My Brother the Pope

2012-01-30

be sure to check out the for more information it wasn't always the case that msgr georg ratzinger lived in the shadow of his younger brother joseph georg was an accomplished musician who for over 30 years directed the regensburger domspatzchor the world famous boys choir of the regensburg cathedral brother joseph was a brilliant young professor but mostly known in german academic circles now georg writes about the close friendship that has united these two brothers for more than 80 years this book is a unique window on an extraordinary family that lived through the difficult period of national socialism in germany those interested in knowing more about the early life of benedict xvi will not be disappointed they will also learn of the admirable character and inspiring example of the parents and see how the catholic faith can shape not just a family but an entire culture in this case that of bavaria georg's reminiscences are detailed intimate and warm and while they begin with the earliest years of the ratzinger family they continue right up to the present day this is not simply a book to satisfy curiosity about a celebrity though it certainly does that it's a beautiful portrait of catholic family life and in the most literal sense of enduring fraternal charity georg has a talent for telling a story and the co author fills in some of the larger historical background the many photographs both in black and white and in color round out a thoroughly enjoyable and inspirational book illustrated with 47 photographs

The Pope, My Brother and I

2012-03-01

somewhere around the age of 12 i suddenly realized my family was going straight to hell all five of them and that it was up to me to do something about it thus speaks régine the narrator of penny howson's sprightly and charming memoir of a french childhood fresh from her first communion régine zealously tackles the problem of godlessness in her parisian family but her progress on behalf of le bon dieu is slow her father is preoccupied only with the fluctuations of anaconda copper stock and the dreadful effect of the new metro line on his wine cellar her grandmother boma concentrates on knitting and on the tribulations of her weekly day of dieting her mother's response is pleasantly vague her sixteen year old sister tozy is more direct who asked you little fat one this leaves only her five year old brother jean paul and he more than any of the others requires her attention for jean paul has not been baptized with her goal now clearly in mind régine is relentless in the face of her family's massive indifference she determines to baptize jean paul herself and the rollicking pursuit of her brother's salvation that follows is a masterpiece of wry and affectionate humor in her loving characterizations of her family in her deft use of comedy and in her representation of a french way of life that has almost disappeared today penny howson has created a gem of a book the pope my brother and i is funny heart warming and poignant in the finest tradition of childhood recollections st martin's press 1966

Pope Benedict XVI

2013-04-23

this comprehensive biography of pope benedict xvi emphasizes his theological positions and contributions as a theologian pope benedict xvi a biography is an incisive exploration of the life and career of the current head of the roman catholic church with an emphasis on his theological positions and contributions as a theologian written by a catholic priest who is an expert on bavarian theology the book looks at benedict s family life his teen years in nazi germany his rise in the church and the beliefs that shape his papacy readers of this biography will learn that in addition to his native german benedict xvi speaks italian french english spanish and latin fluently has a knowledge of portuguese and can read ancient greek and biblical hebrew they will discover that he plays the piano and is very fond of cats perhaps surprisingly they will find that during the time of the second vatican council the pope was viewed as a reformer and that he continues to regard himself as a supporter of the council s teaching holding however that those teachings have been widely misinterpreted all this and more make for a fascinating and instructive reading experience

The Honor of My Brothers

2000

a brief history of the relations between the pope and the bishops

Seth Pope's Journal of the Oregon Scottish Rite

1852

before becoming pope francis fr jorge bergoglio as a jesuit priest in argentina served the jesuit order and the church in a variety of functions professor spiritual director master of novices provincial and eventually cardinal archbishop of buenos aires this fascinating new look at pope francis presents the personal insights of ten jesuits many who have known him since his first days as a jesuit and were interviewed for this book shortly after he was elected the pope some were his professors some his peers and some younger jesuits who were his students also interviewed for this book are non jesuits including an argentine senator a prominent rabbi a priest working in the slums of buenos aires that bergoglio often visited their remarks are focused on different aspects of the man including his family background his abilities and his personality as administrator as friend as teacher as a guide etc some of the predominant aspects of his personality to emerge are his longstanding simplicity and authentic spirituality his concern for the individual and the poor his desire for the church to go out to the street to meet the needs of the people more controversial issues discussed include his dealing with the issue of liberation theology and his relationship with the military regime in argentina these interviews essentially transmit a mosaic that reveals little known insights of the pontiff s personality of his interior world his human abilities his work

habits his devotions his concerns and his friendships thus they open a fascinating door to a better understanding of the man whom the holy spirit has elected to lead the church at this time

