Coal Black Mornings

2018-03-01

evening standard book of the year observer book of the year guardian book of the year sunday times book of the year telegraph book of the year new statesman book of the year herald book of the year mojo book of the year brett anderson came from a world impossibly distant from rock star success and in coal black mornings he traces the journey that took him from a childhood as a snotty sniffy slightly maudlin sort of boy raised on salad cream and milky tea and cheap meat to becoming founder and lead singer of suede anderson grew up in hayward s heath on the grubby fringes of the home counties as a teenager he clashed with his eccentric taxi driving father who would parade around their council house dressed as lawrence of arabia air conducting his favourite composers and adored his beautiful artistic mother he brilliantly evokes the seventies the suffocating discomfort of a very english kind of poverty and the burning need for escape that it breeds anderson charts the shabby romance of creativity as he travelled the tube in search of inspiration fuelled by marmite and nicotine and suede s rise from rehearsals in bedrooms squats and pubs and he catalogues the intense relationships that make and break bands as well as the devastating loss of his mother coal black mornings is profoundly moving funny and intense a book which stands alongside the most emotionally truthful of personal stories

Popular Music Autobiography

2021-12-02

the 1960s saw the nexus of the revolution in popular music by a post war generation amid demographic upheavals and seismic shifts in technology over the past two decades musicians associated with this period have produced a large amount of important autobiographical writing this book situates these works in the forms of formal autobiographies and memoirs auto fiction songs and self fashioned museum exhibitions within the context of the recent expansion of interest in autobiography disability and celebrity studies it argues that these writings express anxiety over musical originality and authenticity and seeks to dispel their writers celebrity status and particularly the association with a lack of seriousness these works often constitute a meditation on the nature of postmodern fame within a celebrity obsessed culture and paradoxically they aim to regain the private self in a public forum

Brief Homage to Pluto and Other Poems

2023-04-11

pusterla is a contemporary swiss poet who writes in italian this volume is a selection from pusterla s six most recent books of poetry published in italian the poems create a solid sense of place mountains lakes streams villages occasionally a city they move from precise and delicate observations of creatures plants and atmosphere to harshly historical and sociological pieces wounded by italy s past and present they find striking and unpredictable ways into their subjects often ending on a surprising crystallized image and in the series editors words the translations compel throughout through their cadence pacing assonance and tactful alliteration their texture and their touch the effect of the whole of the supple verse renderings and the prose poetry is of lively variety in theme point of view and form and pusterla schutt in this manuscript emerges as an authentic original passionate albeit subtle voice

Faster Than A Cannonball

2022-10-13

decades tend to crest halfway through and 1995 was the year of the nineties peak britpop oasis v blur peak yba tracey emin s tent peak new lad when nick hornby published high fidelity when james brown s loaded detonated the publishing industry and when pubs were finally allowed to stay open on a sunday it was the year of the bends the year danny boyle started filming trainspotting the year richy edwards went missing the year alex garland wrote the beach the year blair changed clause iv after a controversial vote at the labour conference not only was the mid nineties perhaps the last time that rock stars music journalists and pop consumers held onto a belief in rock s mystical power it was a period of huge cultural upheaval in art literature publishing and drugs and it was a period of almost unparalleled hedonism a time when many people thought they deserved to live the rock and roll lifestyle when a generation of narcotic omnivores thought they could all be rock stars just by buying a magazine and a copy of what s the story morning glory faster than a cannonball is a cultural swipe of the decade from loungecore to the rise of new labour teasing all the relevant artistic strands through interviews with all the major protagonists and exhaustive re evaluations of the important records of the year the bends by radiohead grand prix by teenage fanclub maxinquaye by tricky different class by pulp the great escape by blur it s great when you re straight yeah by black grape exit planet dust by the chemical brothers i should coco by supergrass elastica by elastica pure phase by spiritualized i care because you do by apex twin and of course what s the story morning glory by oasis the most iconic album of the decade

The Birth and Impact of Britpop

2022-09-15

remember the ninteties of course you do cool britannia new labour blur vs oasis geri halliwell s union flag dress tfi friday wassssuuuuupppppppp opal fruits turning into starburst without anyone asking your permission crazy times this book doesn t have anything to say about geri s dress or opal fruits but it has lots to say about britpop but this isn t a book about the britpop you think you know about this is the story of a truly remarkable period of creativity in british guitar music told through the experiences of someone who was there from the first note of popscene through to the run out groove of this is hardcore this is the story of the britpop that didn t make it onto the evening news or the cover of the face this is the story of the bands nobody remembers but that everybody should this is the story of what it was like to be an outsider in 1991 and be too cool for school by 1994 this is the story of a magnesium flash in british popular music that has for good or ill defined british guitar music

ever since here are flamingoes and pimlico strangelove and david devant and his spirit wife the weekenders and thurman and blur pulp oasis sleeper and elastica too these are britpop memories from someone who was actually there the definitive story of britpop

