in 1951 when sister of charity mary joaquin bitler was called to santa fe new
mexico to be the supervisor of nursing at santa fe s antiquated st vincent
hospital she remarked that the 1910 catholic hospital was surviving on nerve
and hope later as administrator 1960 1976 she was lauded locally and nationally
for her achievements in health care and for bringing that care to the poor of
new mexico considered by many a brilliant businesswoman she turned st vincent s
into a state of the art facility in its time managed by a community corporation
sister mary joaquin s story tells of a very complex personality a tough
hospital administrator she had many admirers as well as some enemies a devout
nun she drew strength from her religion to open her heart to the poor and the
sick while she herself suffered a chronic and debilitating illness in 1977
after succeeding in her goal to build santa fe a new and greatly expanded
community owned hospital sister joaquin retreated to a life of contemplation
and prayer in a little hermitage in central mexico appalled by the poverty and
sickness around her the distended stomachs of hungry children the heart
breaking number of infant deaths from dysentery and other parasitic diseases
she opened a small clinic in her hermitage to treat the villagers most of whom
had never seen a doctor or had any access to health care her last years were
spent living as a hermit in new mexico s christ in the desert benedictine
monastery until her death in 2003 charity s sister is a book that will appeal
to students of medicine southwest history and women s history as well as being
a testament to one woman s profound strength of will to one who always sought
divine guidance in dealing with adversities in her own life and in the many
lives she touched mari gra a has published books on new mexico history and on
western women in medicine her memoir begoso cabin won the willa cather award

Charity Boy Stories 2016-10-12

young voices united for change it is never too early to begin cultivating future leaders from today's youth. This story integrates visual art and storytelling to help youth explore their core leadership skills inspired by the 40 developmental assets created by the search institute. This story helps people strive to become healthier and more caring citizens. This project has brought together over 50 kids and teens to establish a thought provoking book on youth leadership through storytelling. Participating youth have united to uniquely express these 40 developmental assets in their own way portraying how youth view empowerment, personal power, positive values, and other building blocks of healthy development. In this story, the assets necessary to inspire and encourage the leaders of tomorrow are interwoven in an enjoyable and original way. What great lessons for young people and elders as well! This amazing book written by young adults contains words for all of us to live by and stories that bring to life these lessons. An absolutely delightful read that should be shared with family and community. Br. Marty Evans, former Pres. Amer. Red Cross Pres. LPGA Exec. Dir. Girl Scouts USA, Sup. T. US Naval Postgrad School. The royalties from this book will be donated to help fight hunger and support youth programs around the world.

Molly McBride and the Party Invitation 2019-06-03

Finding Charity's Folk highlights the experiences of enslaved Maryland women who negotiated for their own freedom, many of whom have been largely lost to historical records based on more than fifteen hundred manumission records and numerous manuscript documents from a diversity of archives. Jessica Millward skillfully brings together African American social and gender history to provide a new means of using biography as a historical genre. Millward opens with a striking discussion about how researching the life of a single enslaved woman, Charity Folks, transforms our understanding of slavery and freedom in revolutionary America. For African American women such as Charity, freedom like enslavement was tied to a bondswoman's reproductive capacities; their offspring were used to perpetuate the slave economy. Finding loopholes in the law meant that enslaved women could give birth to and raise free children. For Charity Folks, demonstrating the fluidity of the boundaries between slavery and freedom, which was due largely to the gendered space occupied by enslaved women, the gendering of freedom influenced notions of liberty, equality, and race in what became the new nation and had profound implications for African American women's future interactions with the state.

The Elephant's Shoes is a children's book about love, loss, and healing. We all make decisions in our life, some that make us happy and some that we regret. Author Charity Yoder believes that everyone, even young children, can better learn how to cope with the sometimes painful outcome of their choices. This is a beautiful story about the power of connection and how to move on with an open and compassionate heart.

Charity's Sister 2010

Charity's Journey is the story of a pit bull puppy born into the hellish world of dogfighting, facing horrendous abuse and neglect. Charity struggles to survive with her two sisters, Faith and Hope, after losing their mother. All three begin to believe that sometimes dead is better; people are their enemy until a kindly neighbor witnesses Charity being abused in a most horrific way. The three are taken to the animal shelter where the dog fighter hoped they would be killed, destroying all evidence of the abuse. Instead, they find friends and the first kindness they have ever known. Charity's Journey takes her from hell to the animal shelter, then to rescue and a place to call home. She will find her way.
