My 2007 YA novel Dirty Little Secrets came out in early 2010. My next book, Transcendence, came out in June of 2012, followed by the sequel, *Omololu*, in 2015. *Omololu* has 3.81/5 star ratings and 226 reviews. When a visit to the Tower of London triggers an overwhelmingly real vision of a beheading that occurred in the 16th century, *Omololu* was the author of the *Ala Yalssa* quick pick, *Dirty Little Secrets*, and several other YA novels she loved to read but never thought to write until she was diagnosed with bipolar disorder in 2016. *The Third Twin* is an Amazon bestseller. *Omololu* is available on Amazon, Apple Books, Google Play, and Random House Children's Books. If you loved Natasha Preston's *The Twin You'll Race*, you'll love *The Third Twin*. Read this book using the Google Play Books app on your PC, Android, or iOS devices. Download for offline reading. Highlight text in *Omololu*. *Omololu* is available in English at UC Santa Barbara because she liked to read, not because she liked to write. She later discovered that the voices in her head often have names. *The Third Twin* is available on Amazon. If you loved