A Treatise of the Pope's Supremacy ... The second edition corrected, etc

1834

before becoming pope francis fr jorge bergoglio as a jesuit priest in argentina served the jesuit order and the church in a variety of functions professor spiritual director master of novices provincial and eventually cardinal archbishop of buenos aires this fascinating new look at pope francis presents the personal insights of ten jesuits many who have known him since his first days as a jesuit and were interviewed for this book shortly after he was elected the pope some were his professors some his peers and some younger jesuits who were his students also interviewed for this book are non jesuits including an argentine senator a prominent rabbi a priest working in the slums of buenos aires that bergoglio often visited their remarks are focused on different aspects of the man including his family background his abilities and his personality as administrator as friend as teacher as a guide etc some of the predominant aspects of his personality to emerge are his longstanding simplicity and authentic spirituality his concern for the individual and the poor his desire for the church to go out to the street to meet the needs of the people more controversial issues discussed include his dealing with the issue of liberation theology and his relationship with the military regime in argentina these interviews essentially transmit a mosaic that reveals little known insights of the pontiff s personality of his interior world his human abilities his work habits his devotions his concerns and his friendships thus they open a fascinating door to a better understanding of the man whom the holy spirit has elected to lead the church at this time alejandro bermúdez born in lima Perú is the director of the largest catholic news agency in spanish aci prensa and the executive director of the catholic news agency he is the host of the show cara a cara on ewtn in spanish and has been a guest commentator on religious issues for the new york times he translated cardinal jorge bergoglio s book on heaven and earth into english

A Treatise on the Pope's Supremacy

2013-09-16

from his first appearance on a vatican balcony pope francis proved himself a pope of surprises with a series of potent gestures history s first jesuit pope declared a mission to restore authenticity and integrity to a catholic church bedevilled by sex abuse and secrecy intrigue and in fighting ambition and arrogance he declared it should be a poor church for the poor but there is a hidden past to this modest man with the winning smile jorge mario bergoglio was previously a bitterly divisive figure his decade as leader of argentina s jesuits left the religious order deeply split and his behaviour during argentina s dirty war when military death squads snatched innocent people from the streets raised serious questions on which this book casts new light yet something dramatic then happened to jorge mario bergoglio he underwent an extraordinary transformation after a time of exile he re emerged having turned from a conservative authoritarian into a humble friend of the poor and

became bishop of the slums making enemies among argentina s political classes in the process for pope francis untying the knots paul valley travelled to argentina and rome to meet bergoglio s intimates over the last four decades his book charts a remarkable journey it reveals what changed the man who was to become pope francis from a reactionary into the revolutionary who is unnerving rome s clerical careerists with the extent of his behind the scenes changes in this perceptive portrait paul valley offers both new evidence and penetrating insights into the kind of pope francis could become

Pope Francis: Our Brother, Our Friend

1845

arriving in rome from the netherlands in 1895 the catholic priest and redemptorist willem van rossum 1854 1932 rose quickly through the ranks of the curia in many ways an outsider he made a resounding success of his career his zeal in the fight against the virus of modernism earned him a cardinal s hat in 1911 and he was appointed prefect of the congregation of propaganda fide in 1918 as red pope or head of the vatican s mission department van rossum led a hard fought and ultimately successful campaign to separate missionary policy fundraising and staffing from western nationalism and concentrate control over the worldwide missionary project at supranational level in rome he was the driving force behind two programmatic documents on the missions by popes benedict xv and pius xi which promoted the building up of indigenous churches and the educating of native clergy thus helping to create a favourable position for the catholic church during the subsequent wave of decolonisation in the meantime van rossum continued to decry italian dominance in the church as well as the curia s inefficiencies for instance in a vituperative pamphlet that he wrote shortly before his death this scholarly biography of willem van rossum rescues this great strategist behind the popes of the missions from oblivion and throws fascinating light on the history of the catholic church and the roman curia from the late nineteenth century until far into the twentieth

