soon to be a major motion picture kill the messenger tells the story of the tragic death of gary webb the controversial newspaper reporter who committed suicide in december 2004 webb is the former san jose mercury news reporter whose 1996 dark alliance series on the so called cia crack cocaine connection created a firestorm of controversy and led to his resignation from the paper amid escalating attacks on his work by the mainstream media author and investigative journalist nick schou published numerous articles on the controversy and was the only reporter to significantly advance webb s stories drawing on exhaustive research and highly personal interviews with webb s family colleagues supporters and critics this book argues convincingly that webb s editors betrayed him despite mounting evidence that his stories were correct kill the messenger examines the dark alliance controversy what it says about the current state of journalism in america and how it led webb to ultimately take his own life webb s widow susan bell remains an ardent defender of her ex husband by combining her story with a probing examination of the one of the most important media scandals in recent memory this book provides a gripping view of one of the greatest tragedies in the annals of investigative journalism

## ***The Holy Bible***

1885

university faculty members describe their collaborative projects with other faculty members rsearchers graduate students professional educators and other stakeholders in the educational enterprise through descriptions of several collaborative projects the chapters explore some of the less explicitly articulated aspects of collaborative ventures the authors use a variety of conceptual frameworks derived from a number of disciplines including education and business to deconstruct collaboration and to further understand its elements issues dynamics and problematics by confronting the challenges of building genuine and effective collaborative partnerships across institutions and cultures and by examining how the personal and the professional intertwine within the process the book extends and deepens the dialogue about such partnerships collaboration is presented as a deeply personal and professionally challenging enterprise that offers satisfaction and enrichment

when it is undertaken with eyes and minds wide open
