Last Shop Standing: Whatever Happened To Record Shops?

2010-07-23

last shop standing whatever happened to record shops documents the sad disappearance of a cultural icon from our high streets once a thriving industry the uk has gone from having over 2000 independent record shops in the 1980s to just 269 in 2009 written by graham jones who has worked in the distribution industry for over 25 years as a record company salesman this book presents a snapshot of a business that is under threat of going the same way as the stamp shop the coin shop and the candlestick maker jones speaks to 50 record shop owners to see why they have survived while nearly two thousand others have closed these interviews form the basis of the book which celebrates the rich social history in which the record shop is steeped in 2012 last shop standing was made into an award winning 50 minute film featuring interviews with johnny marr norman cook richard hawley paul weller and billy bragg alongside many of the record shop owners featured in the book given a new tagline the rise fall and rebirth of the independent record shop the film has been screened around the globe and was an official selection at the chicago international movies music festival in 2013

Vinyl

2020-06-08

this book explores the highly valued and often highly charged ideal of authenticity in hip hop what it is why it is important and how it affects the day to day life of rap artists by analyzing the practices identities and struggles that shape the lives of rappers in the london scene the study exposes the strategies and tactics that hip hop practitioners engage in to negotiate authenticity on an everyday basis in depth interviews and fieldwork provide insight into the nature of authenticity in global hip hop and the dynamics of cultural appropriation globalization marketization and digitization through a combined set of ethnographic theoretical and cultural analysis despite growing attention to authenticity in popular music this book is the first to offer a comprehensive theoretical model explaining the reflexive approaches hip hop artists adopt to live out authenticity in everyday life this model will act as a blueprint for new studies in global hip hop and be generative in other authenticity research and for other music genres such as punk rock and roll country and blues that share similar issues surrounding contested artist authenticity

Southern Cultures: 2011 Music Issue, Enhanced Ebook

2011-12-01

this study examines the history of record collecting profiles collectors and the collecting process considers categories especially music genres and types of record collecting and outlines and discusses the infrastructure within which collecting operates shuker situates this discussion within the broader literature on collecting along with issues of cultural consumption social identity and the construction of self in contemporary society record collecting is both fascinating in its own right and provides insights into broader issues of nostalgia consumption and material culture

Hip-Hop Authenticity and the London Scene

2017-02-17

this book explores the fascinating world of the record business its technology the music and the musicians from edison s phonograph to the compact disc the great artists caruso toscanini louis

armstrong elvis presley and their successors all achieved fame through the medium of records and in turn have influenced the recording industry but just as important are the record producers those invisible figures who decide from behind the scenes how a record will sound the history of recording is also the history of record companies the book follows the vicissitudes of the multinational giants without neglecting the small pioneering labels which have brought valuable new talents to the fore

Wax Trash and Vinyl Treasures: Record Collecting as a Social Practice

2013-01-28

extreme metal one step beyond heavy metal can appear bizarre or terrifying to the uninitiated extreme metal musicians have developed an often impenetrable sound that teeters on the edge of screaming incomprehensible noise extreme metal circulates on the edge of mainstream culture within the confines of an obscure scene in which members explore dangerous themes such as death war and the occult sometimes embracing violence neo fascism and satanism in the first book length study of extreme metal keith kahn harris draws on first hand research to explore the global extreme metal scene he shows how the scene is a space in which members creatively explore destructive themes but also a space in which members experience the everyday pleasures of community and friendship including interviews with band members and fans from countries ranging from the uk and us to israel and sweden extreme metal music and culture on the edge demonstrates the power and subtlety of an often surprising and misunderstood musical form

Historic Passaic County

2004

more than 90 record companies release over 9 000 pop records each year a staggering total of 52 000 songs each one competes for the gold record the recording industry s symbol of success that certifies 1 million worth of records have been sold solid gold explains why for each record that succeeds countless others fail this book follows the progress of a record through production

marketing and distribution and shows how a mistake made at any point can mean its doom denisoff suggests that a drastic shift in the demographic makeup of the pop music audience during the sixties has resulted in a broader listening public including fans at every level of society
