we find god in our lives while jewish theologians have long pondered the god question from ethical and philosophical perspectives the last century has made space for a more experiential theology god is present in our lived experiences radical amazement to use rabbi abraham joshua heschel s phrase can be found in everyday life contributors to this volume share how they welcome god s presence into their lives as well as the theological

language they use to think and speak about this presence chapters explore how we experience god through prayer text study poetry food music service movement meditation interpersonal connection and much more published by ccar press a division of the central conference of american rabbis the acclaimed new york times bestseller have you ever puzzled over how to punctuate a text message wondered where memes came from fret no more because internet is the perfect book for understanding how the internet is changing the english language why that s a good thing and what our online interactions reveal about who we are mcculloch is such a disarming writer lucid friendly unequivocally excited about her subject that i began to marvel at the flexibility of the online language she describes with its numerous shades of subtlety new york times from the author of the struggle is real one of the best devotionals for moms a very real look at motherhood and what the bible says about it all fishbowl family because crack is illegal takes a unique and witty approach to daily devotionals for mothers in every stage of life for thirty days mothers are encouraged through personal transparent and comical stories of trials as well as some bargaining and victory each day the reader is challenged to learn grow and laugh through reflection and daily application of scripture it s hilarious full of rich truth and it s a 30 day devo i don t even typically like devotion books but this one is so great what more could you need for both new moms and seasoned moms it s for you happily rooted as a mom and as a jesus girl i just can t tell you how much i enjoyed raema s fresh and transparent writing both of her short devotionals were such a breath of fresh reassuring air in my life they encouraged me to draw closer to christ while assuring me that i am not alone in this crazy journey of motherhood a momma s joy it s always refreshing when a writer and especially a fellow mom can be honest about the struggles of life and with short about two pages entries and bible references for each of the thirty days mauriello makes it easy to get your daily quiet time in winning all around christina fowler blog a new book by janet lembke is always a cause for celebration sue hubbell we share our lives for better or worse with a multitude of animals white tailed deer and white tailed eagles hens and wrens frogs and guppies and last but hardly least bugs and bacteria for the most part we drift along separately with neither man nor animal affecting the other s way of life sometimes however we fall in love as in the case of the cat in the title or otherwise encounter our animal neighbors in ways that change both of us lembke challenges her readers to consider the idea that all creatures are conscious with the ability to make choices exercise awareness and seek pleasure while shunning pain rarely has a book of natural history covered such a broad range of subjects from the everyday bargains we make with our pets and other domestic creatures to descriptions of bungee cord snail sex and the purpose of a honeybee s sting lembke explores the evolution of her subjects and draws on literature and myth to paint gorgeous wide ranging portraits of everyday and more unusual encounters such as that of a gardener and a groundhog or a chicken egg and augustus caesar s wife this is a sensitive and timely appraisal of how we treat the creatures we share our planet with and how we ought to it is a book that no lover of intelligent writing about the natural world will want to miss 20 b w illustrations exploring the complex relationship between comedy and the social differences of class religion gender sexuality ethnicity age and manhood this book shows how comedy has been used to sustain challenge and change power relationships in society in they love us because we give them zakāt dauda abubakar describes how the giving and receiving of zakāt lead to the establishment of social relations between the rich and needy persons in northern nigeria i know you think i am just joking about the title of the book but i am not people do the oddest things and i just feel that it is about time that you humans get pulled up on some of these things if your ego is fragile dont read this book have someone read it to you master because you say so i will do it is an encouraging message of hope which is based on luke s account of jesus calling simon james and john to become his disciples i am trying to share some lessons learned in life and corporate america so that others can avoid the same mistakes i made along the way and enjoy a more successful and balanced life how did a regular guy competing around peers with the highest of educational pedigrees in the country rise to the top levels of corporate america what skills did it take for him to earn millions of dollars working in a company rated most innovative by fortune magazine for six consecutive years how did he maintain his personal values while sitting on the executive committee of a company that succumbed so spectacularly to scandal and downfall in just because you can doesn t mean you should keys to a successful life author and former enron employee mike s mcconnell shares his unique tips for success he combines specific personal and business lessons experiences affirmations and actions that have made him the person he is today including keeping a journal writing down thoughts and keeping perspective living with an attitude of gratitude and keeping it living with passion in everything you do keeping a positive attitude in difficult times using goals and objectives to achieve success a humorously self deprecating memoir this book is a rollercoaster through the adhd mind of a father trying to time capsule his brain before a drunk t bones him off the hoan bridge modern employees are tired of command and control management employees are looking for personal growth purpose and a different lifestyle than prior generations of employees these employees are in a market where they can have flexibility in how they work and where they work they want and can demand choices in the work environment this new workforce must be lead differently we must lead them with clear expectations that are objective vs subjective and provide the support tools and development necessary to grow within our firms if we do not they will move on and find growth elsewhere great companies will be the ones who find and keep the best talent leading performance because it can t be managed explains the current work environment then describes a model of leadership reverse performance leadership that provides objective clarity of performance expectations for any position and potentially the first performance management system that builds better managers leaders and employees the real gem is the field guide breaking down every detail of how to create objective expectations leadership process where her resolve and her heart will be tested as never before the ring shout is the oldest known african american performance tradition surviving on the north american continent performed for the purpose of religious worship this fusion of dance song and percussion survives today in the bolton community of mcintosh county georgia incorporating oral history first person accounts musical transcriptions photographs and drawings shout because you re free documents a group of performers known as the mcintosh county shouters derived from african practices the ring shout combines call and response singing the percussion of a stick or broom on a wood floor and hand clapping and foot tapping first described in depth by outside observers on the sea islands of south carolina and georgia during the civil war the ring shout was presumed to have died out in active practice until 1980 when the shouters in the bolton community first came to the public s attention shout because you re free is the result of sixteen years of research and fieldwork by art and margo rosenbaum authors of folk visions and voices the book includes descriptions of present day community shouts a chapter on the history of the shout s african origins the recollections of early outside observers and later folklorists comments in addition the tunes and texts of twenty five shout songs performed by the mcintosh county shouters are transcribed by ethnomusicologist johann s buis shout because you re free is a fascinating look at a unique living tradition that demonstrates ties to africa slavery and emancipation while interweaving these influences with worship and oneness with the spirit facing the possibility that he would not come back from the war in iraq captain bart newman decided to write a journal for his daughter telling her all the things he might not get to tell her in person he wrote of everything from how to manage money to how to build a relationship with god when he returned home he decided to make the journal a book so that others could share his insights remember when you could hear yourself think imagine returning your mind to its original clear and healthy voice this practical inspirational guide will help you think and reason with a clear mind it continues to help you with physical and mental exercises to keep your thoughts focused and your productivity level up all of us have accumulated a life time of mental impressions beliefs and opinions we have not always been diligent in discriminating between right and wrong we have been negligent in choosing the right attitude thoughts and paths and we have been avoiding dealing with painful issues the list goes on and on because god made a promise to abraham concerning inheriting the land of israel a question arises to which line of abrahams descendants was the promise made thats important because they worship different gods this poses the problem who is the true god this is the question of the ages concerning all claims of deity all things of life and death depend on that answer this book addresses questions from the perspective that the god of the bible through abraham isaac and jacob is the true god and the god of true christianity it distinguishes between true and counterfeit christianity the war that started with satans attempt to dethrone god and elevate himself to the almighty is the defining factor of conflict association is made between spiritual determinations and earthly happenings the next earthly event distinguishing where we are in time is the russian invasion of israel the only remaining possibility for satans success is stopping god from keeping his promise to abraham the mid east peace problem is not just about ownership of land but about who is god also addressed doctrines and theories taught in error dispensations covenants and promises are defined how revelation is structured and plays out is explained ne purpose of the book is to cause the reader to think not just about things termed religious but in truth how all

