year by year day by day experience history firsthand cover with beautifully descriptive illustrations this book covers in great detail a very distinct period of time and a turning point for the entire world a newspaper series unseen for over half a century comes vibrantly alive again frank thorne is one of the most respected and accomplished comic artists of his generation he began drawing comic in the 1950s and quickly established himself as a supremely competent draftsman and storyteller before he made a name for himself drawing red sonja for marvel comics before he appeared in heavy metal and playboy and even before he put in his time on flash gordon green hornet and perry mason a fresh out of art career school frank thorne worked on an historical strip called the illustrated history of union county spanning the entire history of a new jersey county important to the formation of these united states this book illustrates with the influence of harold foster prince valiant and alex raymond flash gordon scholarly episodes with a strong youthful vigor the proceeds from the sale of this book will go towards the restoration of an 18th century house in union county new jersey ancient art medieval and early renaissance art art in the sixteenth century baroque eastern art art in the age of revolutions romanticism

impressionism cubism impressionists art since 1915 hardcover reprint of the original 1857 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 no adjustments have been made to the original text giving readers the full antiquarian experience for quality purposes all text and images are printed as black and white this item is printed on demand book information nolan e h edward henry the illustrated history of the war against russia indiana repressed publishing llc 2012 original publishing nolan e h edward henry the illustrated history of the war against russia london j s virtue 1857 subject crimean war 1853 1856 illustrates life on the home front important battles war from the perspective of generals and soldiers the collapse of empires and glimpses of world war ii through photographs paintings cartoons and posters samurai an illustrated history brings the violent tumultuous and at the same time elegant world of the medieval japanese samurai to life this book of japanese history traces the story of a unique historical phenomenon a period of 700 years equivalent to the entire stretch of western history between the reigns of the crusader king richard the lionhearted and of queen victoria at the height of the british empire during which an enclosed civilization was dominated by a single warrior caste the historical narrative of samurai history is supported by explanations of samurai armor weapons fortifications tactics and customs and illustrated with nearly 800 fascinating color photographs maps and sketches including ancient scroll paintings and surviving suits of armor preserved for centuries in japanese shrines from

the 12th to the 19th centuries the history of japan was effectively the history of the samurai the class of professional fighting men at first they were no more than lowly soldiery employed by the court aristocracy of kyoto but the growing power of the provincial warrior clans soon enabled them to brush aside the executive power of the imperial court and to form their own parallel military government though individual dynasties came and went in cycles of vigor and decadence the dominance of the samurai as a class proved uniquely resilient this book tells this wonderful story of india capturing its amazing history mystical charm and unforgettable heroes in a series of exciting episodes the colourful pictures and crisp text makes it fun to read helping you find out more about our great and ancient country reproduction of the original an illustrated history of ireland from ad 400 to 1800 by mary frances cusack a thought provoking assessment and documentation of one of the most terrible periods in history the rise and fall of the nazi party an informative and richly illustrated portrait of the 19th century every important event from 1800 to 1900 is dealt with in both words and pictures political situations developments in science technology the arts including literature and music religion and philosophy exploration and journeys of discovery sport changes in society and everyday life the industrial revolution took place in the 19th century and brought about tremendous changes in people s lives this book also includes brief biographies of the men and women who played an important part in shaping the 19th century each decade has its own

introduction that gives a summary of that decade and the major events that occurred in it each decade is then examined year by year 700 illustrations publisher description in a history of south india first published in 1955 k a nilakanta sastri provided a comprehensive account of the history of south india tracing the history from prehistoric times to the fall of the kingdom of vijayanagar in 1565 ad the book incorporated the results of the author s own researches and brought together material previously scattered in separate studies to present a coherent narrative over the years the book has achieved a near classic status the illustrated history of south india an adapted and illustrated version of the original book aims to sensitize young readers to the country s historic past and rich cultural heritage and the need to preserve it key chapters discuss the coming of the aryaans the mauryan empire the rise of vijayanagar social and economic conditions literature religion and philosophy and the art and architecture of south india the volume includes an introduction by renowned historian r champakalakshmi written especially for this edition and a prologue by eminent historian p m rajan gurukkal interspersed with photographs and line drawings including maps and genealogical charts this illustrated edition will be invaluable for students and teachers of history in particular history of south india as well as general readers india which over the years has achieved a near classic status this illustrated edition provides a comprehensive account of the history of south india from the prehistoric times to the fall of the kingdom of vijayanagar in 1565 ad this volume includes a

new introduction by renowned historian r champakalakshmi and a prologue by eminent historian p m rajan gurukkal world war two re assessed for a new generation from the 1930s through to the beginnings of the cold war this book provides a stimulating and thought provoking new interpretation of one of the most terrible episodes in world history during the present century the term ulster has come to signify the six counties of present day northern ireland historic ulster however was one of the four provinces of ireland embracing in addition the counties of donegal cavan and monaghan this concise account traces the long and varied history of the region from the pre norman celtic period to the anglo irish agreement of 1986 the oxford illustrated history of the holy land covers the 3 000 years which saw the rise of judaism christianity and islam and relates the familiar stories of the sacred texts with the fruits of modern scholarship beginning with the origins of the people who became the israel of the bible it follows the course of the ensuing millennia down to the time when the ottoman empire succumbed to british and french rule at the end of the first world war parts of the story especially as known from the bible will be widely familiar less familiar are the ways in which modern research both from archaeology and from other ancient sources sometimes modify this story historically better understanding however enables us to appreciate crucial chapters in the story of the holy land such as how and why judaism developed in the way that it did from the earlier sovereign states of israel and judah and the historical

circumstances in which christianity emerged from its jewish cradle later parts of the story are vital not only for the history of islam and its relationships with the two older religions but also for the development of pilgrimage and religious tourism as well as the notions of sacred space and of holy books with which we are still familiar today sensitive to the concerns of those for whom the sacred books of judaism christianity and islam are of paramount religious authority the authors all try sympathetically to show how historical information from other sources as well as scholarly study of the texts themselves enriches our understanding of the history of the region and its prominent position in the world s cultural and intellectual history considers the various phases of the conflict in vietnam from french rule to the u s military role details special weapons and techniques used an illustrated history of the church is for anyone fascinated by history for anyone curious about the role of christianity throughout the centuries and for anyone who loves art this stunning book will present a new way to learn through two parallel pathways of reading and seeing of words and images together the author s lucid and engaging text and the 566 illustrations with explanatory captions provide not simply a history but a vivid multi dimensional experience of the church from early christian times to the present day this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see
