elizabeth pantley spins her baby magic she towers above her competitors by showing us what babies really need and how best to give it to them james j mckenna phd director mother baby behavioral sleep laboratory university of notre dame you have a newborn so sleep is impossible right wrong in the womb babies sleep up to twenty hours per day clearly newborns don t need to be trained how to sleep they know how and they ve had plenty of practice so why do most parents have trouble getting their newborns to sleep elizabeth pantley a world renowned expert on children s sleep created this guide to explain the ways we unintentionally prevent an infant s natural sleep to occur and to teach us the simple but powerful ways to maximize our newborn s naps and nighttime sleep once you ve learned the 15 keys to amazing newborn sleep you ll easily make adjustments to how you treat your baby s sleep you don t have to keep logs nor follow schedules or rules just by being aware of this information you will do things to improve sleep that you wouldn t have known to do otherwise with the no cry sleep solution for newborns you will learn the things that trick us into disrupting a baby s sleep how to identify the perfect moment for a nap ways to create a sleep inducing environment tips to reduce the number of night wakings how to set the stage for great sleep throughout babyhood the no cry sleep solution for newborns was field tested by 122 test families with newborns their input refined the ideas to make them easy to understand and follow by even the most sleep deprived parent when you apply these keys you can help your baby sleep well and peacefully and guess what when your baby sleeps you will too

## The Compassionate Sleep Solution

2016-11-21

there are two major camps on getting children to sleep through the night these methods are hotly debated and their oppositional forces can look like a battle scene from game of thrones arrows fly across internet

camp and it all feels a bit life threatening 1 cry it out deal breaker for many parents 2 do whatever it takes all day and all night long to get your child the f to sleep deal breaker for those of us who actually need real sleep to function in the real world there are other more gentle approaches these offer the much coveted no cry result no cry sorry to report is fantasy island the no cry unicorn baby is for most of us a mythological creature the compassionate sleep solution is a gentle honest and realistic approach because in reality our children rarely have a gentle reaction to our ideas of what is best for them eileen henry is one of the original sleep consultants in the u s after working with thousands of families for almost two decades she has developed the best method for dealing with a baby s very natural process of crying as well as the unnatural process of a parent having to listen to it the compassionate sleep solution will guide you through the process and show you the way to the following reality sleep is a developmental skill that all babies and toddlers can learn since crying can be a part of that reality my method will teach you how to calm the cry