things are related especially political hopefully it gives insight on how to prepare mentally spiritually and materially for what scripture says will happen evidence shows we are the generation that experiences the biblical end times and the fulfillment of gods promise to abraham america must choose follow the true god or the satanic one world government the book challenges the true church to reestablish scripture as our highest authority and be about our task in leading at a higher level updated edition blanchard and his colleagues bring together everything they ve learned about world highest potential in the absence of the gospel at the heart of that gospel are the incarnation of jesus christ and the crucifixion of christ his birth is one of the most significant moments in divine history because it sets the stage for the

crucifixion the resurrection the ascension and christ s second coming christ s incarnation represents god s will to save repentant sinners christ came into the world as the suffering servant to die for the sins of the world that is of first importance it will always remain so for what i paul received i passed on to you as of first importance that christ died for our sins according to the scriptures that he was buried that he was raised on the third day according to the scriptures 1 cor 15 3 4 however the scriptures also identify at least thirty reasons for his birth that confirm the reality of god the reality of the resurrection and the reality of eternal life i believe that understanding these additional reasons will increase our understanding of god as well as our anticipation for the second coming of christ it was the will of god that redemption and reconciliation would be through the birth death resurrection and ascension of his only begotten son jesus christ the son of god is the perfect sacrifice for the sins of the world christ is also the perfect witness and example of the love of god the perfect expression of that love is the cross because of love he came our christian life will be richer when the fullness of the incarnation of christ is more fully understood
