whose evolution parallels the story of america itself to advance their cause the opponents of slavery employed every available literary form fiction and poetry essay and autobiography sermons pamphlets speeches hymns plays even children s literature this is the first anthology to take the full measure of a body of writing that spans nearly two centuries and exceptionally for its time embraced writers black and white male and female benjamin franklin thomas paine phillis wheatley and olaudah equiano offer original even revolutionary eighteenth century responses to slavery with the nineteenth century an already diverse movement becomes even more varied the impassioned rhetoric of frederick douglass and william lloyd garrison joins the fiction of harriet becher stowe louisa may alcott and william wells brown memoirs of former slaves stand alongside protest poems by john greenleaf whittier henry wadsworth longfellow and lydia sigourney anonymous editorials complement speeches by statesmen such as charles sumner and abraham lincoln features helpful notes a chronology of the antislavery movement and a 16 page color insert of illustrations

russian officials claim today that the ussr never possessed an offensive biological weapons program in fact the soviet government spent billions of rubles and hard currency to fund a hugely expensive weapons program that added nothing to the country s security this history is the first attempt to understand the broad scope of the ussr s offensive biological weapons research its inception in the 1920s its growth between 1970 and 1990 and its possible remnants in present day russia we learn that the u s and u k governments never obtained clear evidence of the program s closure from 1990 to the present day raising the critical question whether the means for waging biological warfare could be resurrected in russia in the future based on interviews with important soviet scientists and managers papers from the soviet central committee and u s and u k declassified documents this book peels back layers of lies to reveal how and why soviet leaders decided to develop biological weapons the scientific resources they dedicated to this task and the multitude of research institutes that applied themselves to its fulfillment we learn that biopreparat an ostensibly civilian organization was established to manage a top secret program code named ferment whose objective was to apply genetic engineering to develop strains of

pathogenic agents that had never existed in nature leitenberg and zilinskas consider the performance of the u s intelligence community in discovering and assessing these activities and they examine in detail the crucial years 1985 to 1992 when mikhaïl gorbachev s attempts to put an end to the program were thwarted as they were under yeltsin history is written by the winners and the powerful but how much of it is fiction and who is really in control today from the dawn of civilization to the 21st century from ancient aliens to the new world order secret history conspiracies from ancient aliens to the new world order examines explores and uncovers the hidden overlooked and buried history of mankind the book moves from biblical egyptian mayan greek and early mysteries of antiquity to the clandestine doings of the nazis and the masons and assassination plots of the more recent past to the surveillance monitoring mind control and secret schemes of today researcher nick redfern investigates the stories mythologies lore behind incredible events and clandestine groups of yesterday and today more than 60 entries dig deep into the manipulation of events by influential groups including historical riddles alien visitations space gods and human alien crossbreeding government cover ups mind control murders scientists and secret agents powerful groups and intended consequences 9 11 new world order bird flu and chemtrails tracing the chilling and lasting effects of conspiracies cabals and plots secret history conspiracies from ancient aliens to the new world order exposes their deep reach in shaping today s world some of the greatest works in english literature were first published without their authors names why did so many authors want to be anonymous and what was it like to read their books without knowing for certain who had written them in anonymity john mullan gives a fascinating and original history of hidden identity in english literature from the sixteenth century to today he explores how the disguises of writers were first used and eventually penetrated how anonymity teased readers and bamboozled critics and how when book reviews were also anonymous reviewers played tricks of their own in return today we have forgotten that the first readers of gulliver s travels and sense and sensibility had to guess who their authors might be and that writers like sir walter scott and charlotte brontë went to elaborate lengths to keep secret their

authorship of the best selling books of their times but in fact anonymity is everywhere in english literature spenser donne marvell defoe swift fanny burney austen byron thackeray lewis carroll tennyson george eliot sylvia plath and doris lessing all hid their names with great lucidity and wit anonymity tells the stories of these and many other writers providing a fast paced entertaining and informative tour through the history of english literature highly recommended for general readers or professionals seeking to understand the origins of many current educational theories and practices choice this book one of john locke s major works is primarily about moral education its role in creating a responsible adult and the importance of virtue as a transmitter of culture however locke s detailed and comprehensive guide also ranges over such practical topics as the effectiveness of physical punishment how best to teach foreign languages table manners and varieties of crying can you keep a secret maybe you can but the united states government cannot since the birth of the country nations large and small from russia and china to ghana and ecuador have stolen the most precious secrets of the united states written by michael sulick former director of cia s clandestine service spying in america presents a history of more than thirty espionage cases inside the united states these cases include americans who spied against their country spies from both the union and confederacy during the civil war and foreign agents who ran operations on american soil some of the stories are familiar such as those of benedict arnold and julius rosenberg while others though less well known are equally fascinating from the american revolution through the civil war and two world wars to the atomic age of the manhattan project sulick details the lives of those who have betrayed america s secrets in each case he focuses on the motivations that drove these individuals to spy their access and the secrets they betrayed their tradecraft or techniques for concealing their espionage their exposure and punishment and the damage they ultimately inflicted on america s national security spying in america serves as the perfect introduction to the early history of espionage in america sulick s unique experience as a senior intelligence officer is evident as he skillfully guides the reader through these cases of intrigue deftly illustrating the evolution of american awareness about espionage and the

