any of caroline fardig s thrilling java jive mysteries death before decaf mug shot a whole latte murder brew or die i was hooked from the first page i loved it dorothy cannell award winning author of the ellie haskell mysteries on death before decaf this author comes up with some very interesting ways to kill someone and her injection of humor at just the right time is perfect on its own mug shot is a really good read but if you follow the series it will be even better linda thompson host of the authors show over the past two hundred years western north carolina has evolved from a mountainous frontier known for illicit moonshine production into a renowned destination for craft beer follow its story from the wild days of saloons and the first breweries of the 1870s through one of the longest prohibitions in the nation eventually a few bold entrepreneurs started the first modern breweries in asheville and formerly dry towns and counties throughout the region started to embrace the industry the business of beer attracts jobs tourists and dollars as well as mixed emotions legal conundrums and entrepreneurial challenges join award winning beer writer anne fitten glenn as she narrates the storied history of brewing in western north carolina it s been over three hundred years since the forest had spread across the world three hundred years since the moon had been cut by an ancient weapon three hundred years since the fall of civilization ruins buried in the thick canvas of green paint a long history of human arrogance and atrocity chimeras thrive in the harsh forest and humans are genetically enhanced but for the crimes against mother their abilities come with a price that can be paid only in the weight of their lives a devastating attack on their kingdom has ripped unlikely allies from their life threatening defects of genetic engineering led by marcus and scott of the gewehr walzer territory the survivors of the dragonnaire boltier and old guard territories are cast into the lush world of their ancestors these common foes with a rich history of war are in search of their advanced adversaries within the ancient forest these broken genetically flawed individuals find more questions than answers just when the ancient roads are lost in the forest the group comes across the princess of the inheritors of the earth she offers them salvation for their loyalty and their aid in finding the future of their ancestors genetic experimentations with the possibility of a life without their genetically engineered flaws will the group persevere through their hard fought hatred and save themselves and this advanced society or will they allow themselves to live as their ancestors created them meek and unworthy of a future brew north tells the delightful beer pairings fernando po home to the bantu speaking bubi people has an unusually complex history long touted as the key to west africa it is the largest west african island and the last to enter the world economy confronted by both african resistance and ecological barriers early british and spanish imperialism foundered there not until the late nineteenth century did foreign settlement take hold abetted by a class of westernized black planters it was only then that fernando po developed a plantation economy dependent on migrant labor working under conditions similar to slavery in from slaving to neoslavery ibrahim k sundiata offers a comprehensive history of fernando po explains the continuities between slavery and free contract labor and challenges standard notions of labor development and progress in various colonial contexts sundiata s work is interdisciplinary considering the influences of the environment disease slavery abolition and indigenous state formation in determining the interaction of african peoples with colonialism from slaving to neoslavery has manifold implications historians usually depict the nineteenth century as the period in which free labor triumphed over slavery but sundiata challenges this notion by examining the history of fernando po he illuminates the larger debate about slavery current among scholars of africa north alabama built its fi rst commercial brewery in huntsville in 1819 three months before the state joined the union before prohibition in 1915 the region was peppered with numerous saloons taverns and dance halls locals still found ways to get their booze during prohibition using tennessee river steamboats and secret tunnels for smuggling alabama re legalized beer in 1937 but it wasn t until 2004 when the grass roots organization free the hops took on the state s harsh beer laws that the craft beer scene really began to flourish authors sarah bélanger and kamara bowling davis trace the history of beer in north alabama from the early saloon days to the craft beer explosion during the 75th anniversary year of the repeal of prohibition an emerging generation of indiana craft beer brewers sat down with their friend and fellow beer aficionado rita t kohn for in depth interviews on the trials and tribulations of pursuing their passion the result is a fascinating social history of the growth of handcrafted disraeli gears which featured the most psychedelic cover art ever the song is what postmodern scholars influenced by fredric jameson would call a pastiche its lyrics combine images of love witchcraft and getting stoned with a note for note rendition of albert king s traditional blues song oh pretty woman the song s title is a metaphor suggesting that words and music can mix to become a kind of magic potion strange brew metaphors of magic and science in rock music traces the evolution of psychedelic music from its roots in rock and roll and the blues to its influence on popular music today shows how metaphor is used to create the effects of songs and their lyrics and explores how words