in the wake of the 2016 presidential election there was widespread shock that the midwest the democrats so called blue wall had been so effectively breached by donald trump but the blue wall as the conservative heartland makes clear was never quite as secure as so many observers assumed a deep look at the midwest s history of conservative politics this timely volume reveals how conservative victories in state houses legislatures and national elections in the early twenty first century far from coming out of nowhere in fact had extensive roots across decades of political organization in the region focusing on nine states from iowa and the dakotas to indiana and ohio the essays in this collection detail the rise of midwestern conservatism after world war ii a trend that coincided with the transformation of the prewar republican party into the new right this transformation the authors contend involved the midwest and the sunbelt states through the lenses of race class gender and sexuality

their essays explore the development of midwestern conservative politics in light of deindustrialization environmentalism second wave feminism mass incarceration privatization and debates over same sex marriage and abortion among other issues together these essays map the region s complex patchwork of viable rural and urban areas variously subject to a wide array of conflicting interests and concerns the perspective they provide at once broad and in depth offers unique historical insight into the midwest s political complexity and its status as the last real competitive battleground in presidential elections distributed to some depository libraries in microfiche 2024 25 staff nurse solved papers provocative and insightful defenders of the unborn is a must read for anyone who craves a deeper understanding of a highly charged issue provided by publisher most histories of modern american politics tell a similar story that the sunbelt with its business friendly environment right to work laws and fierce spirit of frontier individualism provided the seedbed for popular conservatism stacie taranto challenges this narrative by positioning new york state as a central battleground in 1970 under the governorship of republican nelson rockefeller new york became one of the first states to legalize abortion by 1980 however conservative

antifeminist republicans with broad suburban appeal symbolized by figures such as ronald reagan had usurped power from these so called rockefeller republicans what happened during the intervening decade in kitchen table politics taranto investigates the role that middle class mostly catholic women played both in the development of conservatism in new york state and in the national shift toward a conservative politics of family values far from albany a short train ride away from the feminist activity in new york city white catholic homemakers on long island and in surrounding suburban counties saw the legalization of abortion in the state in 1970 as a threat to their hard won version of the american dream borrowing tactics from church groups and parent teacher associations these women created the new york state right to life party and organized against several feminist initiatives including defeating an effort to add an equal rights amendment to the state constitution in 1975 these self described average housewives taranto argues were more than just conservative shock troops instead they were inventing a new politically viable conservatism centered on the heterosexual traditional nuclear family that the gop s right wing used to broaden its electoral base figures such as activist phyllis schlafly new york senator al d amato and presidential hopeful ronald

reagan viewed the right to life party s activism as offering a viable model to defeat feminist initiatives and win family values votes nationwide taranto gathers archival evidence and oral histories to piece together the story of these homemakers whose grassroots organizing would shape the course of modern american conservatism reflecting the rcgp membership exams this edition offers essential preparation for the applied knowledge test akt and includes five practice papers with detailed answer explanations it is suitable for gp registrars newly appointed gps candidates sitting the new mrcgp and those gps undertaking revalidation terrorism commentary on security documents is a series that provides primary source documents and expert commentary on various topics relating to the worldwide effort to combat terrorism as well as efforts by the united states and other nations to protect their national security interests volume 148 lone wolf terrorists examines the phenomenon of the solitary domestic terrorist analyzes the distinction between such terrorists and mass murderers who are not deemed to be terrorists considers the motivations of violent extremists and examines the dilemmas faced by law enforcement in preventing solitary political extremists with violent ideologies from translating their beliefs into actions the

volume is divided into three sections providing an overview of the topic an examination of strategies for prevention of such attacks and a consideration of the internet s role in contributing to radicalization documents included in this volume include a crs report on domestic terrorism a report examining violent radicalization from a criminal justice perspective and a crs report differentiating hate crimes from domestic terrorism as well as other reports on the lone wolf terrorism phenomenon and strategies to prevent and or counter it the last document in the volume is a crs report relating to the advocacy of terrorism on the internet especially including social media and the ways in which law enforcement might be able to address the problem of dangerous online speech within the current u s legal structure this classic text has been extensively updated and restructured to use the problems approach which analyzes underlying conflicting public policies and the legal solutions for those problems it continues to be the helpful one volume overview of healthcare law that it and its predecessor problems in hospital law have been since 1968 topics covered include organizational physical and staffing resources relationships with patients including both medical decision making issues and the handling of medical information financing of

health care services and liability issues cho paper set 9 cho paper set 10 pulitzer prize winning author david j garrow s stirring and essential history of the politics of abortion and america s battle for the right to choose in 1973 the supreme court handed down its landmark roe v wade decision legalizing abortion and more than forty years later the issue continues to spark controversy and divisiveness but behind this historic legal case lie the battles women fought to establish their rights to use contraceptives and choose to have an abortion liberty and sexuality traces these political and legal struggles in the decades leading up to roe v wade including the momentous 1965 supreme court ruling in griswold v connecticut that established a constitutional right to privacy garrow personalizes the struggles by detailing the vital contributions made by dozens of crusaders who tirelessly paved the way this expansive and substantial work also addresses the threats to sexual privacy and the legality of abortion that have risen since roe v wade with abortion still a contentious subject on the national political landscape liberty and sexuality is not just a historical account of the right to choose but an indispensable read about preserving a freedom that continues to divide america includes lists of orders rules bills etc the clinical

practice handbook for quality abortion care is intended to facilitate the practical application of the clinical recommendations from the abortion care guideline world health organization who 2022 while legal regulatory policy and service delivery contexts may vary from country to country the recommendations and best practices described in both of these documents aim to enable evidence based decision making with respect to quality abortion care this handbook is oriented to health workers who already have the requisite skills and training necessary to provide safe abortion and or treat complications of unsafe abortion it is neither a substitute for formal training nor a training manual we hope this handbook will be useful to a range of health workers in different settings and in varying legal and health service contexts containing the public messages speeches and statements of the president 1956 1992