fitful development of american counterespionage leading up to the cold war rapt in secret studies emerging shakespeares is a collection of new essays in shakespeare studies from a generation of scholars presently emerging out of australia and new zealand these 18 essays respond in a myriad of ways to the challenge of prospero s phrase from the tempest in which he tells his daughter miranda that in his life before the island he had been rapt in secret studies to an early modern audience these words were likely to mean much more than a predilection for the black arts as modern audiences tend to hear in them each of the key words used by prospero evoked a range of meanings in early modern times to which the emerging scholars represented in this collection responded by imagining new pathways in shakespeare studies a field of study that has in recent times risked being marginalised even within the traditional liberal arts the secret studies of which prospero speaks are in fact more liberal than dark and so the response by new scholars to a challenge issued by one of shakespeare s characters more than four centuries ago has a renewed sense of relevance in the academy today the essays are divided into three sections each of which is oriented toward meanings that are specifically associated with one of the key terms in prospero s phrase the rapt section has essays concerned with excess in its various forms jealousy obsession sex violence and even death as well as with travel and its impact on ways of knowing about the world in the secret section the nature of things about which the early modern could scarcely speak are taken into consideration with essays on prevailing early modern myths infidelities stillborn children contagion and the instruments of secrecy such as gossip and spies finally in the study section essays cover issues related both to early modern textual practice the use of historical source materials in shakespeare s writing questions of multiple authorship and the issue of early modern style and kinds of drama and to more modern scholarly practice such as the role of shakespeare in the new bibliography and the new historicism do you find it difficult to stick to a budget do you hide purchases from your partner do you often argue about money with your family one of the most important relationships we have is with money yet we are often unaware of what drives our habits and feelings related to it money can be a cause of anxiety shame and

conflict in our everyday lives a complex web of emotional factors past experiences and personality all determine the money choices you make and how you feel about them but how can you overcome these emotional hurdles to make better financial choices financial psychotherapist vicky reynal dives into different money behaviours such as overspending underspending money secrets and self sabotage to uncover how our past experiences impact our relationship with money reynal reveals how an emotionally absent parent can result in comfort shopping how bullying in school can lead to overspending and how absorbing a parent s lack of boundaries can stop you from making rational financial decisions through a mix of case studies client stories and expertise in psychotherapy money on your mind will help you unpack and understand what is driving your financial behaviours for an improved and healthier relationship with money why has the war on cancer languished focusing mainly on finding and treating the disease and downplaying the need to control and combat cancer s basic causes tobacco the workplace radiation and the general environment this war has targeted the wrong enemies with the wrong weapons failing to address well known cancer causes as epidemiologist devra davis shows in this superbly researched expose this is no accident the war on cancer has followed the commercial interests of industries that generated a host of cancer causing materials and products this is the gripping story of a major public health effort diverted and distorted for private gain that is being reclaimed through efforts to green health care and the environment menahem mendel schneerson 1902 1994 was the seventh and seemingly last rebbe of the habad lubavitch dynasty marked by conflicting tendencies schneerson was a radical messianic visionary who promoted a conservative political agenda a reclusive contemplative who built a hasidic sect into an international movement and a man dedicated to the exposition of mysteries who nevertheless harbored many secrets schneerson astutely masked views that might be deemed heterodox by the canons of orthodoxy while engineering a fundamentalist ideology that could subvert traditional gender hierarchy the halakhic distinction between permissible and forbidden and the social anthropological division between jew and gentile while most literature on the rebbe focuses on whether or not he identified with the role of messiah

elliott r wolfson a leading scholar of jewish mysticism and the phenomenology of religious experience concentrates instead on schneerson's apocalyptic sensibility and his promotion of a mystical consciousness that undermines all discrimination for schneerson the ploy of secrecy is crucial to the dissemination of the messianic secret to be enlightened messianically is to be delivered from all conceptual limitations even the very notion of becoming emancipated from limitation the ultimate liberation or true and complete redemption fuses the believer into an infinite essence beyond all duality even the duality of being emancipated and not emancipated an emancipation in other words that emancipates one from the bind of emancipation at its deepest level schneerson's eschatological orientation discerned that a spiritual master if he be true must dispose of the mask of mastery situating hasid's thought within the evolution of kabbalistic mysticism the history of western philosophy and mahayana buddhism wolfson articulates schneerson's rich theology and profound philosophy concentrating on the nature of apophatic embodiment semiotic materiality hypernomian transvaluation nondifferentiated alterity and atemporal temporality omar khayyam's secret hermeneutics of the robaiyat in quantum sociological imagination is a twelve book series of which this book is the second volume subtitled khayyami millennium reporting the discovery and the reconfirmation of the true dates of birth and passing of omar khayyam ad 1021 1123 each book is independently readable although it will be best understood as a part of the whole series in the overall series the transdisciplinary sociologist mohammad h tamdgidi shares the results of his decades long research on omar khayyam the enigmatic 11th 12th centuries persian muslim sage philosopher astronomer mathematician physician writer and poet from neyshabour iran whose life and works still remain behind a veil of deep mystery tamdgidi's purpose has been to find definitive answers to the many puzzles still surrounding khayyam especially regarding the existence nature and purpose of the robaiyat in his life and works to explore the questions posed he advances a new hermeneutic method of textual analysis informed by what he calls the quantum sociological imagination to gather and study all the attributed philosophical religious scientific and literary writings of khayyam in this second book of the series

tamdgidi lays down an essential foundation for the series by revisiting the unresolved questions surrounding the dates of birth and passing of omar khayyam critically reexamining the manner in which omar khayyam s birth horoscope as reported in zahireddin abolhassan beyhaqi s tatemmat sewan al hekmat supplement to the chest of wisdom was used by swāmi govinda tīrtha in his the nectar of grace omar khayyam s life and works 1941 to determine khayyam s birth date tamdgidi uncovers a number of serious internal inconsistencies and factual inaccuracies that prevented tīrtha and since then other scholars more or less taking for granted his results from arriving at a reliable date for khayyam s birth hurling khayyami studies into decades of confusion regarding khayyam s life and works tamdgidi then shares in the book the detailed account of his own discovery of khayyam s true date of birth for the first time a finding that eluded khayyami studies for centuries and is bound to revolutionize the studies for decades to come tamdgidi then turns his attention to the task of definitively establishing the true date of passing of omar khayyam conducting an in depth superposed analysis of beyhaqi s tatemmat sewan el hekmat supplement to the chest of wisdom abdorrahman khazeni s mizan ol hekmat balance of wisdom nezami arouzi s chahar maqaleh four discourses and yar ahmad rashidi tabrizi s tarabkhaneh house of joy amid other relevant texts he succeeds in firmly reconfirming and further discovering in a textually reliable way not only the year the season the month and the day but even the most likely time of day at which the poet mathematician astronomer and calender reformer died as a solar centenarian completing his 102nd solar year age strange is that these discoveries are made just in time as we approach the first solar millennium of omar khayyam s birth date on june 10 1021 at sunrise of neyshabour iran and the ninth solar centennial of his passing on june 10 1123 on the eve also of his birthday closing the circle of his life s coming and going contents about okcir i published to date in the series ii about this book iv about the author viii notes on transliteration xix acknowledgments xxi preface to book 2 recap from prior book of the series 1 introduction to book 2 the dilemma and significance of omar khayyam s dates of birth and passing 11 chapter i contributions inconsistencies and inaccuracies of swāmi govinda tīrtha s