Pope Francis

2023-11-15

pope francis his life and thought paints a compelling picture of a truly remarkable pope considering his life in detail until his election as pope francis in 2013 cardinal jorge bergoglio was a highly unusual candidate for the papacy for two main reasons the pope from far away is the first non european to be elected and furthermore he began his career as a jesuit one of god s soldiers members of the order traditionally do not ascend the hierarchy of the church and it took a personal request from pope john paul ii for bergoglio to leave the society of jesus and accept his appointment as bishop bergoglio s theological principles have been profoundly shaped by these two factors however the author also reveals that the evolution of his thought was deeply affected by his simple argentinean upbringing and his fearless work in the slums of buenos aires as a young jesuit and as a senior member of the church bergoglio has consistently emphasised the importance of alleviating the suffering of the poor following the teaching of vatican ii and in keeping with his own unflinching morality this volume reveals pope francis as remarkably humble and altruistic man doctrinally conservative and engaged less in politics than in the struggle to re centre the church at the margins of society it will be of great interest to any reader who wishes to know more about this inspiring individual

The Pope, the Kings and the People

2014-05-29

the author addresses in this book two important novelties and they are not the only ones the official biography of the beatification process 2018 brings a fact hidden for forty years the doctor who had to make the diagnosis about the unexpected death of pope john paul i was denied an autopsy moreover the gangster anthony s luciano raimondi in his book when the bullet hits the bone 2019 confesses that he was called by archbishop marcinkus president of the vatican bank to eliminate the pope painlessly marcinkus administered the cyanide and he only advised and accompanied what happened september 4 2002 john paul i is beatified in st peter s square he is beatified for his ordinary holiness that is because he was good which no one doubts however it is hidden how he died and why he is beatified but justice is not done to him there is maneuvering concealment and lying meanwhile people keep on saying the pope they killed the majority of latin american bishops are convinced that albino luciani died murdered serafini and the world contemplates once again the vatican scandal the question is this how to qualify a beatification that hides a murder

Pope Francis

2015-08-24

a groundbreaking account of napoleon bonaparte pope pius vii and the kidnapping that would forever divide church and state in the wake of the french revolution napoleon bonaparte first consul of france and pope pius vii shared a common goal to reconcile the church with the state but while they were able to work together initially formalizing an agreement in 1801 relations between them rapidly deteriorated in 1809 napoleon ordered the pope s arrest ambrogio caiani provides a pioneering account of the tempestuous relationship between the emperor and his most unyielding opponent drawing on original findings in

the vatican and other european archives caiani uncovers the nature of catholic resistance against napoleon s empire charts napoleon s approach to papal power and reveals how the emperor attempted to subjugate the church to his vision of modernity gripping and vivid this book shows the struggle for supremacy between two great individuals and sheds new light on the conflict that would shape relations between the catholic church and the modern state for centuries to come

Brother Francis Presents the Story of Peter the First Pope

2019-11-26

pope francis conversations with his fellow jesuits around the world should excite everyone 13 such exclusive conversations in beautiful ebook formats pope francis uses his base in rome as the platform for a mission to the world that mission has some key emphases and actions that he sees as central to his and the church s mission right now he focuses on those during his journeys away from rome often to places dear to him because they are on the peripheries his topics and themes are popular with audiences but are very familiar where he gets to share what s on his mind on those journeys is when he meets with the local jesuit community he engages and responds extemporaneously to the questions coming from his brother jesuits

Living under the Evil Pope

2013-11-17

reproduction of the original pope by joseph hunter

Delphi Complete Works of Alexander Pope (Illustrated)

1680

a fascinating and enlightening look at the world s oldest and most mysterious institution written by an american journalist with unparalleled knowledge about the vatican s past and present the sexual abuse scandals that shook american and british catholicism in 2002 brought to light a long standing cultural gap between the english speaking catholic world and the vatican in rome the crisis was often seen as an attack on the church mounted by money hungry lawyers a hostile press and liberal activists who used it as a way to turn attention on such concerns as celibacy women s ordination and lay empowerment when the vatican struck down the u s bishops draft for handling allegations of sexual abuse many saw it as an attempt to curb an independent american catholic church yet as time passed it became clear that the vatican s well founded concerns about due process were shared by most liberal u s bishops and canon lawyers all the pope s men is a lucid in depth guide to the sometimes puzzling often incomprehensible inner workings of the vatican it reveals how decisions are made how papal bureaucrats think and how careers in the roman curia are shaped it debunks the myths that have fed the distrust and suspicions many english speaking catholics harbor about the way the vatican conducts its business explains who really wields

the power and offers entertaining profiles of the personalities historical and present day who have wielded that power for good and for bad a thoughtful analysis of the recent sexual abuse crisis sheds light on how the vatican perceives the church in the united states balanced lively and filled with vatican history and lore all the pope s men provides the general reader with an authoritative picture of the highly charged relationship between the vatican and the richest most influential national catholic church in the world today

A Treatise of the Pope's Supremacy. To which is Added A Discourse Concerning the Unity of the Church. By Isaac Barrow, D.D. . .