and music came together as both a cause and effect of the cultural revolution of the nineteen sixties a grim almanac of leicestershire is a day by day catalogue of 366 macabre moments from the county s past featured here are such diverse tales as mining disasters freak weather conditions industrial catastrophes train crashes and tragic accidents including the oadby woman who was killed by a wasp sting in 1925 and dorothy cain who performed her first ever parachute jump in 1926 without her parachute among the murders detailed in this volume are the assisted suicide of the vicar of hungerton in 1925 and the unsolved green bicycle murder of 1919 at little stretton generously illustrated with 100 pictures this chronicle is an entertaining and readable record of leicestershire s grim past read on if you dare rex enjoys his drink either from behind or in front of the bar whether he is serving beers at a football barrel in melbourne or drinking it in a transit in honolulu or a private club in kansas rex knows that there is often a laugh and a lesson inside each glass in his collection of tall but true tales gathered from his international travels and work richard plant proves that it is a fascinating experience to sit back and watch customers solve not only their own problems but also those of the world all while tipping back a few is it a bar room or confessional no one really knows but rex reckons it s both as he overhears a variety of conversations as a bartender who journeys from melbourne to britain to singapore in his diverse compilation of humorous anecdotes rex highlights an eclectic group of characters surrounded by lonely barmaids and naive tourists exploring the fact that not all things behind the bar are sweetness and light pull up a stool and hop on life s a brew a laugh in a glass opens up a world where the beer is frothy the ice tinkles in the glass and the stories keep everyone entertained montana s brewing history stretches back more than 150 years to the state s days as a territory but the art of brewing in montana has come a long way since the frontier era today nearly forty craft breweries span the treasure state and the quality of their output rivals the best craft beer produced anywhere in the country maybe it s because there s also a little piece of montana in every glass as the state s brewers pride themselves on using cold mountain water and locally sourced barley harvested from montana s ample fields from grain to glass montana beer a guide to breweries in big sky country tells the story of the brewers and breweries that make the treasure state s brew so special bitches brew in the hands of blackjack jewish book council a fascinating glimpse into the world of the coffeehouse and its role in shaping modern jewish culture unlike the synagogue the house of study the community center or the jewish deli the café is rarely considered a jewish space yet coffeehouses profoundly influenced

the creation of modern jewish culture from the mid nineteenth to mid twentieth centuries with roots stemming from the ottoman empire the coffeehouse and its drinks gained increasing popularity in europe the otherness and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by jews why jews became their most devoted habitués and how cafés acquired associations with jewishness examining the convergence of cafés their urban milieu and jewish creativity shachar m pinsker argues that cafés anchored a silk road of modern jewish culture he uncovers a network of interconnected cafés that were central to the modern jewish experience in a time of migration and urbanization from odessa warsaw vienna and berlin to new york city and tel aviv a rich brew explores the jewish culture created in these social spaces drawing on a vivid collection of newspaper articles memoirs archival documents photographs caricatures and artwork as well as stories novels and poems in many languages set in cafés pinsker shows how jewish modernity was born in the café nourished and sent out into the world by way of print politics literature art and theater what was experienced and created in the space of the coffeehouse touched thousands who read saw and imbibed a modern culture that redefined what it meant to be a jew in the world it was 1969 and miles davis prince of cool was on the edge of being left behind by a dynamic generation of young musicians an important handful of whom had been in his band rock music was flying off in every direction just as america itself seemed about to split at its seams following the circumscribed grooves and ambiance of in a silent way coming off a tour with a burning new quintet called the lost band with wayne shorter chick corea dave holland and jack dejohnette he went into the studio with musicians like frighteningly talented guitarist john mclaughlin and soulful austrian keyboardist joe zawinul working with his essential producer teo macero miles set a cauldron of ideas loose while the tapes rolled at the end there was the newly minted prince of darkness a completely new way forward for jazz and rock and the endless brilliance and depth of bitches brew bitches brew is still one of the most astonishing albums ever made in either jazz or rock seeming to fuse the two it actually does something entirely more revolutionary and open ended blending the most avant garde aspects of western music with deep grooves the album rejects both jazz and rock for an entirely different idea of how music can be made the virtually continuous abuse of females in our society compels some to debate and impels others to act every father must protect his daughter and all of our daughters need protection niccolò cérvantés de conti began his career as a new york city prosecutor and rose to become the united states attorney in new york he then entered private practice at a
