The Summer Sea 2006-09-01

this elegant haunting novel takes us deep into the world of bookstore owner boualem yekker he lives in a country being overtaken by the vigilant brothers a radically conservative party that seeks to control every element of life according to the laws of their stringent moral theology no work of beauty created by human hands should rival the wonders of their god once treasured art and literature are now despised ø silently holding his ground boualem withstands the new regime using the shop and his personal history as weapons against puritanical forces readers are

taken into the lush depths of the bookseller's dreams the memories of his now empty family life his passion for literature then yanked back into the terror and drudgery of his daily routine by the vandalism assaults and death warrants that afflict him from renowned algerian author tahar djaout we inherit a brutal and startling story that reveals how far an ordinary human being will go to maintain hope