findings regarding omar khayyam s dates of birth and passing 27 chapter ii in search of the correct gemini degree the story of how omar khayyam s true date of birth was discovered shortly before its imminent millennium 63 chapter iii in search of omar khayyam s true date of passing superposing the birth date findings with beyhaqi s tatemmat sewan el hekmat and khazeni s mizan ol hekmat 133 chapter iv searching more for omar khayyam s true date of passing superposing the birth date findings with present and older manuscript copies of nezami arouzi s chahar maqaleh 171 chapter v omar khayyam s true date of passing discovered and reconfirmed superposing the birth date findings with all tarabkhaneh chahar maqaleh and tatemmat sewan el hekmat accounts 201 conclusion to book 2 summary of findings 255 appendix transliteration system and book 2 glossary 267 book 2 cumulative glossary of transliterations 280 book 2 references 287 book 2 index 291 offering the advice insights experiences and encouragement would be internet entrepreneurs need to establish a successful independent research business this book provides an insider s view of internet businesses and their unique services eleven entrepreneurial super searchers representing a broad range of topic specialities and business focuses are interviewed also discussed are the details for getting started developing a niche finding clients doing the research networking with peers and staying well informed about resources and technologies combines years of experience and preparation for certification into a single resource written to serve as a useful reference tool for the experienced practicing safety preprofessional as well as a study guide for university students and those preparing for the certified safety professional exam addresses major topics of the safety and health profession includes a directory of resources such as safety and health associations and state and federal agency contact information offers the latest version of the bcsp examination reference sheets an incisive and comprehensive exploration of international business in the modern world in the newly updated third edition of international business an accomplished team of educators and business practitioners delivers a revitalized approach to the discipline that brings international business to life this latest edition of the book includes one of a kind chapters on sustainability poverty and

innovation as well as new mini simulation activities explorations of the covid 19 pandemic and its effects on commerce the business implications of social and civic justice race and inequality debates new whiteboard animations a video and podcast series and new case studies on equity diversity and inclusion at microsoft international business efficiently prepares students for the global economy and transforms the authors impressive international experience at multi national corporations into an indispensable pedagogical resource hasidic groups have myriad customs while ordinary jewish law halakhah denotes the bar of holiness mandated for the ordinary jew these customs represent the higher threshold expected of hasidim intended to justify their title as hasidim pious how did the hasidic masters perceive the enactment of these new norms at a time in which the halakhah had already been solidified how did they explain the normative power of these customs over communities and individuals and how did they justify customs that diverged from the positive halakhah this book analyzes the answers given by nineteenth century hasidic authors it then examines a test case kedushah holiness or sexual abstinence among married men a particularly restrictive norm enacted by several twentieth century hasidic groups through the use of theoretical tools and historical contextualization the book elucidates the normative circles of hasidic life their religious and social sources and their interrelations in the secret origins of comics studies today s leading comics scholars turn back a page to reveal the founding figures dedicated to understanding comics art edited by comics scholars matthew j smith and randy duncan this collection provides an in depth study of the individuals and institutions that have created and shaped the field of comics studies over the past 75 years from coulton waugh to wolfgang fuchs these influential historians educators and theorists produced the foundational work and built the institutions that inspired the recent surge in scholarly work in this dynamic interdisciplinary field sometimes scorned often underappreciated these visionaries established a path followed by subsequent generations of scholars in literary studies communication art history the social sciences and more giving not only credit where credit is due this volume both offers an authoritative account of the history of comics studies and also helps move the field forward

by being a valuable resource for creating graduate student reading lists and the first stop for anyone writing a comics related literature review an analysis of the current february 2009 status and future potential of india s nuclear fuel cycle is presented in this book such a fuel cycle assessment is important but relatively opaque because india regards various aspects of its nuclear fuel cycle as strategically sensitive any study therefore necessarily depends upon reverse calculations based on the information that is available expert assessments engineering judgment and anecdotal information in this work every effort is made to provide transparency to these foundations so that changes can be made in light of alternative expectations or subsequent information this book should be of interest to policy experts governmental specialists technologists nuclear technologists and others seeking to understand and explain the associated facts and potential consequences of the recent u s india civil nuclear accord table of contents introduction a brief history of the indian nuclear program indian nuclear facilities fuel cycle analysis from beginning to present day fuel cycle analysis future projections alternate reactor systems conclusions acknowledgements when the united states established diplomatic ties with the soviet union in 1933 it did more than normalize relations with the new bolshevik state it opened the door to a parade of russian spies in the 1930s and 1940s soviet engineers and technicians under the guise of international cooperation reaped a rich harvest of intelligence from our industrial plants factory layouts aircraft blueprints fuel formulas all were grist for the soviet espionage mill and that as katherine sibley shows was just the beginning while most historians date the onset of the cold war with american fears of soviet global domination after world war ii sibley shows that it actually began during the war itself the uncovering of atomic espionage in 1943 in particular not only led to increased surveillance of our ostensible russian allies but also underscored a growing distrust of the soviet union that would eventually morph into full blown hostility meticulously documented through exhaustive new research in american and soviet archives sibley s book provides the most detailed study of soviet military industrial espionage to date revealing that the united states knew much more about soviet operations than previously