Labels

2020-05-26

the music industry is dominated today by three companies outside of it thousands of small independent record labels have developed despite the fact that digitalization made record sales barely profitable how can those outsiders not only survive but thrive within mass music markets what makes them meaningful and to whom dominik bartmanski and ian woodward show how labels act as taste makers and scene markers that not only curate music but project cultural values which challenge the mainstream capitalist music industry focusing mostly on labels that entered independent electronic music after 2000 the authors reconstruct their aesthetics and ethics the book draws on multiple interviews with labels such as ostgut ton in berlin argot in chicago 100 silk in los angeles ninja tune in london and goma gringa in sao paulo written by the authors of vinyl this book is essential reading for anyone with an interest in the contemporary recording industry independent music material culture anthropology sociology and cultural studies

The Routledge Companion to Folk Horror

2023-10-09

the routledge companion to folk horror offers a comprehensive guide to this popular genre it explores its origins canonical texts and thinkers the crucial underlying themes of nostalgia and hauntology and identifies new trends in the field divided into five parts the first focuses on the history of folk horror from medieval texts to the present day it considers the first wave of contemporary folk horror through the films of the unholy trinity as well as discussing the influence of ancient gods and early folk horror part 2 looks at the spaces landscapes and cultural relics which form a central focus for folk horror in part 3 the contributors examine the rich history of the use of folklore in children s fiction the next part discusses recent examples of folk horror infused music and image chapters consider the relationship between different genres of music to folk horror such as folk music black metal and new wave sound and performance comic books and the dark often regarded as british in origin the final part analyses texts which break this link as the contributors reveal the larger realms of regional national international and transnational folk horror featuring 40 contributions this authoritative collection brings together leading voices in the field it is an invaluable resource for students and scholars interested in this vibrant genre and its enduring influence on literature film music and culture

There Was No Alternative

2023-04-06

grunge flannel generation x in 1993 seattle was the capital of the world nirvana was king and slackers were everywhere when the red hot organization a group of activists dedicated to raising money and awareness of aids released their third compilation cd featuring the biggest bands of the era soundgarden smashing pumpkins beastie boys the breeders nirvana and more it quickly became the touchstone of a generation rolling stone called no alternative a jaw dropping compilation of musical gems this book takes a look back at what happened to the bands involved with no alternative it includes new interviews with the musicians and others behind the record and chronicles the downfall of an industry the taming of a devastating illness and the arrival of another global pandemic it s about growing up saying goodbye and proving once more that you can t go home again even if that s where you left all of your cds

Mañanas negras como el carbón

Mañanas negras como el carbón

2018-09-05

nada hacía presagiar que brett anderson nacido en la depauperada ciudad dormitorio de haywards heath entre londres y brighton en el seno de una familia humilde se convertiría en una de las voces más carismáticas del pop británico de los noventa y en una estrella internacional en mañanas negras como el carbón el cantante de suede relata sus años de infancia y juventud entre descampados herrumbrosos y las crueles rivalidades de la adolescencia entre un padre excéntrico y a veces colérico que aborrecía la música pop y una madre con temperamento artístico que aceptaba con resignación y melancolía su matrimonio sin amor con un estilo elegante lírico y descarnado anderson revive su temprana pasión por la música que lo llevaría a formar una primigenia versión de lo que sería suede con bernard butler uno de los mejores guitarristas de su generación y la que fue su primer gran amor y futura líder de elastica justine frischmann con esta mantendría un apasionado y tierno romance cuya ruptura dejó a anderson destrozado y consumido por los celos lo que daría lugar a las canciones libérrimas descaradas e intensas del célebre álbum dedebut del grupo que marcó una época con hits como the drowners metal mickey animal nitrate o so young

Appalachian Rose

2010-02-26

this book is a mostly humorous look at life in traditional rural appalachia it is based on true stories either in her lifetime or those handed down in the oral tradition of the culture it is a collection of short stories vignettes and poetry it is a testament to the tenacity and heart of these hearty people

Afternoons with the Blinds Drawn

2019-10-03

a compelling personal account of the dramas of a singular british band neil tennant the trajectory of suede hailed in infancy as both the best new band in britain and effete southern wankers is recalled with moving candour by its frontman brett anderson whose vivid memoir swings seamlessly between the tender witty turbulent euphoric and bittersweet suede began by treading the familiar jobbing route of london s emerging new 1990s indie bands gigs at ulu the camden powerhaus and the old trout in windsor and the dispiriting experience of playing a set to an audience of one but in these halcyon days their potential was undeniable anderson s creative partnership with guitarist bernard butler exposed a unique and brilliant hybrid of lyric and sound together they were a luminescent team burning brightly and creating some of the era s most revered songs and albums in afternoons with the blinds drawn anderson unflinchingly explores his relationship with addiction heartfelt in the regret that early musical bonds were severed and clear eyed on his youthful persona as a young man i oscillated between morbid self reflection and vainglorious narcissism he writes his honesty sharply self aware and articulate makes this a compelling autobiography and a brilliant insight into one of the most significant bands of the last quarter century
