lee gerlach s selected poems is a rigorous culling from the life s work of a remarkable and prolific poet written over a period of fifty years the poetry of lee gerlach is a full spectrum of human expression

youre not crazy its your mother understanding and healing for daughters of narcissistic mothers

daughters of narcissistic mothers 1 (Download Only)

vision and experience it reflects a wisdom and maturity of character that has been constant during the entire span of gerlach s writing career this selection chosen by the poet is the retrospective of a true twentieth century american original as joseph brodsky the nobel laureate for literature said about lee gerlach s work this poetry is of tremendously high concentration and lucidity each one of gerlach s poems constitutes as it were an autonomous self contained world a sort of biosphere or spacecraft if you will fully equipped for a long passage through the cosmos it is a world indeed that every poet would love to create i for one certainly would and that every reader would love to inhabit lee gerlach is the author of several collections of poetry his work has appeared in numerous anthologies and journals including the paris review partisan review and poetry he lives in san diego

Sills

2000

sills assembles poems from four books and combines them with new work o brien writes the poems dance their dance of stillness and motion the issue is a quiet patterned music animated disciplined ecstatic not closure but recognition no other poet now writing registers the world with o brien s oblique precision sills is our first comprehensive look at an american master august kleinzahler michael o brien is the author of five previous books of poetry including veil and the floor and the breath he lives in new york city selected poems sunday the wind pressed against the glass the light upon the page was morning carried the river back where it came from across the island another shore the shards are broken they will not join meeting of rivers troubles the water it does not know which way to turn here the river has two currents one the tide s share one that waits evening resolves them they flow south the moon touches the river s mouth another sunday a durable blanket covers the city the dogs speak french we know the same number of words moira s toys are a doll a school satchel in the caf a disease of mirrors he plays pinball talks to his girl is it winter coming or spring the elegant cop salutes methu bus goes to the pantheon the deaf speak french with their hands postcard somewhere in the hudson valley a gull is looking at a cow a sullen wetness smoulders the silo would like to lie down out of its kitchen ethical as dough simmering like the original amateur hour spring some man band lurches across the sodden lion colored turf quarry so much eyelid in a girl s downcast gaze washington square powdery with dusk cicada song of the nervous system crossing the day s vacant places 37 floors of parallel lives little bell of the coffee cart landowska s harpsichord a clatter of wings dune grass another part of the dark the speck of perception that ignites in all that weather heron march lord breath

New Selected Poems

2007

more than twenty five years after the appearance of his first selected poems we at last have a magnificent new gathering of mark strand s work one that spans and celebrates his entire remarkable career to date from sleeping with one eye open 1964 through the wonderful middle work that included the continuous life 1990 and crowned by the pulitzer prize winning blizzard of one 1998 and his most recent collection man and camel 2006 this book makes a crucial selection of strand s always beautiful and by turns humorous and melancholy poems over the decades strand s identity as a poet has remained firm he is existential playful mysterious a poet of simple words and sentences that somehow add up to powerful universal experiences with his incantatory language and radiant commanding imagery he creates mythic scenes and vistas that however otherworldly are ultimately of this earth their underlying subject the pain and pleasure of being mortal here is an essential compilation from one of the most beloved and honored american poets at work today without which no modern poetry collection is complete

Selected Poems [of] Hugh MacDiarmid

1970

In this new selection from the poetry of Lawrence Durrell the first for thirty years Peter Porter has drawn on the full range of the published work from a private country 1943 to Vega 1973 and has provided a long overdue reevaluation of Durrell's poetic career in his detailed and generous introduction. Porter makes the case for a private country as one of the most accomplished debut collections of the twentieth century and traces Durrell's preoccupations and poetic personality within the wider scene. The selection of poems makes its own strong case for the continuing power and originality of this attractive metropolitan and wholly individual body of work.