acknowledged she tells of spies like steve nelson and clarence hiskey who passed on information about the manhattan project moles within the federal government like nathan silvermaster and soviet agents like andrei schevchenko who pressed defense workers to divulge high tech secrets at the same time as sibley shows hundreds of other red agents went completely undetected it was only through the revelations of defectors and the postwar cracking of soviet codes that we began to fully understand these breaches in our national security sibley describes how our response to this wartime espionage shaped a generation of red baiting triggering loyalty programs blacklists and the infamous huac hearings and how it has clouded u s russian relations down to the present day she also reviews recent cases john walker jr aldrich ames robert hanssen that demonstrate how russian efforts to gain american secrets continues well into our present times for cold war watchers and spy aficionados alike sibley s work spells out what we actually knew about communist espionage and suggests how and why that knowledge should also shape our understanding of intelligence in the age of terrorism readable and concise yet immensely informative this bestselling text prepares students and new therapists to work confidently and effectively in real world clinical practice with families the authors offer wise and compassionate guidance on everything from intake and assessment to treatment planning the nuts and bolts of specific interventions the nuances of establishing therapeutic relationships and how to troubleshoot when treatment gets stuck they help the novice clinician navigate typical dilemmas and concerns and spell out the basics of therapist self care vivid case examples sample forms and quick reference tables enhance the utility of the text new to this edition updated throughout to reflect current clinical findings and practices many new or revised case examples now more integrative shows how to flexibly draw on multiple theories and techniques new topics including dealing with clients we dislike see also the authors essential assessment skills for couple and family therapists which shows how to weave assessment into all phases of therapy and clinician s guide to research methods in family therapy kathleen gallagher and barry freeman bring together nineteen playwrights actors directors scholars and educators who discuss the role that theatre can and must play in

professional community and educational venues vivid dramatic portraits of muslims in america in the years after 9 11 as they define themselves in a religious subculture torn between moderation and extremism there are as many as six million muslims in the united states today islam together with christianity and judaism is now an american faith and the challenges muslims face as they reconcile their intense and demanding faith with our chaotic and permissive society are recognizable to all of us from west virginia to northern idaho american islam takes readers into muslim homes mosques and private gatherings to introduce a population of striking variety the central characters range from a charismatic black imam schooled in the militancy of the nation of islam to the daughter of an indian immigrant family whose feminist views divided her father s mosque in west virginia here are lives in conflict reflecting in different ways the turmoil affecting the religion worldwide an intricate mixture of ideologies and cultures american muslims include immigrants and native born black and white converts those who are well integrated into the larger society and those who are alienated and extreme in their political views even as many american muslims succeed in material terms and enrich our society islam is enmeshed in controversy in the united states as thousands of american muslims have been investigated and interrogated in the wake of 9 11 american islam is an intimate and vivid group portrait of american muslims in a time of turmoil and promise with ca 120 articles from ca 100 writers from ca 20 countries this publication forms a repository where students and scholars can readily get to know their way around the breadth of recent research on the historical jesus lethal spots vital secrets provides an ethnographic study of varmakalai or the art of the vital spots a south indian esoteric tradition that combines medical practice and martial arts although siddha medicine is officially part of the indian government s medically pluralistic health care system very little of a reliable nature has been written about it drawing on a diverse array of materials including tamil manuscripts interviews with practitioners and his own personal experience as an apprentice sieler traces the practices of varmakalai both in different religious traditions such as yoga and ayurveda and within various combat practices his argument is based on in depth ethnographic research in

the southernmost region of india where hereditary medico martial practitioners learn their occupation from relatives or skilled gurus through an esoteric spiritual education system rituals of secrecy and apprenticeship in varmakalai are among the important focal points of sieler s study practitioners protect their esoteric knowledge but they also engage in a kind of lure and withdrawal a performance of secrecy because secrecy functions as what might be called symbolic capital sieler argues that varmakalai is above all a matter of texts in practice knowledge transmission between teacher and student conveys tacit non verbal knowledge and constitutes a moral economy it is not merely plain facts that are communicated but also moral obligations ethical conduct and tacit bodily knowledge lethal spots vital secrets is an insightful analysis of practices rarely discussed in scholarly circles it will be a valuable resource to students of religion medical anthropologists historians of medicine indologists and martial arts and performance studies this book addresses the growing importance of trade secrets in today s society and business and the related increase in litigation media and scholarly attention using the new eu trade secrets directive as a prism through which to discuss the complex legal issues involved written by a team of international experts it discusses and analyses national implementation of the directive and explores the effects of the new regime on contentious issues and crucial sectors such as big data and ai

Secrets to Divine Manifestations 2010-08 there is a dreamer in every soul he knows the mind of god concerning our lives he is the hand of god that writes our lives stories what is your life story do you know the script you ought to play there is a story teller in your heart he whispers at night in your deep sleep he will tell you the secret to the dream of your life can you see him while you are awake can you hear him in your intuition he walks in your soul day and night he never ceases to ask you the same question where is the soul i have been sent to help in secrets to divine manifestations alain yaovi m dagba guides the reader in a spiritual adventure that leads to self awareness he emphasized that to be aware of our self is to be aware of the presence of god in us and fully accept our true divine identity he shows in his writing that by simply uncovering what we really are we are able to overcome anything any form of evil even the most predicted threatening events of our time his teachings are centered on the belief that by learning to easily tap into the life of our divine nature we can change our consciousness thus positively affect the vibration of our planet while reaching perfect peace and happiness in this noble adventure of discovering the divinity in the core of our being we come to know our individual life purpose and are healed from our past wounds in a word we are born anew to become a fragrance of hope for our loved ones and those around us

Studies in Accounting 2014-02-05 this volume brings together noteworthy articles in accounting some of the pieces existed in journals but many were commissioned specifically for this volume they fill gaps in the usual text books gaps that are particularly glaring where concepts are at issue among other things the articles cover depreciation dividend law social accounting value and income inflation

