The 3 Gaps

2016-01-11

for a better life close the gaps we all want to make a difference but just as you need to put on your own oxygen mask before helping other passengers on an airplane getting your own life together is the first step to making a positive impact in the world franklin covey cofounder hyrum smith shows that what stops us are gaps between where we are and where we want to be the first is the beliefs gap between what we believe to be true and what is actually true the second is the values gap between what we value most in life and what we actually spend our life doing the third is the time gap between what we plan to do each day and what we actually get done smith offers a practical blueprint that we all can use to recognize and close each of these three gaps and illustrates how it can be done through inspiring true stories the 3 gaps provides the concepts and the tools needed to establish a solid foundation from which you can help make the world a better place

Home of the Brave: Confronting & Conquering Challenging Times

2019-01-01

in good times and bad in times of economic downturn and times of wartime peril we as americans have shown our mettle there is something in the historical dna of this people a resilience a power a talent for innovation a unique and empowering bravery that has carried us forward as a nation and a people for nearly 250 years this book is about this history this inheritance this people these characteristics apply not just to the people of the united states as a whole but to each of us as individuals whether we are leaders followers friends co workers parents spouses partners or simply sojourners in this thing we call life it is rare for us to see those we care about suffer and not want to change their circumstances or alleviate their suffering it is an almost in born trait that we as individuals and as a nation tend to seek ways to overcome the challenges we periodically face home of the brave is about meeting our individual challenges and the challenges of those we care about and care for it is about finding the time proven principles in the historical dna of great americans that we can draw on not only for strength but for practical insight and action that can make even the most challenging times more manageable even conquerable
