The Great Divide 1999

eighty people begin to race in the great divide but each new challenge divides the number of racers in half

The Great Divide 2015-06-04

why has inequality increased in the western world and what can we do about it in the great divide joseph e stiglitz expands on the diagnosis he offered in his best selling book the price of inequality and suggests ways to counter this growing problem with his characteristic blend of clarity and passion stiglitz argues that inequality is a choice the cumulative result of unjust policies and misguided priorities in these essays articles and reflections stiglitz fully exposes the inequality from its dimensions and its causes to its consequences for the world that is afflicting america and other western countries in thrall to neoliberalism from reagan era policies to the great recession and its long aftermath stiglitz delves into the processes and irresponsible policies deregulation tax cuts for the rich the corruption of the political process that are leaving many people further and further behind and turning the dream of a socially mobile society into an ever more unachievable myth with formidable yet accessible economic insight he urges us to embrace real solutions increasing taxes on corporations and the wealthy investing in education science and infrastructure helping homeowners instead of banks and most importantly doing more to restore the economy to full employment stiglitz s analysis reaches beyond america the inequality leader of the developed world to draw lessons from scandinavia singapore and japan and he argues against the tide of unnecessary destructive austerity that is sweeping across europe ultimately stiglitz believes our choice is not between growth and fairness with the right policies we can choose both

The Great Divide 1999-10

tales from the great divide is a story of challenge of change but mostly of hope it is the story of an immigrant italian family and their first american born progeny living in the chaotic years of the middle part of the twentieth century with humor courage and grit they struggle to be american as the definition of american changes in the end they come to define america as does every generation of immigrants who weave the brilliant threads of their ethnicity into the tapestry of this great nation

Tales from the Great Divide 2015-09-24

how the division of the americas from the rest of the world affected human history in 15 000 b c early humankind who had evolved in africa tens of thousands of years before and spread out to populate the earth arrived in siberia during the ice age because so much water was locked up at that time in the great ice sheets several miles thick the levels of the world s oceans were much lower than they are today and early humans were able to walk across the bering strait then a land bridge without getting their feet wet and enter the americas then the ice age came to an end the bering strait refilled with water and humans in the americas were cut off from humans elsewhere in the world this division with two great populations on earth each oblivious of the other continued until christopher columbus discovered america just before 1500 a d this is the fascinating subject of the great divide which compares and contrasts the development of humankind in the old world and the new between 15 000 b c and 1500 a d this unprecedented comparison of early peoples means that when these factors are taken together they offer a uniquely revealing insight into what it means to be human the great divide offers a masterly and totally original synthesis of archaeology anthropology geology meteorology cosmology and mythology to give a new shape and a new understanding to human history

The Great Divide 2012-01-12

the financial crisis of 2008 devastated the american economy and caused u s policymakers to rethink their approaches to major financial crises more than five years have passed since the collapse of lehman brothers but questions still persist about the best ways to avoid and respond to future financial crises in across the great divide a co publication with brookings institution contributing economic and legal scholars from academia industry and government analyze the financial crisis of 2008 from its causes and effects on the u s economy to the way ahead the expert contributors consider post crisis regulatory policy reforms and emerging financial and economic trends including the roles played by highly accommodative monetary policy securitization run amok government sponsored enterprises gses large asset bubbles excessive leverage and the federal funds rate among other potential causes they discuss the role played by the federal reserve and examine the concept of too big to fail and they review and assess resolution frameworks considering experiences with lehman bros and other firms in the crisis title ii of the dodd frank act and the chapter 14 bankruptcy code proposal

The Great Divide 1934

Across the Great Divide 2019-05-14

explains why america is so bitterly divided and how it is really two countries whose people with different economic interests think and vote differently it explains why congress gave the lions share of anti terrorism funds to small states with low probability of terrorist attack while california florida illinois new york and texas with dense high rise cities mammoth seaports and airports and nuclear generating plants proportionally receive the least it explains how to stop sending jobs overseas and why political power is in the hands of republicans who pander to a predominantly white fundamentalist christian constituency while sending massive subsidies to campaign contributors soil gas coal logging and farm corporations a call to action for change the book offers a detailed blueprint for reconstructing america the way our founding fathers imagined it could be

