La chiesa di Santa Maria di Nazareth e la spiritualità dei Carmelitani Scalzi a Venezia 2014-09-08 often hailed as one of the best travel books ever written venice is neither a guide nor a history book but a beautifully written immersion in venetian life and character set against the background of the city s past analysing the particular temperament of venetians as well as its waterways its architecture its bridges its tourists its curiosities its smells sounds lights and colours there is scarcely a corner of venice that jan morris has not investigated and brought vividly to life jan morris first visited the city of venice as young james morris during world war ii as she writes in the introduction it is venice seen through a particular pair of eyes at a particular moment young eyes at that responsive above all to the stimuli of youth venice is an impassioned work on this magnificent but often maddening city jan morris s collection of travel writing and reportage spans over five decades and includes such titles as sydney coronation everest hong kong spain and manhattan 45 since its first publication venice has appeared in many editions won the w h heinemann award and become an international bestseller the best book about venice ever written sunday times no sensible visitor should visit the place without it venice stands alone as the essential introduction and as a work of literature in its own right observer

Nello spirito di Nazareth. Una rilettura biblica e spirituale della santa famiglia 2004 now forty years since its original publication hans kung s groundbreaking study acclaimed as a model for ecumenical discussion has become a classic work looking at the doctrine of justification as understood by the protestant theologian karl barth in comparison to classic roman catholic theology kung found that the two had similar ideas about the main elements of justification he argued there is fundamental agreement between catholicism and barth s doctrine and that the somewhat divergent viewpoints would not warrant a division in the church this anniversary edition now features a new essay assessing kung s work in light of contemporary ecumenical dialogues between roman catholics and protestants

Atheism: a Lecture 1879 pope john paul ii was one of the most significant world figures in the 20th century and one of the most famous popes in the history of the catholic church his unprecedented willingness to travel the world and his media savvy allowed him to reach over 1 billion catholic parishioners in over 100 countries during his long tenure as pope he drew huge crowds of devoted followers wherever he went and no doubt many of them will seek to remember him long after his reign has ended the poynter institute has put together a full color collection of front page newspaper stories from the day of pope john paul ii s death in order to chronicle the historic event the book includes approximately 150 reproductions of front pages from newspapers in all 50 u s states as well as major newspapers from around the world the covers are presented without commentary in order to allow the reader to appreciate the event in his or her own way

Venice 2008-10-02 this is the second of a series of four volumes that are intended to present a complete corpus of all the church buildings of both the western and the oriental rites rebuilt or simply in use in the crusader kingdom of jerusalem between the capture of jerusalem for the first crusade in 1099 and the loss of acre in 1291 this volume completes the general topographical coverage begun in volume i and will be followed by a third volume dealing specifically with the major cities of jerusalem acre and tyre which are excluded from the preceding volumes the project of which this series represents the final definitive publication has been sponsored by the british school of archaeology in jerusalem on completion the corpus will contain a topographical listing of all the 400 or more church buildings of the kingdom that are attested by documentary or surviving archaeological evidence and individual descriptions and discussion of them in terms of their identification building history and architecture some of the buildings have been published before but many others are published here for the first time

La santa casa di Nazareth e la città di Loreto 1853 it offers all that the visitor with a concern for beauty and for leisurely sight seeing will require financial times if ever a guidebook were designed to be read as literature it is mr honour s even those who know venice welland love it well will add to their appreciation from this seemingly endless store of information economist offers all that the visitor with a concern for beauty and for leisurely sight seeing will require financial times the best guide book i have ever encountered and a book i found it impossible not to read from beginning to end observer there are few pleasanter ways of passing a summer s evening than sitting over a cup of coffee and perhaps a glass of aurum in the piazza san marco it is especially agreeable on those nights when the venetian city band thunders away at some throbbingly romantic piece and all the while the younger inhabitants parade around the square chattering flirting quarrelling and staring at their visitors with that same unwinking gaze that venetians have turned on their guests for the past five centuries the facade of san marco closes the scene in a glitter of golden mosaic and a bubbling of cupolas while the great thick red campanile stretches up into the warm mothy darkness of the summer sky hugh honour it is clear knows venice exceptionally well and catches the rhythms of the city s life with unerring skill his guide with its winning blend of evocatedetail and precise information spurs the reader to investigate venice s wonders piazza san marco is only the beginning of a journey into the heart of venice and its history

La Santa Casa di Nazareth e la città di Loreto descritte storicamente e diseguate 1854 the crusades are often seen as epitomising a period when hostility between christian west and the muslim near east reached an all time high as this edited volume reveals however the era was one which saw both conflict and cohabitation tackling such questions as whether medicinal and architectural innovations came to europe as a direct result of the crusades and why and

how peace treaties and intermarriages were formed between the different cultures this distinguished group of contributors reveal how the holy wars led on the one hand to a reinforcement of the beliefs and identities of each side but on the other to a growing level of cultural exchange and interaction this volume breaks new ground in not only exploring the conflict between the christian and the muslim worlds but also the impact of this conflict on the cultural evolution of european and near eastern thought and practices utilising the latest scholarship and original studies of the sources this survey sheds new light on the cultural realities of east west relations and marks a new departure for studies of the crusades contributors include john france yehoshua frenkel chris wright natasha hodgson a v murray sini kangas léan ní chlérigh susan edgington jürgen krüger yvonne friedman and bernard hamilton
