Nerd

2022-10-11

in the vein of you re never weird on the internet almost and black nerd problems this witty incisive essay collection from new york times critic at large maya phillips explores race religion sexuality and more through the lens of her favorite pop culture fandoms from the moment maya phillips saw the opening scroll of star wars episode v the empire strikes back her childhood changed forever her formative years were spent loving not just the star wars saga but superhero cartoons anime buffy the vampire slayer harry potter tolkien and doctor who to name just a few as a critic at large at the new york times phillips has written extensively on theater poetry and the latest blockbusters with her love of some of the most popular and nerdy fandoms informing her career now she analyzes the mark these beloved intellectual properties leave on young and adult minds and what they teach us about race gender expression religion and more especially as fandom becomes more and more mainstream spanning from the 90s through to today nerd is a collection of cultural criticism essays through the lens of fandom for everyone from the casual marvel movie watcher to the hardcore star wars expanded universe connoisseur it s for anyone who s ever wondered where they fit into the narrative or if they can be seen as a hero even of their own story

Do Penguins Eat Peaches?

2023-10-16

why are customers so damn fickle they say one thing do the other they change their minds give you false hopes keep you guessing but without them there is no business finding out what your customers want needn t be potluck do penguins eat peaches demystifies big business market research tools tips and tricks for you the smaller business with smaller budgets smaller teams those of you who want to do right by your customers but need a little help with the how from sending smart surveys and asking quality questions to desk research and the rise of social listening this book teaches you how to discover what your customers want katie tucker is an inspirational product leader with over twelve years experience leading teams and delivering stand out products and services in 2020 she founded product jungle helping hundreds of businesses understand customers better she is also a mentor speaker and the pen behind the popular newsletter jungle juice

Star Wars after Lucas

2019-04-26

politics craft and cultural nostalgia in the remaking of star wars for a new age a long time ago in a galaxy far far away way back in the twenty first century s first decade star wars seemed finished then in 2012 george lucas shocked the entertainment world by selling the franchise along with lucasfilm to disney this is the story of how over the next five years star wars went from near certain extinction to what wired magazine would call the forever franchise with more films in the works than its first four decades had produced focusing on the force awakens 2015 rogue one 2016 the last jedi 2017 and the television series rebels 2014 18 dan golding explores the significance of pop culture nostalgia in overcoming the skepticism if not downright hostility that greeted the star wars relaunch at the same time he shows how disney even as it tapped a backward looking obsession was nonetheless creating genuinely new and contemporary entries in the star wars universe a host of cultural factors and forces propelled the disney engineered star wars renaissance and all figure in golding s deeply informed analysis from john williams s music in the force awakens to peter cushing s cgi face in rogue one to carrie fisher s passing to the rapidly changing audience demographic star wars after lucas delves into the various responses and political uses of the new star wars in a wider context as in reaction videos on youtube and hate filled misogynistic online rants in its granular textual readings broad cultural scope and insights into the complexities of the multimedia galaxy this book is as entertaining as it is enlightening an apt reflection of the enduring power of the star wars franchise

A Passion for Prying

2010-09-23

natalie north works as a licensed private investigator in her fathers pi agency i pry inc their specialty is matrimonial relationship cases which if the polite words are chiseled away deciphers to adulterous partners norton north a former lapd offi cer is known as the best pi in the greater los angeles area natalie is following close in her fathers fi ne reputation tired of endless days following panting people incapable of keeping their pants on natalie aches to work a case of substance when a murder suicide takes place at a nearby diner natalie takes it upon herself much to nortons dismay to investigate the crime of what she believes is a cover up to a double homicide as she begins to see the error of her judgment she misses a bullet planned to carry out her own death having escaped her intended killing she welcomes the chance to investigate her attempted hit but the apprehension of it being her own intended demise casts an eerie shadow over her probing

Why Are We Yelling?

2019-11-19

have you ever walked away from an argument and suddenly thought of all the brilliant things you wish you d said do you avoid certain family members and colleagues because of bitter festering tension that you can t figure out how to address now finally there s a solution a new framework that frees you from the trap of unproductive conflict and pointless arguing forever if the threat of raised voices emotional outbursts and public discord makes you want to hide under the conference room table you re not alone conflict or the fear of it can be exhausting but as this powerful book argues conflict doesn t have to be unpleasant in fact properly channeled conflict can be the most valuable tool we have at our disposal for deepening relationships solving problems and coming up with new ideas as the mastermind behind some of the highest performing teams at amazon twitter and slack buster benson spent decades facilitating hard conversations in stressful environments in this book buster reveals the psychological underpinnings of awkward unproductive conflict and the critical habits anyone can learn to avoid it armed with a deeper understanding of how arguments you ll be able to remain confident when you re put on the spot diffuse tense moments with a few strategic questions facilitate creative solutions even when your team has radically different perspectives why are we yelling will shatter your assumptions about what makes arguments productive you ll find yourself having fewer repetitive predictable fights once you re empowered to identify your biases listen with an open mind and communicate well