The Great Divide 1985

written by stephen grace the companion book to the great divide a film by havey productions is a sweeping magnificently illustrated story of colorado water from the region s first inhabitants to the incoming settlers and developers to modern environmentalists times and places are covered from the archaeological remains of ancient native american reservoirs the first and longest operating water right in colorado important innovations in irrigated agriculture the stunning dams that create reservoirs for storage and recreation and the natural beauty of colorado s wild places the book based on the film will be a natural source for viewers who seek additional knowledge beyond the film but it will also stand alone for readers who desire a basic but engaging entrance into the world of colorado water a vast array of breathtaking photographs both archival and contemporary serve as attractive illustrations and a supplemental way to tell the story along with descriptive captions

The great divide 1909

the second installment of the legacy of all things trilogy enters deeper into the lesser one s mindset and the lesser one s wicked ploys in the great divide the lesser one speaks to his subjects tempting them to stray from his nemesis the holy one the characters are weakened by the lesser one s exploits while in a resting state now it is up to the readers to decipher reality from a twisted nightmare

The Great Divide 2024

since the sixteenth century the protestant tradition has been divided the reformed and lutheran reformations though both committed to the doctrine of the sinners justification by faith alone split over zwingli and luther s disagreement over the nature of the lord s supper since that time the reformed and lutheran traditions have developed their own theological convictions and continue to disagree with one another it is incumbent upon students of the reformation in the lutheran and reformed traditions to come to an understanding of what these differences are and why they matter in the great divide a lutheran evaluation of reformed theology jordan cooper examines these differences from a lutheran perspective while seeking to help both sides come to a more nuanced understanding of one another and writing in an irenic tone cooper contends that these differences do still matter throughout the work cooper engages with reformed writers both contemporary and old and demonstrates that the lutheran tradition is more consistent with the teachings of scripture than the reformed

The Great Divide 2004

growing up on a dairy farm in sussex england stephen pern was fascinated by the american west as an adult he spent six months walking 2 500 miles through the west along the continental divide here is his irreverent engaging account of the trek a story of blisters and beauty of off beat characters and surprising insights

The Great Divide 2015-08-27

this history of china s sent down youth movement uses archival research to revise popular notions about power dynamics during the cultural revolution

The Great Divide 1988

working from the original documents from 200 years ago wishart directly challenges the findings of books like michael king s penguin history of new zealand and claudia orange s treaty of waitangi and in doing so offers a fresh new perspective on an issue affecting every new zealander

The Great Divide 2006

at a time when india and pakistan are both reeling under terror attacks and hysterical talk of an impending war it is important to take stock of where we have reached individually and as part of the indian subcontinent sixty years after the two nations were carved out as two distinct entities this volume of essays by writers from both sides of the border attempts to do just that as the editor ira pande says in her introduction there is a balance here between the hard topics politics economy diplomacy religion et al and soft music crafts language cricket cinema to bring out the full range of our engagement with each other the writers who have explored the various aspects of being indian or pakistani in the context of personal and national identity include urvashi butalia shiv vishwanath sonia jabbar amit baruah alok rai lord meghnad desai mukul kesavan and several other well known writers and political and social commentators

Crossing the Great Divide 2005-01-01

a great war will tear nations apart breaking our sacred code of protecting each other and our sovereign land told through the fractured life of a mysterious kid injured during the conflict the reader is the author and can choose how to see the story my question for you is can you tell fiction from reality

Across the Great Divide 2019-09-19

in the hallowed halls of the capital some who have sworn to preserve our nation s union are secretly plotting its demise and they are willing to kill to achieve their goals the country has been split into two distinct factions over energy the haves those states that are fuel self sufficient and the have nots the inept execution of a flawed foreign policy in the middle east has resulted in an arab backed oil embargo of the united states now the country is in the grips of the most severe winter in years and rationing has led to unrest and rioting in the streets and certain politicians and business power brokers are ready to make a move as masses freeze in chicago and the northeast fuel sufficient sunbelt conspirators seek to separate themselves from the rest of the nation make their own foreign policy and govern by their own rules and to do it they will resort to blackmail bribery and even murder the constitution is only a stumbling block and it can be amended the united states will be united no more at the publisher s request this title is being sold without digital rights management software drm applied