The Secrets of the Bulletproof Spirit 2009-02-24 when life deals you a particularly difficult blow or a staggering loss how do you handle it if you re like most you might think why me struggle to find your way or lash out at those around you but there are a select few who seem emotionally hardier who are able to face life s physical emotional and financial hits undeterred and perhaps even forge ahead empowered in the face of adversity these people aren t more deserving or luckier than the rest of us they simply think differently they are connected

with their steady inner self and find strength where others might see meaninglessness they make life affirming choices instead of defeatist ones in short they are spiritually bulletproof they face as many of life s slings and arrows as the rest of us but they don t succumb to hardship or misfortune and you can be one of them in the secrets of the bulletproof spirit renowned peace activist azim khamisa and inspirational speaker jillian quinn reveal the thirty essential keys to emotional and spiritual resiliency based upon their own experiences with heart wrenching loss the strategies they present may seem simple but their advice can open up a whole new way of thinking khamisa and quinn will help you discover that your thoughts help to create your reality and that you can use them to take control of your life the potentially damaging mental routines you re running on autopilot the vital connections between your upbringing and your resiliency quotient spiritually affirming thoughts that may help you make more spiritually empowering choices what lies within you really is more powerful than any hit you may take physically emotionally or materially the authors write with their help readers will find themselves more confident and secure in a volatile and uncertain world when you learn to identify most strongly with that invincible core your bulletproof spirit you tap into the truest source of security available to you and while there s no foolproof way to stay out of the proverbial line of fire the information inspiration and tools in this book will provide you with an emotional bulletproof vest a way to take hits and come out on top from the hardcover edition

Digital Sound Studies 2018-10-26 the digital turn has created new opportunities for scholars across disciplines to use sound in their scholarship this volume s contributors provide a blueprint for making sound central to research teaching and dissemination they show how digital sound studies has the potential to transform silent text centric cultures of communication in the humanities into rich multisensory experiences that are more inclusive of diverse knowledges and abilities drawing on multiple disciplines including rhetoric and composition performance studies anthropology history and information science the contributors to digital sound studies bring digital humanities and sound studies into productive conversation while probing the assumptions behind the use of digital tools and technologies in academic life in so doing they explore how sonic experience might transform our scholarly networks writing processes research methodologies pedagogies and knowledges of the archive as they demonstrate incorporating sound into scholarship is thus not only feasible but urgently necessary contributors myron m beasley regina n bradley steph ceraso tanya clement rebecca dowd geoffroy schwinden w f umi hsu michael j kramer mary caton lingold darren mueller richard cullen rath liana m silva jonathan sterne jennifer stoever jonathan w stone joanna swafford aaron trammell whitney trettien

Resources in Education 1984 for the 150th anniversary of the emancipation proclamation here is a collection of writings that charts our nation s long heroic confrontation with its most poisonous evil it s an inspiring moral and political struggle whose evolution parallels the

story of america itself to advance their cause the opponents of slavery employed every available literary form fiction and poetry essay and autobiography sermons pamphlets speeches hymns plays even children s literature this is the first anthology to take the full measure of a body of writing that spans nearly two centuries and exceptionally for its time embraced writers black and white male and female benjamin franklin thomas paine phillis wheatley and olaudah equiano offer original even revolutionary eighteenth century responses to slavery with the nineteenth century an already diverse movement becomes even more varied the impassioned rhetoric of frederick douglass and william lloyd garrison joins the fiction of harriet becher stowe louisa may alcott and william wells brown memoirs of former slaves stand alongside protest poems by john greenleaf whittier henry wadsworth longfellow and lydia sigourney anonymous editorials complement speeches by statesmen such as charles sumner and abraham lincoln features helpful notes a chronology of the antislavery movement and a16 page color insert of illustrations

American Antislavery Writings: Colonial Beginnings to Emancipation 2012-11-08 russian officials claim today that the ussr never possessed an offensive biological weapons program in fact the soviet government spent billions of rubles and hard currency to fund a hugely expensive weapons program that added nothing to the country s security this history is the first attempt to understand the broad scope of the ussr s offensive biological weapons research its inception in the 1920s its growth between 1970 and 1990 and its possible remnants in present day russia we learn that the u s and u k governments never obtained clear evidence of the program s closure from 1990 to the present day raising the critical question whether the means for waging biological warfare could be resurrected in russia in the future based on interviews with important soviet scientists and managers papers from the soviet central committee and u s and u k declassified documents this book peels back layers of lies to reveal how and why soviet leaders decided to develop biological weapons the scientific resources they dedicated to this task and the multitude of research institutes that applied themselves to its fulfillment we learn that biopreparat an ostensibly civilian organization was established to

manage a top secret program code named ferment whose objective was to apply genetic engineering to develop strains of pathogenic agents that had never existed in nature leitenberg and zilinskas consider the performance of the u s intelligence community in discovering and assessing these activities and they examine in detail the crucial years 1985 to 1992 when mikhail gorbachev s attempts to put an end to the program were thwarted as they were under yeltsin

The Soviet Biological Weapons Program 2012-07-25 history is written by the winners and the powerful but how much of it is fiction and who is really in control today from the dawn of civilization to the 21st century from ancient aliens to the new world order secret history conspiracies from ancient aliens to the new world order examines explores and uncovers the hidden overlooked and buried history of mankind the book moves from biblical egyptian mayan greek and early mysteries of antiquity to the clandestine doings of the nazis and the masons and assassination plots of the more recent past to the surveillance monitoring mind control and secret schemes of today researcher nick redfern investigates the stories mythologies lore behind incredible events and clandestine groups of yesterday and today more than 60 entries dig deep into the manipulation of events by influential groups including historical riddles alien visitations space gods and human alien crossbreeding government cover ups mind control murders scientists and secret agents powerful groups and intended consequences 9 11 new world order bird flu and chemtrails tracing the chilling and lasting effects of conspiracies cabals and plots secret history conspiracies from ancient aliens to the new world order exposes their deep reach in shaping today s world

The Historical Study of Maharaja Ranjit Singh's Times 1994 some of the greatest works in english literature were first published without their authors names why did so many authors want to be anonymous and what was it like to read their books without knowing for certain who had written them in anonymity john mullan gives a fascinating and original history of hidden identity in english literature from the sixteenth century to today he explores how the disguises of writers were first used and eventually penetrated how anonymity teased readers

and bamboozled critics and how when book reviews were also anonymous reviewers played tricks of their own in return today we have forgotten that the first readers of gulliver s travels and sense and sensibility had to guess who their authors might be and that writers like sir walter scott and charlotte brontë went to elaborate lengths to keep secret their authorship of the best selling books of their times but in fact anonymity is everywhere in english literature spenser donne marvell defoe swift fanny burney austen byron thackeray lewis carroll tennyson george eliot sylvia plath and doris lessing all hid their names with great lucidity and wit anonymity tells the stories of these and many other writers providing a fast paced entertaining and informative tour through the history of english literature

