how does being worth 56 billion dollars sound if it sounds like a dream
you may not have heard of entrepreneurship you can take this book and
learn how to make that exact dream come true you can be as successful as
people like alexa von tobel and mark zuckerberg what is even more
surprising is that all it takes is a little bit of hard work and
dedication throw in some not giving up and enjoyment of success and you
will be able to be a successful entrepreneur in no time at all the book
includes information on being an entrepreneur some background facts on
successful young entrepreneurs the required things that you need if you
are going to be an entrepreneur a bonus checklist that you can use when
you are getting started all of the inspiration that you need no matter
what your specialty is read on to find out how each of the people
included in the book became successful and what they are now worth you
may be surprised that you too can do the same things as they can we ll
even start you out with a secret being an entrepreneur isn t about your
charm your talent or even your capabilities it is all about the way that
you look at life and the dedication that you have to success anyone is
able to do it
