Northstar fifth edition is an integrated skills English course that empowers adult and young adult English language learners to achieve their academic and personal goals. Current and thought-provoking topics promote language development and critical thinking skills building on the success of previous editions. This new fifth edition engages and motivates students with new and updated content. What is new in the fifth edition? New and updated content with a new theme keeps students motivated. The new design and imagery bring the activities to life. Learning outcomes are created using the global scale of English GSE so students can see their progress more easily. Every unit offers note-taking practice and writing skill development. Scaffolded critical thinking activities are clearly marked to help students develop their academic skills. Academic word list words are highlighted to help students identify essential vocabulary. New and updated activities in MyEnglishLab provide additional practice. Online ExamView Test Generator allows teachers to customize assessments. Students can complete activities, listen to audio, and watch video on the go with the Pearson Practice English app. Trusted worldwide, inspired by you, updated with new texts, topics, and themes, Headway Fifth Edition provides fresh and relevant English instruction that is tailored to your students' needs. New to this edition: Teach Practical Real Life English that is relevant to your students' lives with new topics and themes grounded in today's reality. Bring unit topics to life with the new unit opener page which includes inspiring photographs and accompanying video introductions to engage students with the topic. Download and adapt material for your students with the Teacher's Resource Centre which provides all your Headway resources stored in one place. Online practice enables students to revisit activities from previous lessons, do extra skills practice, and check their progress with instant feedback. Find out more here. Provides additional activities for further practice that are specifically tailored to fit with the student's book content. Includes extension activities with extra grammar and vocabulary exercises related to the unit topic to extend learning. Everyday English tasks present further opportunities to practice relevant real-life English. Review sections allow students to test themselves and to see how much they can remember. The answer key allows students to check their own answers and review their progress.
