## ***How to Dazzle at Romeo and Juliet***

2015-12-07

recent work in shakespeare studies has brought to the forefront a variety of ways in which the collaborative nature of shakespearean drama can be investigated collaborative performance shakespeare and his fellow actors collaborative writing shakespeare and his co authors collaborative textual production shakespeare and his transcribers and printers what this leaves unaccounted for is the form of collaboration that affects more than any other our modern reading experience of shakespeare s plays what we read as shakespeare now always comes to us in the form of a collaborative enterprise and is decisively shaped by the nature of the collaboration between shakespeare and his modern editors contrary to much recent criticism this book suggests that modern textual mediators have a positive rather than negative role they are not simply pimps of discourse or cultural tyrants whose oppressive interventions we need to unedit but collaborators who can decisively shape and enable our response to shakespeare s plays erne argues that any reader of shakespeare scholar student or general reader approaches shakespeare through modern editions that have an endlessly complicated and fascinating relationship to what shakespeare may actually have intended and written that modern editors determine what that relationship is and that it is generally a very good thing that they do so

## **101 Questions and Answers on Angels and Devils**

2018-03-11

from the earliest times the medicinal properties of certain herbs were connected with deities particularly goddesses only now with modern scientific research can we begin to understand the basis and rationality that these divine connections had and being preserved in myths and religious stories they continued to have a significant impact through the present day riddle argues that the pomegranate mandrake artemisia and chaste tree plants substantially altered the development of medicine and fertility treatments the herbs once sacred to inanna aphrodite demeter artemis and hermes eventually came to be associated with darker forces representing the instruments of demons and witches riddle s ground breaking work highlights the important medicinal history that was lost and argues for its rightful place as one of the predecessors
