What "Left Behind" Left Behind 2001 the new brother s grimm examines the twelve volumes of the very popular left behind series by tim lahaye and jerry b jenkins relating the story and the theological arguments of each book and then challenging those arguments one of the centerpieces of their interpretation of the bible is that the church of christ will be raptured to be with christ for seven years during that time people who have been left behind will have an opportunity to accept christ as savior but they will have to pass through the tribulation a time of unimaginable horror with satan ruling the world at its end christ will appear with his heavenly army and defeat the forces of antichrist in the battle of armageddon after that christ will establish an earthly kingdom lasting exactly 1000 years during which satan will be bound in the bottomless pit ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil

2003-01 this book is aimed at the people who will occupy the earth after people like me are raptured out of the earth into the presence of the living god jesus christ you have left here with the antichrist and his false prophet and the devil who was kicked out of second heaven at the time we went up to meet our maker also the holy spirit was taken of the earth with us that leaves you at the mercy of the antichrist who is raised back from the dead after being shot in the head you will be forced to worship an image of the antichrist or die who wants to worship a cartoon there is still time while you are physically alive to accept the lord jesus christ as your savior from your sins and as your lord god

you must understand that you are a sinner and need the forgiveness of god in order to have a relationship with him in a way you have more physical evidence that there is a god than the people that have been taken off the earth you have seen him come for his church of believers at the rapture of the church of believers you have seen him you know he is real that s more than the people that have been taken off the earth had they had to believe in him by faith but faith in god is what you did not have that s why you were left were you are the reason you did not have any faith in god is that you have pride in the false religion that you could not be moved from by the people that have preached jesus christ to you read on now you must believe in the lord jesus christ with your whole being because you are going to have to die for him better to die for jesus christ than to live for the devil

The New Brothers Grimm and Their Left Behind Fairy Tales 2006 france by the revolution of 1789 began to spread the principles of that anarchy out of which antichrist will arise g h pember when the antichrist comes he will be the man of lawlessness as the final consummation of all human government on the earth however he will not arise out of nowhere rather even today the way is already being prepared for the coming of this evil leader as we can see in the breakdown of the moral order in society both in america and around the world the apostle paul tells us for the mystery of lawlessness is already at work only he who now restrains will do so until he is taken out of the way 2 thessalonians 2 7 this book considers the causes of this breakdown drawing much from the work of g h pember a 19th century student of the bible and biblical prophecy it shows that it stems largely from the rise of leftism during the french revolution the event which is the source of all modern leftist movements throughout the world today as christians we should be clear about this not for the sake of pursuing any agenda in political realm but so that we may know how to stand for the lord in these dark times free pdf download the first part of this book may be downloaded from godseternalpurpose orgin pdf format this includes the preface introduction and chapter one from the introduction there is a fundamental reason why satan in the political realm mainly uses the left rather than the right to press his evil work forward and that is what we will see in this study to briefly summarize here what we will cover the left in america today traces its ideological origins not to the american revolution but to the french revolution and to the french enlightenment that was the catalyst for that epochal event in particular its worldview is based upon the rejection of the bible as the revealed word of god and of the biblical norms for guiding society that was promulgated during the french enlightenment the result of such a rejection is necessarily lawlessness and so the wide acceptance in america of such an ideology has produced much of the chaos we currently see erupting in our society furthermore this same principle of lawlessness is now working throughout the world to prepare the way for the coming of the antichrist contents preface introduction 1 sin and lawlessness 2 inward and outward laws 3 the basic laws 4 the mystery of lawlessness 5 enlightenment revolution consequences 6 the fulfillment of a great prophecy 7 the one who will change the laws 8 the left and the basic laws 9 where will america be epilogue where will you be works cited end notes

God's Wrath on Left Behind 2002-01-01 the left behind series by tim lahay and jerry b jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date these novels written by two well known evangelical christians depict the experiences of those left behind in the aftermath of the rapture when christ removes true believers leaving everyone else to suffer seven years of tribulation under satan s proxy antichrist in marks of the beast shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than hal lindsey s 1970 blockbuster the late great planet earth it also explores what we can learn from them about evangelical christianity in america shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that

enact rather than engage their fears most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds

