Service Management Course

2012-04-06

in thoughts upon methodism john wesley shared his hopes and fears for the future of his religious movement the article contains this well known passage i am not afraid that the people called methodists should ever cease to exist either in europe or america but i am afraid lest

they should only exist as a dead sect having the form of religion without the power and this undoubtedly will be the case unless they hold fast both the doctrine spirit and discipline with which they first set out the form and power of religion unpacks this statement by explaining what wesley meant by the form and power of religion identifying what methodist doctrine spirit and discipline were according to wesley and discussing how these aspects of methodism worked together to maintain the vitality of the revival the book concludes with an evaluation of wesley s theory of methodist vitality and discusses its viability as a basis for contemporary church vitality programs