Bulletin - Bureau of Education 1918 highly recommended for general readers or professionals seeking to understand the origins of many current educational theories and practices choice this book one of john locke s major works is primarily about moral education its role in creating a responsible adult and the importance of virtue as a transmitter of culture however locke s detailed and comprehensive guide also ranges over such practical topics as the effectiveness of physical punishment how best to teach foreign languages table manners and varieties of crying

Bulletin 1918 can you keep a secret maybe you can but the united states government cannot since the birth of the country nations large and small from russia and china to ghana and ecuador have stolen the most precious secrets of the united states written by michael sulick former director of cia s clandestine service spying in america presents a history of more than thirty espionage cases inside the united states these cases include americans who spied against their country spies from both the union and confederacy during the civil war and foreign agents who ran operations on american soil some of the stories are familiar such as those of benedict arnold and julius rosenberg while others though less well known are equally fascinating from the american revolution through the civil war and two world wars to the atomic age of the manhattan project sulick details the lives of those who have betrayed america s secrets in each case he focuses on the motivations that drove these individuals to

spy their access and the secrets they betrayed their tradecraft or techniques for concealing their espionage their exposure and punishment and the damage they ultimately inflicted on america s national security spying in america serves as the perfect introduction to the early history of espionage in america sulick s unique experience as a senior intelligence officer is evident as he skillfully guides the reader through these cases of intrigue deftly illustrating the evolution of american awareness about espionage and the fitful development of american counterespionage leading up to the cold war

Secret History 2015-04-20 rapt in secret studies emerging shakespeare is a collection of new essays in shakespeare studies from a generation of scholars presently emerging out of australia and new zealand these 18 essays respond in a myriad of ways to the challenge of prospero s phrase from the tempest in which he tells his daughter miranda that in his life before the island he had been rapt in secret studies to an early modern audience these words were likely to mean much more than a predilection for the black arts as modern audiences tend to hear in them each of the key words used by prospero evoked a range of meanings in early modern times to which the emerging scholars represented in this collection responded by imagining new pathways in shakespeare studies a field of study that has in recent times risked being marginalised even within the traditional liberal arts the secret studies of which prospero speaks are in fact more liberal than dark and so the response by new scholars to a challenge issued by one of shakespeare s characters more than four centuries ago has a renewed sense of relevance in the academy today the essays are divided into three sections each of which is oriented toward meanings that are specifically associated with one of the key terms in prospero s phrase the rapt section has essays concerned with excess in its various forms jealousy obsession sex violence and even death as well as with travel and its impact on ways of knowing about the world in the secret section the nature of things about which the early modern could scarcely speak are taken into consideration with essays on prevailing early modern myths infidelities stillborn children contagion and the instruments of secrecy such as gossip and spies finally in the study section essays cover issues related both to early modern

textual practice the use of historical source materials in shakespeare s writing questions of multiple authorship and the issue of early modern style and kinds of drama and to more modern scholarly practice such as the role of shakespeare in the new bibliography and the new historicism

Anonymity 2007 do you find it difficult to stick to a budget do you hide purchases from your partner do you often argue about money with your family one of the most important relationships we have is with money yet we are often unaware of what drives our habits and feelings related to it money can be a cause of anxiety shame and conflict in our everyday lives a complex web of emotional factors past experiences and personality all determine the money choices you make and how you feel about them but how can you overcome these emotional hurdles to make better financial choices financial psychotherapist vicky reynal dives into different money behaviours such as overspending underspending money secrets and self sabotage to uncover how our past experiences impact our relationship with money reynal reveals how an emotionally absent parent can result in comfort shopping how bullying in school can lead to overspending and how absorbing a parent s lack of boundaries can stop you from making rational financial decisions through a mix of case studies client stories and expertise in psychotherapy money on your mind will help you unpack and understand what is driving your financial behaviours for an improved and healthier relationship with money

Some Thoughts Concerning Education 1892 why has the war on cancer languished focusing mainly on finding and treating the disease and downplaying the need to control and combat cancer s basic causes tobacco the workplace radiation and the general environment this war has targeted the wrong enemies with the wrong weapons failing to address well known cancer causes as epidemiologist devra davis shows in this superbly researched expose this is no accident the war on cancer has followed the commercial interests of industries that generated a host of cancer causing materials and products this is the gripping story of a major public health effort diverted and distorted for private gain that is being reclaimed through efforts to green health care and the environment

The Budget of the United States Government 1957 menahem mendel schneerson 1902 1994 was the seventh and seemingly last rebbe of the habad lubavitch dynasty marked by conflicting tendencies schneerson was a radical messianic visionary who promoted a conservative political agenda a reclusive contemplative who built a hasidic sect into an international movement and a man dedicated to the exposition of mysteries who nevertheless harbored many secrets schneerson astutely masked views that might be deemed heterodox by the canons of orthodoxy while engineering a fundamentalist ideology that could subvert traditional gender hierarchy the halakhic distinction between permissible and forbidden and the social anthropological division between jew and gentile while most literature on the rebbe focuses on whether or not he identified with the role of messiah elliot r wolfson a leading scholar of jewish mysticism and the phenomenology of religious experience concentrates instead on schneerson s apocalyptic sensibility and his promotion of a mystical consciousness that undermines all discrimination for schneerson the ploy of secrecy is crucial to the dissemination of the messianic secret to be enlightened messianically is to be delivered from all conceptual limitations even the very notion of becoming emancipated from limitation the ultimate liberation or true and complete redemption fuses the believer into an infinite essence beyond all duality even the duality of being emancipated and not emancipated an emancipation in other words that emancipates one from the bind of emancipation at its deepest level schneerson s eschatological orientation discerned that a spiritual master if he be true must dispose of the mask of mastery situating habad s thought within the evolution of kabbalistic mysticism the history of western philosophy and mahayana buddhism wolfson articulates schneerson s rich theology and profound philosophy concentrating on the nature of apophatic embodiment semiotic materiality hypernomian transvaluation nondifferentiated alterity and atemporal temporality

