focuses on how dharma provides the foundation for a new republic bibek debroy intensely researched argument about an alternative idea of india salman khurshid the year 2014 was a consequential one for the bhartiya janata party and for india will 2024 also be so is this election about stopping the rise of narendra modi and his alleged distortion of the idea of india as conceived by its founders or the beginning of a dharma inspired second republic in 2014 the bjp under the leadership of modi won a clear majority in the lok sabha elections the national democratic alliance s triumph ended a nearly two and a half decade run of mostly messy coalition governments in 2019 the bjp further improved its tally cementing its parliamentary majority and its ability to ring in transformational laws and policies most of the initiatives taken by the modi led nda have been aimed at positioning bharat as a vishwa guru an exemplar of moral righteousness a pluralistic democracy led by dharma and drawing sustenance from the wellspring of an eternal hindu universalism but this shift towards india s hindu ethos has prompted the opposition and many allied commentators to fear the rise of a second republic a hindu rashtra moored to an implacable ultra nationalist and majoritarian dogma the india bloc has declared the 2024 election as the last opportunity to stop the rise of modi and his idea of india evocative anecdotal argumentative and deeply researched modi and india 2024 and the battle for bharat chronicles the emergence of and the battle for a new republic in the making a collection of new friends to save the cupcake this is the first book to examine social learning and innovation in hunter gatherers from around the world more is known about social learning in chimpanzees and nonhuman primates than is known about social learning in hunter gatherers a way of life that characterized most of human history the book describes diverse patterns of learning and teaching behaviors in contemporary hunter gatherers from the perspectives of cultural anthropology ecological anthropology biological anthropology and developmental psychology the book addresses several theoretical issues including the learning hypothesis which suggests that the fate of homo sapiens and neanderthals in the last glacial period might have been due to the differences in learning ability it has been unequivocally claimed that social learning is intrinsically important for human beings however the characteristics of human learning remain under a dense fog despite innumerable studies with children from urban industrial cultures controversy continues on problems such as do hunter gatherers teach if so what types of teaching occur who does it how often under what contexts and so on the book explores the most basic and intrinsic aspects of social learning as well as the foundation of innovative activities in everyday activities of contemporary hunter gatherer people across the earth the book examines how hunter gatherer core values such as gender and age egalitarianism and extensive sharing of food and childcare are transmitted and acquired by children chapters are grouped into five sections 1 theoretical perspectives of learning in hunter gatherers 2 modes and processes of social learning in hunter gatherers 3 innovation and cumulative culture 4 play and other cultural contexts of social learning and innovation 5 biological contexts of learning and innovation ideas and concepts based on the data gathered through an intensive fieldwork by the authors will give much insight into the mechanisms and meanings of learning and education in modern humans on 12 january 1925 twenty five year old abdul kader bawla one of the richest men in colonial bombay and a corporator in the bombay municipal corporation was murdered on malabar hill while out for an evening drive with his mistress mumtaz begum the objective of the attack was to abduct mumtaz who was saved by the appearance of four british army officers who fended off the attackers with nothing more than a golf club investigations by the bombay police revealed a link between the crime and the princely state of indore the subsequent controversy led to the abdication of maharaja tukoji rao holkar iii the ruler of indore to avoid an inquiry a century later the sensational murder case continues to be a milestone in the history of the mumbai police with a narrative built around a beautiful courtesan a wealthy heir a spurned king an upright police officer and a sensational murder this book is a masterful chronicle of