1855

on december 6 1864 pope pius ix held in the vatican a memorable meeting of the congregation of rites that body consists of some eighteen or twenty cardinals with a few prelates and a number of consulters it holds a prominent place among the congregations or boards as they would be called at our court which taken collectively may be said to constitute the roman curia it determines not only questions touching the canonization of saints and the patron saints of towns and countries but also questions touching relics rubrics and the title of sacred images to worship the all important matters of robes adornments and precedence are said by different authorities to be regulated by it and by the smaller congregation of ceremonies the pontifical masters of the ceremonies have a seat at both boards the day in question fell within three months after the signing of the convention of september by which the new kingdom of italy had succeeded in binding napoleon iii to withdraw his troops from the papal states at the close of 1866 it was therefore at a moment when thoughts were forcibly directed to the contingencies which might arise to the papacy should it be left alone with italians it was moreover only two days before the occurrence of an incident which has already grown into an event and was designed to mark a new era in society at large to that era the proceedings of the six years which we are about to trace were to form the introductory stage up to a grand inauguration both legislative and ceremonial we have no information as to the business for which the meeting we speak of had been convened it was however opened as usual by the reading of a prayer after the prayer the pontiff commanded all who were not members of the sacred college to withdraw and leave him alone with the cardinals the excluded dignitaries interchanged conjectures as to what might be the cause of this unusual proceeding and hoped that on their readmission they should be informed but the pope did not condescend to their curiosity they found that the congregation only went on with the regular business and when events cleared up the doubt it proved that not one of them had guessed the truth in the short but eventful interval pius ix had formally communicated to the cardinals his own persuasion long cherished and now quickened to the point of irrepressible action that the remedy for the evils of the time would be found only in a general council he commanded them to study the expediency of convoking one and to send to him in writing their opinions upon that question

The words of the lord Jesus [a commentary] tr. by W.B. Pope [and others].

2023-11-14

this volume of essays covers themes which are central to the work of brenda bolton as a scholar and teacher innocent iii the city of rome the medieval church and the urban context of the italian peninsula in the late middle ages

The Pope Who Was Murdered

2021

how was alexander pope s personal experience of women transformed into poetry how characteristic of his age was pope s attitude toward women what was the influence of individual women such as his mother patty blount and lady mary montagu on his life and work valerie rumbold s is the first full length study to address these issues referring to previously unexploited manuscripts she focuses both on pope s own life and art and on early eighteenth century assumptions about women and gender she offers readings of some of the well known poems in which women feature prominently and follows pope s response throughout his writings in general the poet s own alienation from the dominant culture through religion politics and physical handicap and his troubled fascination with certain kinds of women make this subject complex and compelling with wide implications dr rumbold provides new insight and shows how women with whom pope dealt can themselves be seen as individuals with presence and dignity

To Kidnap a Pope

1882

in italy they call him il papa which means the father until his unprecedented election author and friend elisabetta piqué called him padre jorge he may have changed his name to become pope francis but it did not change their friendship since jorge mario bergoglio became pope francis in 2013 countless books have been written to help the world understand this deeply complex yet simple servant of god what sets pope francis life and revolution apart from all other biographies of pope francis is the careful research and original investigation behind it along with the fact that it is written by an internationally respected journalist elisabetta piqué who has remained close to the pope since first meeting him back in 2001 over 75 individuals were interviewed for pope francis life and revolution including lay people priests bishops and cardinals who have known or worked with francis at various times in his life insights from these people as well as from friends and family members allow us to see a profoundly personal side of the pope his humility and humanity courage and conviction and warmth and wisdom are revealed as piqué shares little known episodes from francis s life with a foreword by cardinal seán o malley o f m cap pope francis life and revolution is the definitive resource and narrative of a man personally known by few and revered and respected by many pope francis life and revolution reveals a man consistent in his beliefs and actions he is a spiritual leader unwavering in his love for god whose inner joy and peace move him and can inspire us to serve the least the last and the lost also available in spanish el papa francisco vida y revolución
