## **What shall be, shall be. A novel**

1823

What shall be, shall be. A novel by John Updike. The novel follows Owen Mackenzie from his birth in the semi-rural Pennsylvania town of Willow to his retirement in the rather geriatric community of Haskells Crossing, Massachusetts. In between these two settlements comes Middle Falls, Connecticut, where Owen, an early computer programmer, founds a successful firm with his partner Ed Mervine. The novel is a bildungsroman that follows Owen's life across generations and historical upheavals, from the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall, to the current pandemic. Roland Baines sometimes rides with the tide of history but more often struggles against it. A best book of the year, Vogue, The New Yorker, Masterful, MCEwan is a storyteller at the peak of his powers. One of the joys of the novel is the way it weaves history into Roland's biography. The pleasure in reading this novel is letting it wash over you. Associated Press: When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down two thousand miles from his mother's protective love. Stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence as the radiation from Chernobyl spreads across Europe. He begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means: music, literature, friends, sex, politics, and finally love. Cut tragically short, then love ultimately redeemed, his journey raises important questions for us all: Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape our lives and our memories, and what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, Lessons is a chronicle for our times, a powerful meditation on history and humanity through the prism of one man's lifetime.

## **Deep in the Shade of Paradise: A Novel**

2008-01-17
