all over the world a common question being asked by all is does god really love me people often feel rejected and are terrified of god there is bitterness in their hearts toward god and so they avoid coming to him yet the real reason is we are not truly aware of his love often we try to measure gods love with the standards of human love we ask questions such as if god loves me then why i am hurting why have i lost my job why is my marriage breaking why i am suffering with deadly sickness why is this happening to me why holocaust sudden death loss due to natural calamities 9 11 and shootings in schools then we always try to see where god is in that situation and we feel that if god loves me why did i get hurt does god still love me when i sin people all over the world are too guilty of what they have done or are still doing this guilt leads them to stay away from god since they think god is not going to accept them because of what they have done this book is a fresh new revelation of god to answer the questions of your life

The Shadow of Life 2015-05-01

is it possible to love a person so much that you refuse to remain together with him or her because you know that your union is destined to bring unhappiness is this choice selfless or selfish that s the philosophical question at the heart of this rather dark romance from anne douglas sedgwick despite sharing a passionate affinity that has persisted for decades a couple s chance at lasting togetherness is dashed because one partner is fearful that he is not worthy of the love he has been given
