History of the Anglo-Saxons 1869

what happened to the reputation of the anglo saxons after the famous battle of hastings in 1066 how were they portrayed by historians politicians and artists over the centuries not long after the norman invasion williams of malmesbury viewed it as an unmitigated disaster while geoffrey of monmouth cast the anglo saxons as cruel invaders and resurrected the old arthurian myths later elizabethan historians saved anglo saxon manuscripts for posterity and the english civil war saw the overtly political use of a sense of anglo saxonism this was followed by an earnest attempt by scholars to understand the old english language it was an era which saw the rise of the first real histories of england with mixed results for the anglo saxons the notions of germanism and an anglo saxon race in both england and america preceded the victorian age where politics art and culture began to reflect gratitude towards the anglo saxons in conclusion the author asks how the anglo saxons are viewed by the modern english people book jacket

Origin of the Anglo-Saxon Race 1906

reginald maher s these are the anglo indians is the second book in the anglo indian heritage series the author tells the little known story of anglo indian history how this small community adapted in the face of difficulties and survived and helped shape the destiny of the british in india the portuguese came to india just over 500 years ago the dutch french and the british soon followed attracted by the famed riches of india europeans married local people these unions resulted in the birth of a new community which later came to be known as anglo indians reginald maher narrates this 500 year old history and brings the achievements of a number of anglo indians and their significant contributions to indian society this remarkable story of a small community is a story of courage and resilience in the face of adversity the books are called the anglo indian heritage books as they chronicle the rich and colorful history of the anglo indian community this small community has had outstanding achievements at every level of society for hundreds of years but that record of achievement has been hidden passed over or co opted as british and indian history the heritage books are an attempt to fairly represent the history of the

language and bede and boniface of wessex establish the dating convention we still use today including all the latest research a brief history of the anglo saxons is a fascinating assessment of a vital historical period

The Anglo-Saxon Century and the Unification of the English-Speaking People 2019-03-05

the anglo saxon chronicle is a collection of annals in old english chronicling the history of the anglo saxons the original manuscript of the chronicle was created late in the 9th century probably in wessex during the reign of alfred the great r 871 899 multiple copies were made of that one original and then distributed to monasteries across england where they were independently updated in one case the chronicle was still being actively updated in 1154 sixty winters ere that christ was born caius julius emperor of the romans with eighty ships sought britain there he was first beaten in a dreadful fight and lost a great part of his army then he let his army abide with the scots and went south into gaul there he gathered six hundred ships

with which he went back into britain when they first rushed together caesar s tribune whose name was labienus was slain then took the welsh sharp piles and drove them with great clubs into the water at a certain ford of the river called thames when the romans found that they would not go over the ford then fled the britons to the fastnesses of the woods and caesar having after much fighting gained many of the chief towns went back into gaul

History of the Invasion of Ireland by the Anglo-Normans 2015-03-10

excerpt from history of the anglo saxons from the earliest period to the norman conquest in the present attempt at a popular history of the anglo saxons i have endeavoured to avoid the dry hard matter of fact style of previous historians to describe its important truths in a more picturesque and familiar manner to bring out the actors and scenery more boldly before the eye of the reader to throw more of a poetical spirit into the narrative and to give it all the fascination

of fiction without altering a single recorded fact such a task scarcely presents an obstacle history itself furnishes the romance writer with the most dramatic incidents of his work and they only require to be cast in a somewhat imaginative mould to make them more interesting than fiction the hard naked outline is not all that is necessary to represent truth and it is this very want of a finer finish and a richer style of colouring that has driven so many readers to the romance school of history in which they have found only distorted facts and historical caricatures instead of truth there are many who argue that the paths which lead to knowledge must of necessity be difficult and rugged i believe that it is in the power of any author to make them much pleasanter than they are and that to accomplish this he has only to amuse as well as to instruct even as an agreeable companion will by cheerful conversation seem to shorten and lighten the way however long and wearisome it may be in itself such a companion i have endeavoured to make this volume and to bring the very scenery before the mind s eye of the reader whether the events transpired on sea or land in castle or cathedral whenever such word painting adds to the beauty richness and interest of our historical descriptions about the publisher forgotten books publishes hundreds of

mistakes hyphenations punctuations blurred images missing content pages and or other related subject matters upon our consideration every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references however a few of such imperfections which could not be rectified due to intentional unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work we believe that this work holds historical cultural and or intellectual importance in the literary works community therefore despite the oddities we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole driven by our beliefs we are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content happy reading

My Reminiscences of the Anglo-Boer War

2022-10-27

excerpt from the anglo saxon chronicle alfred collected such scanty records together and added to them a history of the century in which he lived egypt s wars were not yet forgotten and the deeds of his son and grandsons were still nearer the king s own experience the account of his own wars down to the year 892 is probably from the pen of the west saxon monarch himself no definite judgement can be given but the spirit and style of the narrative is wholly alfred s we know from other sources that the king s mind soared above the isolated life of his own island he felt in all its fulness the great man s need of a less restricted atmosphere to this unconscious instinct we may trace the sending of alms to india and the frequent mention of foreign events in that portion of the chronicle attributed to him note too the curiosity which is shown about the three irish exiles of the year 891 alfred was ever interested in tales of the outside world compare the account of the voyages of othere and wulfstan which he inserted in his translation of orosius history about the publisher forgotten books
