system of instruction replicates the classroom
experience by providing more i get it moments
outside of class we ve talked to tons of poa
instructors and our editors have even taken
the accounting course numerous times to figure
out the following issue in this course that is
consistent students understand or get it right
after you do a problem in class but as soon as
they leave class with each passing hour their
ability to do the problems again and complete
their homework diminishes to the point of them
either having to come to office hours to get
help or they just quit and get behind in the
course on top of this you can end up getting
behind in the course as well in order to keep
everyone on track the demo docs system helps
to recreate the i get it moments outside of
class keeping both you and the students on
track