Selected Poems of Lawrence Durrell

2011-12-15

Ryan is a scrupulously observant poet with a gift for going for the jugular. His work is finely honed, provocative, questioning, and humane. Edward Hirsch, *Washington Post* book world, Michael Ryan's first collection in many years shows the acclaimed poet at the height of his powers, highlighting the wit and passion displayed throughout his career. Ryan's latest work comprises fifty-seven poems from three award-winning volumes and thirty-one new poems in both dramatic lyrics and complex narratives. Ryan renders the world with startling clarity, freshness, and intimacy. New and selected poems is filled with the stuff of everyday life and, as the *New York Times* book review said, it includes pain and fear but also surprise, joy, laughter, everything human. New and selected poems reminds us how much we have relied on this poet to forge a path for us in plain style. Carol Muske Dukes, *Los Angeles Times* book review. Ryan's poems have always felt as if they needed to be written; they seem to exist because of some pressure to respond, not because of a facility for language alone. This is a rare quality among poets; the commitment to it is as hard-won and real as any you are likely to find in poetry. David Rivard, *American Poetry Review*. Michael Ryan is the author of many acclaimed books, including three previous volumes of poetry. Among the honors for his work are the prestigious Kingsley Tufts Award, the Lenore Marshall Poetry Prize, a Whiting-Writers Award, and NEA and Guggenheim fellowships. Ryan is a professor of English and creative writing at the University of California at Irvine.

New and Selected Poems

2005

Amy Lowell (1874-1925), American poet and critic, was one of the most influential and best-known writers of her era. Within a thirteen-year period she produced six volumes of poetry, two volumes of criticism, a two-volume biography of John Keats, and countless articles and reviews that appeared in many popular periodicals. As a herald of the new poetry, Lowell saw herself and her kind of work as a part of a newly forged, diverse American people that registered its consciousness in different tonalities but all in a native idiom. She helped build the road leading to the later works of Allen Ginsberg, May Sarton, Sylvia Plath, and beyond. Except for the few poems that invariably appear in American literature anthologies, most of her writings are out of print. This will be the first volume of her work to appear in decades, and the depth, range, and surprising sensuality of her poems will be a revelation. The poetry is organized according to Lowell's characteristic forms, from traditional to experimental. In each section, the works appear in chronological order. Section one contains sonnets and other traditional verse forms; the next section covers her translations and adaptations of Chinese and Japanese poetry, whereby she beautifully renders the spirit of these works. Also included here are several of Lowell's own Asian-influenced poems. Lowell's free or cadenced verse appears in the third part; the last section provides

dunstan thompson was an american poet of great promise who burst onto the anglo american literary scene during world war ii in the words of one contemporary thompson was one of the rising stars of modern poetry a writer who might one day join the pantheon of poets like hart crane w h auden stephen spender and dylan thomas and yet thompson more or less disappeared from public view by the early 1950s after publishing two volumes of poetry a travel book and a novel thompson had only a few scattered magazine publications until his death a posthumous volume was privately printed in england but the circulation was small here at last is love selected poems is the definitive authorized selection of thompson s best work revealing to a wider public the literary vision of a lost master the introduction by editor gregory wolfe offers the first extended narrative in print relating thompson s complex personal story the afterword by distinguished poet and critic dana gioia provides a thorough and just assessment of his poetic achievement thompson s early poetry was not only technically innovative but saturated with the language and the drama of gay experience during world war ii yet just a few years after the war thompson returned to the catholic faith of his childhood only to find that his new poetic voice was out of sync with the times in spite of the difficulties he faced in his later years thompson did not give up writing poetry continuing to produce quality work after his reconversion the poetry shifted in tone and form from a lush romanticism to an urbane classicism the later work covers a wide range of subjects from studies of historical figures to devotional lyrics this volume will not only stir up the debate about thompson s sexual and religious passions but also help complete the history of twentieth century anglo american poetry finally making his work available to scholars and lovers of poetry everywhere
