Advanced Grammar in Use 2009

Advanced Grammar in Use contains 120 units of grammar explanation and practice exercises. It provides coverage of those language areas advanced level students will find most rewarding to study. It retains the clarity of presentation of other books in the in use family. Two page units present grammar explanation and examples including typical student mistakes on left hand pages and useful and varied practice on right hand pages. Extra practice exercises at the back provide further challenging and contrastive practice of grammar points from different units. A study guide helps students find those areas most appropriate for their study. Grammar areas are cross referenced throughout. There are useful appendices dealing with verb forms and a glossary and all answers are given at the back.
