this political guide helps us understand why the federal government is designed as it is and how it can be fixed everybody proclaims disgust with the political system yet the system continues to get more disgusting is the hard nosed partisanship in politics today the result of a flaw in the design of our system of government did our forefathers overlook something important when they were writing the constitution in a broken sausage grinder author hank thomas explains the basic components of the government in order to provide insight as to why it functions as it does from the diverse settlements and colonial experiences to the development of and the motivation for our demand for freedom and self determination this study looks at what our founding fathers were attempting to create as the united states of

america was being formed it studies the variety of influences that have molded our political system over the years and it presents conclusions about what is wrong with our system of government and how it can be fixed john senger of clarion foreword reviews gave this book five stars and said much like madison hamilton and john jay the author is consistently reasoned and moderate in his arguments for restraint in the political forum in fact he concludes our problem today stems from a loss of respect for the beliefs and ideologies of other americans kirkus reviews said thomas finally attempts to provide answers to the problems america faces with such diverse advice as allowing only registered voters to make campaign contributions and stressing compromise over mere minority rule thomas work is a compelling review of american political history in an easy to read form a comprehensive set of appendices also aids the reader designed as a tool to facilitate discussion a broken sausage grinder communicates the idea that we the people form the foundation for our government if it

isn t working as we intended we the people have the responsibility to fix it thank you for joining this important american conversation