Spying in America 2014-01-15 omar khayyam s secret hermeneutics of the robaiyat in quantum sociological imagination is a twelve book series of which this book is the second volume subtitled khayyami millennium reporting the discovery and the reconfirmation of the true dates of birth and passing of omar khayyam ad 1021 1123 each book is independently readable although

it will be best understood as a part of the whole series in the overall series the transdisciplinary sociologist mohammad h tamdgidi shares the results of his decades long research on omar khayyam the enigmatic 11th 12th centuries persian muslim sage philosopher astronomer mathematician physician writer and poet from neyshabour iran whose life and works still remain behind a veil of deep mystery tamdgidi s purpose has been to find definitive answers to the many puzzles still surrounding khayyam especially regarding the existence nature and purpose of the robaiyat in his life and works to explore the questions posed he advances a new hermeneutic method of textual analysis informed by what he calls the quantum sociological imagination to gather and study all the attributed philosophical religious scientific and literary writings of khayyam in this second book of the series tamdgidi lays down an essential foundation for the series by revisiting the unresolved questions surrounding the dates of birth and passing of omar khayyam critically reexamining the manner in which omar khayyam s birth horoscope as reported in zahireddin abolhassan beyhaqi s tatemmat sewan al hekmat supplement to the chest of wisdom was used by swāmi govinda tīrtha in his the nectar of grace omar khayyam s life and works 1941 to determine khayyam s birth date tamdgidi uncovers a number of serious internal inconsistencies and factual inaccuracies that prevented tīrtha and since then other scholars more or less taking for granted his results from arriving at a reliable date for khayyam s birth hurling khayyami studies into decades of confusion regarding khayyam s life and works tamdgidi then shares in the book the detailed account of his own discovery of khayyam s true date of birth for the first time a finding that eluded khayyami studies for centuries and is bound to revolutionize the studies for decades to come tamdgidi then turns his attention to the task of definitively establishing the true date of passing of omar khayyam conducting an in depth superposed analysis of beyhaqi s tatemmat sewan el hekmat supplement to the chest of wisdom abdorrahman khazeni s mizan ol hekmat balance of wisdom nezami arouzi s chahar maqaleh four discourses and yar ahmad rashidi tabrizi s tarabkhaneh house of joy amid other relevant texts he succeeds in firmly reconfirming and further discovering in a textually reliable way not only the year the season the month and the day but

even the most likely time of day at which the poet mathematician astronomer and calender reformer died as a solar centenarian completing his 102nd solar year age strange is that these discoveries are made just in time as we approach the first solar millennium of omar khayyam s birth date on june 10 1021 at sunrise of neyshabour iran and the ninth solar centennial of his passing on june 10 1123 on the eve also of his birthday closing the circle of his life s coming and going contents about okcir i published to date in the series ii about this book iv about the author viii notes on transliteration xix acknowledgments xxi preface to book 2 recap from prior book of the series 1 introduction to book 2 the dilemma and significance of omar khayyam s dates of birth and passing 11 chapter i contributions inconsistencies and inaccuracies of swāmī govinda tirtha s findings regarding omar khayyam s dates of birth and passing 27 chapter ii in search of the correct gemini degree the story of how omar khayyam s true date of birth was discovered shortly before its imminent millennium 63 chapter iii in search of omar khayyam s true date of passing superposing the birth date findings with beyhaqi s tatemmat sewan el hekmat and khazeni s mizan ol hekmat 133 chapter iv searching more for omar khayyam s true date of passing superposing the birth date findings with present and older manuscript copies of nezami arouzi s chahar maqaleh 171 chapter v omar khayyam s true date of passing discovered and reconfirmed superposing the birth date findings with all tarabkhaneh chahar maqaleh and tatemmat sewan el hekmat accounts 201 conclusion to book 2 summary of findings 255 appendix transliteration system and book 2 glossary 267 book 2 cumulative glossary of transliterations 280 book 2 references 287 book 2 index 291

Open Secret 2012 hasidic groups have myriad customs while ordinary jewish law halakhah denotes the bar of holiness mandated for the ordinary jew these customs represent the higher threshold expected of hasidim intended to justify their title as hasidim pious how did the hasidic masters perceive the enactment of these new norms at a time in which the halakhah had already been solidified how did they explain the normative power of these customs over communities and individuals and how did they justify customs that diverged from the positive halakhah this book analyzes the answers given by nineteenth century hasidic authors it then examines a test case kedushah holiness or sexual abstinence among married men a particularly restrictive norm enacted by several twentieth century hasidic groups through the use of theoretical tools and

historical contextualization the book elucidates the normative circles of hasidic life their religious and social sources and their interrelations

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 2: Khayyami Millennium 2021-06-01 in the secret origins of comics studies today s leading comics scholars turn back a page to reveal the founding figures dedicated to understanding comics art edited by comics scholars matthew j smith and randy duncan this collection provides an in depth study of the individuals and institutions that have created and shaped the field of comics studies over the past 75 years from coulton waugh to wolfgang fuchs these influential historians educators and theorists produced the foundational work and built the institutions that inspired the recent surge in scholarly work in this dynamic interdisciplinary field sometimes scorned often underappreciated these visionaries established a path followed by subsequent generations of scholars in literary studies communication art history the social sciences and more giving not only credit where credit is due this volume both offers an authoritative account of the history of comics studies and also helps move the field forward by being a valuable resource for creating graduate student reading lists and the first stop for anyone writing a comics related literature review

Help Yourself to Happiness 1942 an analysis of the current february 2009 status and future potential of india s nuclear fuel cycle is presented in this book such a fuel cycle assessment is important but relatively opaque because india regards various aspects of its nuclear fuel cycle as strategically sensitive any study therefore necessarily depends upon reverse calculations based on the information that is available expert assessments engineering judgment and anecdotal information in this work every effort is made to provide transparency to these foundations so that changes can be made in light of alternative expectations or subsequent information this book should be of interest to policy experts governmental specialists technologists nuclear technologists and others seeking to understand and explain the associated facts and potential consequences of the recent u s india civil nuclear accord table of contents introduction a brief history of the indian nuclear program indian nuclear

facilities fuel cycle analysis from beginning to present day fuel cycle analysis future projections alternate reactor systems conclusions acknowledgements