Left Behind 1995 the system of antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the new age spiritualities within their postmodern context its many references to rene guenon and frithjof schuon also help introduce these important but little known traditionalist thinkers the book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from buddhism hinduism judaism christianity islam zoroastrianism and the native american traditions it also speculates upon the social psychic and spiritual nature of that being known to christianity judaism and islam as the antichrist presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror finally in tracing the roots of antichrist in the fallen nature of man the author sketches the particular quality of spirituality proper to apocalyptic times the dangers it faces the unique opportunities open to it and along the way he describes his own course from the spiritual revolution of the 1960s through the world of new age spiritualities to the threshold of traditional esoterism and metaphysics as he says speaking of the angst that characterizes the modern world the specific medicine for the shock of despair is the deeper shock of meaning nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet

Rapture, Revelation, and the End Times 2004-06-12 history established the pattern through world floods egyptian plagues tribulations of all kinds god leads his people through life s disasters not around them first the antichrist rejects the pretribulation rapture scenario that god will open an escape route so christians will be spared persecution rather in a complex chain of events christ will gather the church out of the world only after seven years of intense suffering when christ returns to rule in this close study of church history and debated bible texts bob gundry shows that the pretribulation rapture is a recent innovation it is wishful thinking that came to grab the pre millennial spotlight but serious scholars are backing away it just doesn t accord with what the bible says in first the antichrist gundry lays out a more biblical and accurate picture first the antichrist is a much needed contribution to apocryphal and pre millennial prophecy studies midwest book review

The Rising 2005 despite the popular theology of our day christians should not expect to get out of experiencing the tribulation or the end times nowhere in the bible does the lord promise us this say michael brown and craig keener two leading acclaimed bible scholars in fact they say jesus promises us tribulation in this world yet this is no reason to fear in this fascinating accessible and personal book brown and keener walk you through what the bible really says about the rapture the tribulation and the end times what they find will leave you full of hope god's wrath is not poured out on his people and he will shield us from it as he shielded israel in egypt during the ten plagues so instead of taking comfort in what god hasn't promised take comfort in the words of jesus he has overcome the world and we live in his victory

War of Antichrist with the Church and Christian Civilization 1858 it happened at the time when augustus was emperor in rome and herod was king in jerusalem it was then that a very great and holy night sank down over the earth it was the darkest night that any one had ever seen one could have believed that the whole earth had fallen into a cellar vault it was impossible to distinguish water from land and one could not find one's way on the most familiar road and it couldn't be otherwise for not a ray of light came from heaven all the stars stayed at home in their own houses and the fair moon held her face averted the silence and the stillness were as profound as the darkness the rivers stood still in their courses the wind did not stir and even the aspen leaves had ceased to quiver had any one walked along the seashore he would have found that the waves no longer dashed upon the sands and had one wandered in the desert the sand would not have crunched under one's feet everything was as motionless as if turned to stone so as not to disturb the holy night the grass was afraid to grow the dew could not fall and the flowers dared not exhale their perfume on this night the wild beasts did not seek their prey the serpents did not sting and the dogs did not bark and what was even more glorious inanimate things would have been unwilling to disturb the night's sanctity by lending themselves to an evil deed no false key could have picked a lock and no knife could possibly have drawn a drop of blood in rome during this very night a small company of people came from the emperor's palace at the palatine and took the path across the forum which led to the capitol during the day just ended the senators had asked the emperor if he had any objections to their erecting a temple to him on rome's sacred hill but augustus had not immediately given his consent he did not know if it would be agreeable to the gods that he should own a temple next to theirs and he had replied that first he wished to ascertain their will in the matter by offering a nocturnal sacrifice to his genius it was he who accompanied by a few trusted friends was on his way to perform this sacrifice

augustus let them carry him in his litter for he was old and it was an effort for him to climb the long stairs leading to the capitol he himself held the cage with the doves for the sacrifice no priests or soldiers or senators accompanied him only his nearest friends torch bearers walked in front of him in order to light the way in the night darkness and behind him followed the slaves who carried the tripod the knives the charcoal the sacred fire and all the other things needed for the sacrifice on the way the emperor chatted gaily with his faithful followers and therefore none of them noticed the infinite silence and stillness of the night only when they had reached the highest point of the capitol hill and the vacant spot upon which they contemplated erecting the temple did it dawn upon them that something unusual was taking place