Austentatious

2019

this book explores online fan spaces in search of janeites all over the world to discover what fans are making how fans are sharing their work and why it matters that so many women and nonbinary individuals find a haven not only in jane austen but also in jane austen fandom in relatable chapters based on firsthand experience the authors explore how austen fandom has and continues to build communities around women people of color and the lgbtq community

from movie villains to scream queens here are interviews with 36 actors and actresses familiar to fans of sixties and seventies cult cinema interviewees include the well known david carradine christopher lee the relatively obscure marrie lee sex symbols valerie leon surfers who became movie stars don stroud and action heroes fred williamson among many others each interview is accompanied by a biography and filmography

Musical Miles: A Journey

2015-03-27

author and musician mitch alden wanted to record a new cd months after running a personal best at the 2009 new york city marathon he decided a new full length cd would be his next goal during an early spring run however the marathon bug emerged from winter s grip and took a bite out of him as he ran he formed the crazy idea of combining his passion for singing and running into one epic experience he could record his cd at a friend s studio in chicago and race the chicago marathon immediately afterward though he knew he could accomplish each individually he wondered if his body would be able to withstand the many high energy days in the studio only to race 26 2 miles when he was done alden shares his thoughts in musical miles a memoir that is equal parts running music and life lessons it covers alden s four month training journey for the 2010 chicago marathon exposes the mind of a passionate and driven independent artist and attempts to answer the question of why we run

Sales Badassery

2019-04-09

turn the tables on the social dynamics of sales stop chasing prospects and start closing deals sales badassery kick ass take names crush the competition is a no nonsense guide to transforming your entire attitude to sales turning the old way of doing things on its head to shift all the power to you the common myth of sales strategy tells you to approach a prospect from a position of deference they hold the superior position forcing you to supplicate beg make undue concessions and be at their beck and call during and after the sale this indispensable work shows you that levelling the playing field is not enough you need to slant it in your direction the innovative sales badassery philosophy enables you to turn yourself into an unstoppable sales powerhouse taking no prisoners along the way best selling author frank rumbauskas has distilled years of successful sales experience into an effective sales philosophy this invaluable book provides the tools and guidance for transforming ordinary salespeople into top level businesspersons regardless of what you sell the proven techniques of this essential resource will empower you to transform yourself into a sales badass respected by your customers and feared by your competitors stop sucking up to your prospects and never accept the word no adopt a zero tolerance policy for disrespectful and unreasonable customers convert customers into colleagues to expand your contacts and increase referrals sales badassery kick ass take names crush the competition is a must read for everyone tired of chasing prospects and selling their souls for the sake of a sale this transformative approach to sales will enable you leverage your power conquer your competitors and steer your goals in the direction you always wanted

Abolishing State Violence

2022-07-26

abolishing state violence is an urgent and accessible analysis of the key structures of state violence in our world today and a clarion call to action for their abolition connecting movements for social justice with ideas for how activists can support and build on this analysis and strategy this book shows that there are many mutually supportive abolition movements each enhanced by a shared understanding of the relationship between structures of violence and a shared framework for challenging them on the basis of their roots in patriarchy racism militarism settler colonialism and capitalism this book argues that abolition is transformative it is about defunding demilitarizing disbanding and divesting from current structures of violence but also about imagining new ways to organize and care for each other and our planet and about building new systems and cultures to sustain ourselves in a more equitable free and peaceful way it shows that change is possible

Benedict Cumberbatch - The Biography

2015-04-02

this is the story of benedict cumberbatch still only in his thirties and one of britain s foremost acting talents excelling in theatre television radio and cinema

Down the Tube

2001

annotation imagine yourself home on your couch contractually obligated to remain in front of your satellite rigged television for a period of seven days at the end of which you will produce a funny but penetrating account of your journey a virtual one through the strange and culturally revealing landscape of the 200 channel universe bill brownstein did just that the author of the riotous sex carnival charts his week as a couch potato in his latest odyssey down the tube with a cynical eye and relentless wit brownstein meditates on such important questions as should pamela anderson sue the doctor who botched her breast reduction are those people on springer for real hey do they still play reruns of the waltons

Salt

2014-01-07

penelope is a witch part of a secret society protecting humans from demon attacks but when she was a child a demon killed her parents and stole her magic since then she s been pretending to be something she s not using her sister s magic to hide her own loss and prevent being sent away when she s finally given the chance to join the elite demon hunting force penelope thinks that will finally change with her sister s help she can squeeze through the tests and get access to the information she needs to find her demon to take back what was stolen then she meets carter he s cute smart and she can borrow his magic too he knows her secret but he also has one of his own suddenly penelope s impossible quest becomes far more complicated because carter s not telling her everything and it s starting to seem like the demons have their own agenda and they re far too interested in her

The Laughing Librarian

2014-01-10

despite the stodgy stereotypes libraries and librarians themselves can be quite funny the spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the new yorker to the satire of mad this examination of american library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark from parodies to portrayals of libraries and their staffs as objects of fear it illuminates different types of librarians the collector the organization person the keeper the change agent
