research focussing on how citizens and societies make sense of the past through different ways of representing it

The Collected Historical Works of Sir Francis Palgrave, K.H. 2016-04-08 Friedrich Schiller is justly celebrated for his dramas and poetry yet above all he was a polymath whose writings enriched a range of fields including history and philosophy until now no comprehensive accounting of this philosophy has been undertaken. The Palgrave Handbook on the Philosophy of Friedrich Schiller makes good this desideratum, treating Schiller's poetry, prose, and dramatic work alongside his philosophical writings and reviewing his thought not only in connection with those who influenced him such as Kant, Reinhold, and Fichte but also those he anticipated such as Hegel, Marx, and the Neo-Kantians. Topics treated in this volume include Schiller's philosophical background, his theoretical writings, Schiller's philosophical writing in light of his entire oeuvre, and Schiller's philosophical legacy. The handbook also includes an overview of the main topics Schiller addressed in his philosophical writings, including philosophical anthropology, aesthetics, moral philosophy, politics, and political theory, the philosophy of history, and the philosophy of education, bringing together the latest research on Schiller and his thought by leading scholars in the field. The handbook draws attention to Schiller's undiminished importance for philosophical debates today.

The Palgrave Handbook of Economics and Language 2017-03-07 This handbook comprehensively explores the European Union's institutional and policy responses to crises across policy domains and institutions, including the Euro crisis, Brexit, the Ukraine crisis, the refugee crisis, as well as the global health crisis resulting from COVID-19. It contributes to our understanding of how crisis affects institutional change and continuity, decision-making behavior, and processes, and public policy-making. It offers a systematic discussion of how the existing repertoire of theories understand crisis and how well they capture times of unrest and events of disintegration. More generally, the handbook looks at how public organizations cope with crises and thus probes how sustainable and resilient public organizations are in times of crisis and unrest.

The Palgrave Handbook of Transnational Women's Writing in the Long Nineteenth Century 2023-01-01 This handbook tackles the understudied relationship between music and comedy/cinema by analysing the nature, perception, and function of music from fresh perspectives. Its approach is not only multidisciplinary but also interdisciplinary. In its close examination of how music and other cinematic devices interact in the creation of comedy, the volume addresses gender representation, national identities, stylistic strategies, and employs inputs from cultural studies, musicology, music theory, psychology, cognitivism, semiotics, formal and stylistic film analysis, and psychoanalysis. It is organized in four sections: general introductions, theoretical investigations, music and comedy within national cinemas, and exemplary case studies of films or authors.

Palgrave Handbook of Research in Historical Culture and Education 1893 This wide-ranging volume presents the most complete appraisal of modern African history to date. It assembles dozens of new and established scholars to tackle the questions and subjects that define the field, ranging from the economy, the two world wars, nationalism, decolonization, and postcolonial politics to religion, development, sexuality, and the African youth experience. Contributors are drawn from numerous fields in African studies, including art, music, literature, education, and anthropology. The themes they cover illustrate the depth of modern African history and the diversity and originality of lenses available for examining it. Older themes in the field have been treated to an engaging re-assessment, while new and emerging themes are situated as the book's core strength. The result is a comprehensive, vital picture of where the field of modern African history stands today.

The Palgrave Handbook on the Philosophy of Friedrich Schiller 1893 This Palgrave handbook offers the first international comparative study into the efficiency of the industrial organization of the global wine industry, looking at several important vineyards of the main wine countries. The contributors analyze differences in implementation and

articulation of three key stages grape production wine making and distribution marketing selling and logistics by examining regulations organization theory industry organizational efficiency and vertical integration up to date strategies in the sector are presented and appraised which models are most efficient what are the most relevant factors for optimal performance how do reputation and governance impact the industry should different models co exist within the wine countries for global success this comprehensive volume is essential reading for students researchers and professionals in the wine industry

Catalog of "A. L. A." (American Library Association) Library 1896 this handbook presents a timely collection of original studies on relevant themes policies and developments in european banking the contributors analyse how the crisis years have had a long lasting impact on the structure of european banking and explore the regulatory architecture that has started to take form in their wake academic experts and senior policy makers have contributed to this volume which is organized in five main parts the first part presents an overview of european banking through the crisis and beyond the second part analyses performance and innovation in eu banking markets the third part discusses the key regulatory changes aimed at fostering financial stability part four looks at the relevance of cross border banking and part five presents a detailed analysis of the main eu banking markets this is a highly informative and carefully presented handbook which provides thought provoking insights into the past present and future landscapes of european banking it will appeal to a wide readership from scholars and students through to researchers practitioners and policy makers

