old the historians the pollsters and against the author himself in this year of raucous presidential politics where they stand will provide a context for the unfolding campaign drama

The Presidents Decoded 2023-10-17 the first section of this book details the authors conception of presidential leadership and establishes the historical constitutional and international contexts within which presidents must operate the second section consists of six non crisis case studies of presidential efforts to exercise leadership in foreign affairs the cases also show how presidents attempt to initiate as opposed to primarily react to international change kennedy s alliance for progress johnson s involvement in the vietnam war nixon s overtures to the communist superpowers carter s middle east initiatives reagan s campaign for military superiority and bush s approach to foreign policy leadership in each case the authors analyze the president s objectives the domestic and international situation at the time the method of implementation and the degree of success isbn 0 312 03603 5 pbk 18 65

Rating the Presidents 2000-10 america s executive office and its occupant have found their way into numerous films more than 400 since 1903 ranging from respectful biographical presentations to caricatures the presentations of presidents on film reflect contemporary perceptions of the office this is an all inclusive survey of commercial theatrical films that depict an actual american president as a character an analysis of these depictions reveals a great deal about the presidents and the filmmakers the main body of the work provides a brief summary of each administration along with a commentary on the overall nature of films in which the featured president appeared each relevant film is then discussed with the credits plot summary description of the presidential appearance and when possible an assessment of the presidential portrayal included

Smart about the Presidents 2004-07 updated to include the 2012 election results this book includes biographies of each president since george washington was first inaugurated in 1789 readers will learn of the presidents back grounds their political careers the changes they saw and the causes they championed this is a wonderful resource on the past and present holders of the office of president of the united states

Under This Roof 2015-09-29 an intimate compulsively readable account of the dynamics that have shaped and sometimes destroyed relations at the top of the american political hierarchy and a valuable addition to the literature of the modern presidency wall street journal from the author of the new york times bestsellers first women and the residence an intimate news making look at the men who are next in line to the most powerful office in the world the vice presidents of the modern era from richard nixon to joe Biden to Mike Pence vice presidents occupy a unique and important position living partway in the spotlight and part in the wings of the forty eight vice presidents who have served the united

states fourteen have become president eight of these have risen to the oval office because of a president's death or assassination and one became president after his boss's resignation john nance garner fdr's first vice president famously said the vice presidency is not worth a bucket of warm piss later cleaned up to warm spit but things have changed dramatically in recent years in interviews with more than two hundred people including former vice presidents their family members and insiders and confidants of every president since jimmy carter kate andersen brower pulls back the curtain and reveals the sometimes cold sometimes close and always complicated relationship between our modern presidents and their vice presidents brower took us inside the lives of the white house staff and gave us an intimate look at the modern first ladies now in her signature style she introduces us to the second most powerful men in the world exploring the lives and roles of thirteen modern vice presidents eight republicans and five democrats and she shares surprising revelations about the relationship between former vice president joe biden and former president barack obama and how vice president mike pence and president donald trump interact behind closed doors from rivals to coworkers there is a very tangible sense of admiration mixed with jealousy and resentment in nearly all these relationships between the number two and his boss even the best ones brower reveals vice presidents owe their position to the president a connection that affects not only how they are perceived but also their possible future as a presidential candidate which is tied for better or worse to the president they serve george h w bush and ronald reagan had a famously prickly relationship during the 1980 primary yet bush would not have been elected president in 1988 without reagan's high approval rating al gore's 2000 loss meanwhile could be attributed to the monica lewinsky sex scandal and bill clinton's impeachment current vice president mike pence is walking a high stakes political tightrope as he tries to reassure anxious republicans while staying on his boss's good side this rich dynamic between the president and the vice president has never been fully explored or understood compelling and deeply reported grounded in history and politics and full of previously untold and incredibly personal stories first in line pierces the veil of secrecy enveloping this historic political office to offer us a candid portrait of what it's truly like to be a heartbeat away

The Presidents and the Press 1964 the big book of american president trivia illustrates each president's journey to the white house through facts anecdotes illustrations photographs inspirational quotes and more the president has been the figurehead of the united states since the time when our country was a small band of thirteen fledgling colonies until its current position as a world superpower the forty five leaders of our nation have had fascinating exciting and sometimes scandalous lives find out which president had a faithful dog named fala who was the only unmarried president and which president's daughter carried around her pet snake in the white house in this fun and fascinating overview of our country's leaders bestselling author nancy j hajeski not only provides engaging information about each president but also includes timelines of us and world events that place each president's term in office in a historical context she also provides useful facts about the white house congress the supreme court presidential assassinations the first ladies the vice presidents and more to help broaden kids understanding of our government and the president's role within in with updated information on president barack obama as well as donald j trump this is the perfect introduction to the lives and characters of the us presidents

The President, the Pope, And the Prime Minister 2006-11-25 in 2020 as we set our sights on another election this book takes a look at all of the presidents of the united states ranked from best to worst the results may surprise you and their legacies achievements and what we learned from their leadership the book spans from 1789 when george washington spoiler alert he's in the best presidents category took the first ever oath of office forty four different men have sworn to faithfully execute the office of president of the united states and what makes a great leader has been vision conviction and setting the nation on the right course the revolutionary war showed us we needed commanders who were going to fight for our freedom the civil war showed we needed leaders who were going to unite this nation we looked to the president during hard times like the

great depression who were going to pick us up dust us off and with a steady hand guide us to more promising times which franklin delano roosevelt did over his unprecedented four terms over the next many many decades and many wars and battles later the president of the united states has shown they are the most powerful person on this planet but they are also vulnerable they ve been targets of assassination attempts and some sadly have been successful their transgressions have lead to scandals and impeachments presidents have been accused of abusing power and the advent of social media has ushered in a new form of communicating to constituents and young voters in an election year when interest in presidents is strong join centennial books as we look to the nation s shared history to see what we can learn for today and the future
[Where They Stand](#) 2012-06-26 containing the public messages speeches and statements of the president 1956 1992

The President as World Leader 1991 it began with a break in at the democratic national committee headquarters in washington dc on 17 june 1972 bob woodward a journalist for the washington post was called into the office on a saturday morning to cover the story carl bernstein a political reporter on the post was also assigned they soon learned this was no ordinary burglary following lead after lead woodward and bernstein picked up a trail of money conspiracy and high level pressure that ultimately led to the doors of the oval office men very close to the president were implicated and then richard nixon himself over a period of months woodward met secretly with deep throat for decades the most famous anonymous source in the history of journalism as he and bernstein pieced the jigsaw together they produced a series of explosive stories that would not only win the post a pulitzer prize they would bring about the president s scandalous downfall all the president s men documents this amazing story taut gripping and fascinating it is a classic of its kind the true story of the events that changed the american presidency
The Presidents on Film 2011-08-11 explains the powers and duties of the present of the united states and the procedure by which a new one is chosen every four years
