articles deal with mexico and s commercial bankruptcy law slovakia and s new bankruptcy legislation trade marks and the madrid protocol trade mark registration in hong kong franchising in italy data protection spanish antitrust legislation and cartel enforcement in australia

*Non-Discrimination Law: Comparative Perspectives* 2023-09-20 this collection which stems from the international conference on comparative non discrimination law held at utrecht the netherlands in june 1998 covers both the general aspects of equality and non discrimination law part i as well as the specific grounds for discrimination adverse impact or indirect discrimination and affirmative action part ii part iii discusses diverse aspects of the enforcement of non discrimination law part iv contains conclusions and an agenda for change this book is unique in that it both provides a comparative view of anti discrimination law in theory and practice and looks at a wide range of grounds for discrimination such as gender race religion and health its comparative and international approach renders this publication not only of interest to civil rights lawyers but to all those engaged in human rights and comparative law

**Comparative Studies of Social Structure: Recent German Research on France, the United States and the Federal Republic** 2019-07-12 a collection of essays with the purpose of stimulate interest and provoke discussion and criticism and so contributing to our understanding of the three very different societies of france the usa and germany each essay stands on its own and it is the authors intention to explain some of the differences between germany and the united states in the first article the second essay suggests that career mobility in france has more in common with social mobility in the united states than in germany the third essay while not an explicitly comparative analysis was included because it clearly shows the close links between the educational and occupational systems in germany a source of major differences with the united states at least until the 1980s the last section contains analyses of income attainment drawing on studies in the united states conducted by erik o wright the fourth essay compares the effects of education and position on income attainment since these can be

construed as class effects we were also curious about other types of potential positional and nonvertical income differences in a comparison of france the united states and the federal republic of germany the fifth essay the concluding summary is very brief giving only preliminary answers to the more detailed questions raised in the comparative empirical research projects

*Comparative Election Law* 2022-04-21 this timely research handbook offers a systematic and comprehensive examination of the election laws of democratic nations through a study of a range of different regimes of election law it illuminates the disparate choices that societies have made concerning the benefits they wish their democratic institutions to provide the means by which such benefits are to be delivered and the underlying values commitments and conceptions of democratic self rule that inform these choices

**A Mechanical Text-book** 1873 bringing together leading commercial and contract law scholars from the united kingdom and united states comparative contract law british and american perspectives offers an insightful and comprehensive assessment of the commonalities and divergences in the contract law of these two jurisdictions approaching the subject area from a variety of perspectives doctrinal analysis behavioural analysis law and economics and theoretical the book examines familiar areas of contract law as practiced in the uk and us topics include contract theory and structure contract formation and defects of consent policing contracts and the duty of good faith contract interpretation damages speciality contracts and legal reform the volume provides a thorough assessment of the current state of commercial contract law in the uk and us and addresses the strengths and weaknesses of the national and european approaches to many issues of contract law in particular it focuses on how commercial contract law should be improved and whether harmonization of the different contract law regimes is a suitable and appropriate solution

**Comparative Contract Law** 2015-12-10 this book seeks to fill a gap in the existing literature by describing the formulation interpretation and enforcement of the rules on consumer contracts in china and the eu and by mapping key similarities and differences the study

addresses selected issues regarding consumer contracts sources of law in the two jurisdictions are first discussed to set the scene afterwards one preliminary issue how to define the concept of a consumer contract and two substantive topics unfair terms and withdrawal rights are dealt with apart from the descriptive analysis the book also provides possible explanations for these comparative findings and argues that the differences in consumer contract rules can be primarily attributed to a disparity of markets the book offers a valuable resource particularly for researchers and practitioners in the fields of private law and comparative law

**A Comparative Analysis of Policing Consumer Contracts in China and the EU** 2019-02-07 this 173 page study guide is a companion to eclipsed for the leaving cert english comparative study for use in the classroom or for focussed independent study this guide is intended for both teachers and students it contains notes and questions on each comparative study mode for each chapter it also has additional notes and questions on each comparative mode considering the text as a whole lastly it has a comparing texts section looking at comparing comparative study texts under each of the comparative study modes section 1 notes and questions on each mode for each scene of eclipsed modes include cultural context social setting literary genre general vision and viewpoint relationships and hero heroine villain section 2 notes looking at each mode as a whole across the entire text accompanying questions for each mode section 3 comparing your texts questions on each mode to compare eclipsed and your other chosen comparative study texts this book is a companion guide for teachers teaching both higher and ordinary level students the eclipsed by patricia burke brogan a prescribed comparative study text for the leaving cert english examination each chapter contains notes on cultural context social setting literary genre general vision and viewpoint relationships and hero heroine villain and a set of questions on cultural context social setting literary genre general vision and viewpoint relationships and hero heroine villain the notes are intended as a starting point for students to provide something concrete for each mode that can be developed and built on by exploring the relevant mode based questions for each chapter towards the back

of the book there are short notes looking at each mode as a whole across the entire play and accompanying questions please note there may be some similarity with earlier questions to draw attention to key ideas lastly there is a section of questions on each mode designed to prompt comparisons between eclipsed and other comparative study texts preparing students for the leaving certificate exam

*Eclipsed Comparative Study Guide* 2019-08-23 this book presents the first large scale comparative study of iron age coin mould iron age minting techniques reveal a great deal about iron age political organisation and economy that has until now remained largely unreported
