2010-02-18

includes proceedings of the michigan state bar association 1892 1894

## **Michigan Law Journal**

1893

the endurance of pink floyd s the dark side of the moon on the billboard top 100 chart is legendary and its continuing sales and ongoing radio airplay ensure its inclusion on almost every conceivable list of rock s greatest albums this collection of essays provides indispensable studies of the monumental 1973 album from a variety of musical cultural literary and social perspectives the development and change of the songs is considered closely from the earliest recordings through to the live filmed performance at london s earls court in 1994 the band became almost synonymous with audio visual innovations and the performances of the album at live shows were spectacular moments of mass culture although roger waters himself spoke out against such mass spectacles the band s stage performances of the album serve to illustrate the multifaceted and complicated relationship between modern culture and technology the album is therefore placed within the context of developments in late 1960s early 1970s popular music with particular focus on the use of a variety of segues between tracks which give the album a multidimensional unity that is lacking in pink floyd s later concept albums beginning with breathe and culminating in eclipse a tonal and motivic coherence unifies the structure of this modern song cycle the album is also considered in the light of modern day tribute bands with a discussion of the social groups who have the strongest response to the music being elaborated alongside the status of mediated representations and their relation to the real pink floyd

## ***British Museum Catalogue of printed Books***

1881

modern critics and contemporary readers familiar with the field of whitman criticism may find surprising an analysis of the structure of leaves of grass that concerns itself with whitman as the poet prophet and the identification of whitman or of his persona in the poem with christ early twentieth century criticism has tended to exalt the early whitman at the expense of the later one and to regard as poetically inferior the image of the national and democratically prophetic whitman as expressed in the later editions thomas edward crawley in full knowledge of the contemporary currents of whitman criticism chooses to revert to this older view through which he sheds new light on whitman s artistic achievement the basic premise of this study is that walt whitman s leaves of grass is a unified work lyrical yet epic in quality design and spirit crawley s purpose is to demonstrate the basis of this unity its origin and operation and the nature of its realization he demonstrates that an aesthetically maturing whitman in this work was finally able to harmoniously bring together his individual and social subject matter crawley defines the unifying spirit of leaves of grass in terms of whitman s concept of the poet prophet and the poet reader relationship this concept is conveyed primarily through the development of the christ symbol the dominant image in the poem through a careful analysis of whitman s handling of the simultaneous development of the poet prophet and the nation his masterful fusion of the personal element and the national element an understanding of the complex structure of leaves of grass emerges crawley presents an analysis of whitman s final and carefully arrived at grouping of the lyrics in the 1881 edition according to a definite distinguishable pattern a pattern revealed in whitman s use of allusions in his transitional poems and passages and most important in his thematic handling of imagery the cumulative effect of these devices is emphasized the organic development of leaves of grass made possible by whitman s faith in and careful adherence to his concept of the organic theory of art is substantiated crawley concludes his analysis with a detailed examination of the growth of leaves of grass as reflected in the various editions leading up to the 1881 volume the last to be revised and published by whitman