Super Searchers Make it on Their Own 2002 when the united states established diplomatic ties with the soviet union in 1933 it did more than normalize relations with the new bolshevik state it opened the door to a parade of russian spies in the 1930s and 1940s soviet engineers and technicians under the guise of international cooperation reaped a rich harvest of intelligence from our industrial plants factory layouts aircraft blueprints fuel formulas all were grist for the soviet espionage mill and that as katherine sibley shows was just the beginning while most historians date the onset of the cold war with american fears of soviet global domination after world war ii sibley shows that it actually began during the war itself the uncovering of atomic espionage in 1943 in particular not only led to increased surveillance of our ostensible russian allies but also underscored a growing distrust of the soviet union that would eventually morph into full blown hostility meticulously documented through exhaustive new research in american and soviet archives sibley s book provides the most detailed study of soviet military industrial espionage to date revealing that the united states knew much more about soviet operations than previously acknowledged she tells of spies like steve nelson and clarence hiskey who passed on information about the manhattan project moles within the federal government like nathan silvermaster and soviet agents like andrei schevchenko who pressed defense workers to divulge high tech secrets at the same time as sibley shows hundreds of other red agents went completely undetected it was only through the revelations of defectors and the postwar cracking of soviet codes that we began to fully understand these breaches in our national security sibley describes how our response to this wartime espionage shaped a generation of red baiting triggering loyalty programs blacklists and the infamous huac hearings and how it has clouded u s russian relations down to the present day she also reviews recent cases john walker jr aldrich ames robert hanssen that demonstrate how russian efforts to gain american secrets continues well into our present times for cold war watchers and spy aficionados alike sibley s work spells out what we actually knew

about communist espionage and suggests how and why that knowledge should also shape our understanding of intelligence in the age of terrorism

Safety Professional's Reference and Study Guide, Third Edition 2020-03-19 readable and concise yet immensely informative this bestselling text prepares students and new therapists to work confidently and effectively in real world clinical practice with families the authors offer wise and compassionate guidance on everything from intake and assessment to treatment planning the nuts and bolts of specific interventions the nuances of establishing therapeutic relationships and how to troubleshoot when treatment gets stuck they help the novice clinician navigate typical dilemmas and concerns and spell out the basics of therapist self care vivid case examples sample forms and quick reference tables enhance the utility of the text new to this edition updated throughout to reflect current clinical findings and practices many new or revised case examples now more integrative shows how to flexibly draw on multiple theories and techniques new topics including dealing with clients we dislike see also the authors essential assessment skills for couple and family therapists which shows how to weave assessment into all phases of therapy and clinician s guide to research methods in family therapy

International Business 2023-03-14 kathleen gallagher and barry freeman bring together nineteen playwrights actors directors scholars and educators who discuss the role that theatre can and must play in professional community and educational venues

Holiness and Law 2024-06-04 vivid dramatic portraits of muslims in america in the years after 9 11 as they define themselves in a religious subculture torn between moderation and extremism there are as many as six million muslims in the united states today islam together with christianity and judaism is now an american faith and the challenges muslims face as they reconcile their intense and demanding faith with our chaotic and permissive society are recognizable to all of us from west virginia to northern idaho american islam takes readers into muslim homes mosques and private gatherings to introduce a population of striking variety the central characters range from a charismatic black imam schooled in the militancy of the nation of islam to the daughter of an indian immigrant family whose feminist views divided her

father s mosque in west virginia here are lives in conflict reflecting in different ways the turmoil affecting the religion worldwide an intricate mixture of ideologies and cultures american muslims include immigrants and native born black and white converts those who are well integrated into the larger society and those who are alienated and extreme in their political views even as many american muslims succeed in material terms and enrich our society islam is enmeshed in controversy in the united states as thousands of american muslims have been investigated and interrogated in the wake of 9 11 american islam is an intimate and vivid group portrait of american muslims in a time of turmoil and promise

Studies in Accounting 1977 with ca 120 articles from ca 100 writers from ca 20 countries this publication forms a repository where students and scholars can readily get to know their way around the breadth of recent research on the historical jesus

FCS: Office Practice L2 2007 lethal spots vital secrets provides an ethnographic study of varmakalai or the art of the vital spots a south indian esoteric tradition that combines medical practice and martial arts although siddha medicine is officially part of the indian government s medically pluralistic health care system very little of a reliable nature has been written about it drawing on a diverse array of materials including tamil manuscripts interviews with practitioners and his own personal experience as an apprentice sieler traces the practices of varmakalai both in different religious traditions such as yoga and ayurveda and within various combat practices his argument is based on in depth ethnographic research in the southernmost region of india where hereditary medico martial practitioners learn their occupation from relatives or skilled gurus through an esoteric spiritual education system rituals of secrecy and apprenticeship in varmakalai are among the important focal points of sieler s study practitioners protect their esoteric knowledge but they also engage in a kind of lure and withdrawal a performance of secrecy because secrecy functions as what might be called symbolic capital sieler argues that varmakalai is above all a matter of texts in practice knowledge transmission between teacher and student conveys tacit non verbal knowledge and constitutes a moral economy it is not merely plain facts that are communicated but also

moral obligations ethical conduct and tacit bodily knowledge lethal spots vital secrets is an insightful analysis of practices rarely discussed in scholarly circles it will be a valuable resource to students of religion medical anthropologists historians of medicine indologists and martial arts and performance studies

Masters of the Situation; Or, Some Secrets of Success and Power ... 1888 this book addresses the growing importance of trade secrets in today s society and business and the related increase in litigation media and scholarly attention using the new eu trade secrets directive as a prism through which to discuss the complex legal issues involved written by a team of international experts it discusses and analyses national implementation of the directive and explores the effects of the new regime on contentious issues and crucial sectors such as big data and ai
