## **The Prairie Boys Go to War**

2013-01-31

cavalry units from midwestern states remain largely absent from civil war literature and what little has been written largely overlooks the individual men who served the fifth illinois cavalry has thus remained obscure despite participating in some of the most important campaigns in arkansas and mississippi in this pioneering examination of that understudied regiment rhonda m kohl offers the only modern comprehensive analysis of a southern illinois regiment during the civil war and combines well documented military history with a cultural analysis of the men who served in the fifth illinois the regiment's history unfolds around major events in the western theater from 1861 to september 1865 including campaigns at helena vicksburg jackson and meridian as well as numerous little known skirmishes although they were led almost exclusively by northern born republicans the majority of the soldiers in the fifth illinois remained democrats as kohl demonstrates politics economics education social values and racism separated the line officers from the common soldiers and the internal friction caused by these cultural disparities led to poor leadership low morale disciplinary problems and rampant alcoholism the narrative pulls the fifth illinois out of historical oblivion elucidating the highs and lows of the soldiers service as well as their changing attitudes toward war goals religion liberty commanding generals copperheads and alcoholism by reconstructing the cultural context of fifth illinois soldiers prairie boys go to war reveals how social and economic traditions can shape the wartime experience

## **Translating Canada**

2007-10-25

in the last thirty years of the twentieth century canadian federal governments offered varying degrees of support for literary and other artistic endeavour a corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad translating canada examines cultural materials exported by canada in addition to those selected for acquisition by german publishers theatres and other culture brokers it also considers the motivations of particular translators and the reception by german reviewers of works by a wide variety of canadian writers novelists and poets playwrights and children's authors literary and social critics above all the book maps for its

readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values the chapters in this collection will be of value to students teachers and scholars in a number of fields informed lay readers too will appreciate the authors insights into the different ways in which translation has contributed to german reception of canadian books and culture

### ***Jack Among the Indians; Or, A Boy's Summer on the Buffalo Plains***

## ***Best Books for Children***

2006

when we were children we made our own fun is a frequent comment from those who were children in pre television times but what games activities and amusements did children enjoy prior to the mid 1950s recollections of older canadians selections from writings by canadian authors and letters written to the children s pages of agricultural publications indicate that for most children play was then as now an essential part of childhood through play youngsters developed the physical mental and emotional skills that helped them cope with life and taught them to get along with other children in both rural and urban settings children were generally free to explore their environment they were sent outdoors to play by both parents and teachers their games were generally self organized and physically active with domestic animals acting as important companions and playmates children frequently made their own toys and equipment and since playing rather than winning was important most children were included in games special days holidays and organizations for children and youth provided welcome breaks from daily routines their lives were busy but there was always time for play always time for fun norah lewis has provided an entertaining view of the toys games and activities in canada and pre confederate newfoundland from approximately 1900 through 1955 her book will be of interest to historians educators and sociologists as well as anyone who lived through or wants to know more about those early years in canada and the games children used to play

## ***A Prairie's Not Scary***

2012-04-01

the first section in magic lies examines mitchell s fiction the second his writings for radio television and theatre and the third is composed of interviews and personal recollections contributors include literary scholars novelists theatre and television directors an actor and a popular radio host and journalist together their essays invite further creative readings and critical dialogue and deepen our understanding of a writer whose sense of community and locality has influenced a national literary tradition given the broad appeal of mitchell s work and the interdisciplinary nature of this collection magic lies will interest both general readers and scholars in the areas of english literature drama broadcasting canadian studies and popular culture book jacket title summary field provided by blackwell north america inc all rights reserved