The Great Divide 2012

never has our country been more divided than on the issue of immigration the debate over construction of a wall to secure the border with mexico tops the headlines the border passes through mountains hills desert plains rivers canals sand dunes cities and oceans every day us border patrol agents risk their lives to serve us spending their days in isolation treacherous terrain and extreme weather this photography project chronicles the fence the culture and the people as i encountered them while on an eleven day trek along most of the 1 900 miles of the us mexican land border agents were kind to share their views on border security and the everyday challenges they face residents provided insight into their daily routines and their perspective on the border as they shared inspiring and heartbreaking stories i got a sense of the drug situation firsthand hearing it from the people whose lives have been affected the most as i listened the impact the border has on citizens residents immigrants and federal agents began to unfold

The Great Divide 1972

the theme of the great divide is that the populations of the democratic world from boston to berlin vancouver to venice are becoming increasingly divided from within due to a growing ideological incompatibility between modern liberalism and conservatism this is partly due to a complex mutation in the concept of liberal democracy itself and the resulting divide is now so wide that those holding to either philosophy on a whole range of topics on democracy on reason on abortion on human nature on homosexuality and gay marriage on freedom on the role of courts and much more can barely speak with each other without outrage the favorite emotional response from all sides clearly civil conversation at the surface has been failing and that could mean democracy is failing this book is an effort to deepen the conversation it is written for the non specialist and aims to reveal the less obvious underlying ideological forces and misconceptions that cause the conflict and outrage at the surface not with any expectation the clash of values will evaporate but rather that a deeper understanding will generate a more intelligent and civil conversation as an aid to understanding the book contains a handful of tables directly comparing modern liberal and conservative views across a range of fundamental moral and political issues so that curious readers can answer the book s main question where do you stand an interesting result in testing this exercise has been the number of people who find they think one way but live another

The Great Divide:India and Pakistan 2009-05-19

challenges the division made popularly today between spiritual and religious asking whether spiritual questions asked now haven t also been explored in existing religious traditions suggests how religion and spirituality can be seen as complementary and offers ways to discern the genuineness of types of spirituality being promoted today includes notes and further reading list author is a priest of the catholic diocese of broken bay and teaches at the catholic institute of sydney in the fields of spirituality and pastoral theology

The Great Divide 2017-08-29

across the great divide tracks a pacific historian s fruitful ambivalent engagements with history and anthropology anticipating experiments in each discipline with the other s theories and praxis the revised and new essays comprising this collection provide systematic critiques of aspects of received scholarly wisdom about oceania and are linked by reflexive commentaries addressing recent postcolonial concerns a varied but coherent set of ethnographic and historical narratives about colonial encounters in island melanesia is informed by particular critical focus on the paradoxes and politics of knowing indigenous pasts through colonial texts

The Great Divide 2004-07-11

reveals that spiralling housing inequality is at the core of the housing crisis the authors explore the damaging effects of this widening gap particularly on children and examines how housing inequality impacts on all other aspects of life for those worst affected in a society that sees housing problems as applying only to first time buyers this book exposes the great divide between the housing haves and have nots john o farrell author of things can only get better

Across the Great Divide 1978-01-01

it takes a fresh look at the perennial problem of the divide between the hindus and muslims and the partition of india it led to historical reasons have been analysed in the study in considerable depth and conclusions have been drawn it debunks the efforts made by some apologists of jinnah to shift the blame for partition on to others shoulders and delineates the growth of separtism from the earliest times the doctrine of two nations led to the creation and division of pakistan and the inevitable division of the muslims of the sub continent into three nations historical forces which helped in the creation of a separate nation have been studied