A.L.A. Catalog 1893 the chapters contained in this handbook address key issues concerning the aesthetics ethics and politics of violence in film and media in addition to providing analyses of representations of violence they also critically discuss the phenomenology of the spectator images of atrocity in international cinema affect and documentary violent video games digital infrastructures cruelty in art cinema and media and state violence among many other relevant topics the palgrave handbook of violence in film and media updates existing studies dealing with media and violence while vastly expanding the scope of the field representations of violence in film and media are ubiquitous but remain relatively understudied too often they are relegated to questions of morality taste or aesthetics while judgments about violence can themselves be subjected to moral judgment some may question whether objectionable images are worthy of serious scholarly attention at all while investigating key examples the chapters in this handbook consider both popular and academic discourses to understand how representations of violence are interpreted and discussed they propose new approaches and raise novel questions for how we might critically think about this urgent issue within contemporary culture

House documents 2020-12-21 this handbook explores the evolution of african education in historical perspectives as well as the development within its three systems indigenous islamic and western education models and how african societies have maintained and changed their approaches to education within and across these systems african education continues to find itself at once preserving its knowledge while integrating islamic and western aspects in order to compete within this global reality contributors take up issues and themes of the positioning resistance accommodation and transformations of indigenous education in relationship to the introduction of islamic and later western education issues and themes raised acknowledge the contemporary development and positioning of indigenous education within african societies and provide understanding of how indigenous education works within individual societies and national frameworks as an essential part of african contemporary society

Catalog of "A.L.A." Library 1852 the palgrave handbook of european migration in literature and culture engages with migration to within and from europe foregrounding migration through the lenses of historical migratory movement and flows associated with colonialism and postcolonialism with essays on literature film drama graphic novels

and more the book addresses migration and media hostile environments migration and language migration and literary experiment migration as palimpsest and figurations of the migrant each section is introduced by one of the handbook's contributing editors and interviews with writers and film directors are integrated throughout the volume the essays collected in the volume move beyond the discourse of the refugee crisis to trace the historical roots of the current migration situation through colonialism and decolonization

The Palgrave Handbook of EU Crises 2023-11-28 this handbook provides a comprehensive overview of research on the gothic revival the gothic revival was based on emotion rather than reason and when horace walpole created strawberry hill house a gleaming white castle on the banks of the thames he had to create new words to describe the experience of gothic lifestyle nevertheless walpole's house produced nightmares and his book the castle of otranto was the first truly gothic novel with supernatural sensational and shakespearean elements challenging the emergent fiction of social relationships the novel's themes of violence tragedy death imprisonment castle battlements dungeons fair maidens secrets ghosts and prophecies led to a new genre encompassing prose theatre poetry and painting whilst opening up a whole world of imagination for entrepreneurial female writers such as mary shelley joanna baillie and ann radcliffe whose immensely popular books led to the intense inner landscapes of the bronte sisters matthew lewis's the monk created a new gothic atheistic decadent perverse necrophilic and hellish the social upheaval of the french revolution and the emergence of the romantic movement with its more intense and often atheistic self absorption led the gothic into darker corners of human experience with a greater emphasis on the inner life hallucination delusion drug addiction mental instability perversion and death and the emerging science of psychology the intensity of the german experience led to an emphasis on doubles and schizophrenic behaviour ghosts spirits mesmerism the occult and hell this volume charts the origins of this major shift in social perceptions and completes a trilogy of palgrave handbooks on the gothic combined they provide an exhaustive survey of current research in gothic studies a go to for students and researchers alike

Hand-book for travellers in northern Italy [by sir F. Palgrave]. 2018-01-28 the palgrave handbook of prison ethnography provides an expansive overview of the challenges presented by qualitative and particularly ethnographic enquiry the chapters reflect upon the means by which ethnographers aim to gain understanding make sense of what they learn and the way they represent their finished work the handbook offers urgent insights relevant to current trends in the growth of imprisonment worldwide in an era of mass incarceration human centric ethnography provides an important counter to quantitative analysis and the audit culture on which prisons are frequently judged the handbook is divided into four parts part i about prison ethnography assesses methodological theoretical and pragmatic issues related to the use of ethnographic and qualitative enquiry in prisons part ii through prison ethnography considers the significance of ethnographic insights in terms of wider social or political concerns part iii of prison ethnography analyses different aspects of the roles ethnographers take and how they negotiate their research settings part iv for prison ethnography includes contributions that convincingly extend the value of prison ethnography beyond the prison itself bringing together contributions by some of the world's leading scholars in criminology and prison studies this authoritative volume maps out new directions for future research it will be an indispensable resource for practitioners students academics and researchers who use qualitative social research methods to further their understanding of prisons
