Surfing for God 2016-03-22

discover how the barrier built by porn addiction can become a bridge to abundant life using personal examples scriptural illustrations and 20 years of counseling experience cusick will help you understand how to break free from the prison of sexual addiction what if lust for porn is really a search for true passion in a world where there are 68 million searches for pornography every day and where over 70 percent of christian men report viewing porn in the last year it s no surprise that more and more men struggle with an addiction to this false fantasy common wisdom says if they just had more willpower or more faith their fight would be over but is the answer really that simple according to counselor and ministry leader michael john cusick the answer is no but the big truth may be much more freeing backed by scripture cusick uses examples from his own life and from his twenty years

of counseling experience to show us how the pursuit of empty pleasure is really a search for our heart s deepest desire and the real key to resistance is discovering and embracing the joy we truly want cusick discusses the origins of sexual addiction the need for affirmation and the heart that aches for god while falling into relapse handling a difficult topic with grace mercy and honesty cusick s insights will help you understand how porn struggles begin what to do to prevent those struggles how to overcome compulsions once they begin an essential resource centered on the sustaining love of christ this book will help guide anyone battling sex addiction or those in ministry seeking to provide encouragement to those struggling

james bond s amazing gadgets reveal both enthusiasm about technology and fear of its potential ramifications

the popularity of the 007 franchise depends on a seductive formula of sex violence and snobbery much of its appeal too lies in its gadgets slick somewhat improbable technological devices that give everyone's favorite secret agent the edge over his adversaries in equipping james bond andré millard chronicles a hundred year history of espionage technology through the lens of ian fleming's infamous character and his ingenious spyware beginning with the creation of mi6 the british secret service millard traces the development of espionage technology from the advanced weaponry of the nineteenth century to the evolving threat of computer hacking and surveillance arguing that the gadgets in the books and films articulate the leading edge of technological awareness at the time millard describes how bond goes from protecting 1950s england from criminal activity to saving a world threatened by nuclear bombs poison gas and attacks from space as a modern and modernizing hero bond has to keep up with the times his film franchise is committed to equipping both bond and his adversaries with the latest technological gadgets simultaneously millard stresses the villains and threats that bond faces embody contemporary fears about the downside of technological change taking a wide ranging look at factual and fictional technology millard views the james bond universe as evidence for popular perceptions of technological development as both inevitably progressive and apocalyptically threatening

Architectural Digest 2002

fashioning james bond is the first book to study the costumes and fashions of the james bond movie franchise from sean connery in 1962 s dr no to daniel craig in spectre 2015 llewella chapman draws on original archival research close analysis of the costumes and fashion brands featured in the bond films interviews with families of tailors and shirt makers who assisted in creating the look of james bond and considers marketing strategies for the films and tie in merchandise that promoted the idea of an aspirational james bond lifestyle addressing each bond film in turn chapman questions why costumes are an important tool for analysing and evaluating film both in terms of the development of gender and identity in the james bond film franchise in relation to character and how it evokes the desire in audiences to become part of a specific lifestyle construct through the wearing of fashions as seen on screen she researches the agency of the costume department director producer and actor in creating the look and characterisation of james bond the villains the bond girls and the henchmen who inhabit the world of 007 alongside this she analyses trends and their impact on the bond films how the different costume designers have individually and creatively approached costuming them and how the costumes were designed and developed from novel to script and screen in doing so this book contributes to the emerging critical literature surrounding the combined areas of film fashion gender and james bond
